Nurturing The Soul Of The Parent Child Relationship Weeding Out The Chaos:

Nurturing the Soul of the Parent /Child Relationship:Weeding Out the Chaos Rhonda Scott,Vergia Kemp Blackmon,2005-12 This book is about nurturing the self teen and child so that everyone can feel more love towards each other It is about moving beyond fear into the realm of love Parenting is a hard job that can be laced with frustration This book supports the job of parenting while concurrently gives practical suggestion to help the parent succeed Going beyond basic parenting techniques this book succeeds in answering difficult questions This is the written material you always wanted without seeing a psychologist This unique book is a parent s handbook and has 13 different subjects to nurture the whole family

Nurturing the Souls of Our Children Thomas F. Geary,Bonnie L. Geary,2002 Nurturing the Souls of Our Children proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children This is nurturing the soul It is what children today need more than anything else Based on their experience as parents as church ministers and as professional counselors for over 25 years Dr Thomas Geary and his wife Bonnie are well qualified to integrate the psychological with the spiritual Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society Their suggestions are clothed in practical humorous and touching stories reflective of the real world where families live

The Soul of the Child Michael Gurian,2002-11-01 With The Wonder of Girls and The Wonder of Boys bestselling author Michael Gurian presented his groundbreaking views of parenting Now with the same breadth of vision and depth of commitment he combines accessible analysis of cutting edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children s souls A revolutionary vision for parents and educators alike indeed for all who love children The Soul of the Child is a deft blend of inspiring stories common sense and scientific observations that demonstrates what the soul is and how it works This insightful and groundbreaking book urges its readers to become aware of our children s divine inheritance and learn how to nurture that divinity Sensible and informed it shows how to protect childhood from the complexities of our age and provides as no book ever has the means for bestowing upon our children the gifts of compassion security discipline humility and enlightenment The Soul of the Child is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood to the very life of the human soul And it couldn t have come at a better time

Nurturing Connection Rebecca Thompson,2013-07-12 Excerpt from Nurturing Connection Nurturing our relationship with our children is the heart and soul of consciously parenting Nurturing relationships once they are established is really an art It is about remembering that our children s need for connection is a primary factor in most of their behavior It is about recognizing that in every parenting situation we have choices about how we respond to our children and their behaviors It is about seeing every parenting situation as an opportunity to create connection or disconnection It is about looking at our everyday parenting situations and beginning to

see how we can choose connection It is also about being able to admit when something didn't go as planned to forgive ourselves for not always being the parents we hope to be and to forgive our children for not always being the children we hope they'd be

Nurturing a Child's Soul Timothy Jones, 2004 Spiritual growth specialist Timothy Jones recognizes that there are many influences that shape a life but a parent's role is one of the most critical In *Nurturing a Child's Soul* he shares insightful research and real life parenting stories to help guide parents as they seek to nourish their children's faith and nurture their souls

Restorative Parenting John Ehrhart, 2014-10-20 7 Ways to Transform the Parent Child Relationship 1 ATTACHMENT Developing positive connections that transcend competing forces 2 DEVELOPMENT Promoting healthy maturation of children and self 3 EMPATHY Ability to connect with feelings and needs being expressed 4 PATIENCE Capacity to stay with what is happening in the present moment without reacting 5 ADULTHOOD Taking 100% responsibility for the state of one's life and one's relationships 6 RESTORATION Willingness and the skillful means to repair the harm 7 RELATIONSHIP Prioritize relationships over all else As parents we often find that despite our best efforts to maintain healthy nurturing relationships with our children damage to parent child bonds can be a fact of life We seek restoration The techniques set out in this book will draw out your inspiration as a parent and connect you with the parent you truly are The qualities and capacities you need to be a great parent are already present

Parenting From Your Soul Jeanmarie Wilson, 2014-04 The principles discussed in *parenting from your soul* are based in spiritual ideology challenging you to examine the role of parent from another perspective Conscious choices made from this place can help us honor our children's individual path appreciate the phases of our children's growth open our hearts to give and receive a deeper level of love practice forgiveness for others and ourselves learn universal laws to create the life we want and create relationships based on acceptance honesty and compassion Parenting from your soul helps you guide your child to a life of happiness and purpose while assisting you in making positive changes in your own life It offers information about transforming your relationship with your child no matter his or her age Applying this information can open up a new way to approach your role as parent and change the way you approach issues in your own life Back cover

Parental Guidance Required Study Guide Andy Stanley, Reggie Joiner, 2004-07-14 As parents we need to do everything we can to enhance our children's relationship with us to influence their relationships with those outside the home and most importantly to advance their relationship with God Designed for use in personal study or in small groups The Parental Guidance Required DVD and study guide are practical resources that will help parents to ask themselves the important questions Am I economizing my time with my child or am I investing in my child by carefully developing the quality of our relationship over the long haul Am I striving to control the influence that friends have in my child's life Am I nurturing a healthy eternal perspective that will help my child to weather the inevitable storms of life DVD include 4 complete sermons and six group sessions that correspond to the companion study guide Influencing Your Child's Future Of all the assignments God will give you during your time on

earth none may be more sacred than the task of raising your children Parental Guidance Required Study Guide is designed to give you the counsel you need to help prepare your children for the future Intended for use in personal study or in small groups this six session companion study guide to the Parental Guidance Required DVD is a practical resource that will encourage you to look at the relationships in your children s lives and ask the important questions Am I developing a quality relationship with my child that will go the distance Am I striving to control the influence that friends have in my child s life Am I nurturing a healthy eternal perspective that will help my child to weather the storms of life Asking the right questions is the key to helping you assess your family needs and ensure that the influence you have is one that will last a lifetime Story Behind the Book In an effort to focus Multnomah s mission to equip the church and to make the bride more beautiful the company developed a relationship with Andy Stanley and North Point Community Church to publish a selection of the church s resources and distribute them to a broader market North Point is one of the most influential churches in the nation and their teaching is already highly sought after They have a voice for the 20 to 30 something generation Reaching the church is a strategic goal of Multnomah and we realize that the emerging generation needs resources that deliver truth in fresh new ways Andy s leadership will keep North Point on the edge for a long time to come In the Midst of Chaos Bonnie J. Miller-McLemore,2019-03-01 How the daily practices of life with children can shape our faith In the Midst of Chaos explores parenting as spiritual practice building on Bonnie J Miller McLemore s fresh conceptions of children from her book Let the Children Come She questions conventional perceptions that spiritual practices require silence solitude and uninterrupted prayer and that assume a life unburdened by care of others She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children and the adults who care for them Miller McLemore explores how parents might use seven daily practices such as play reading chores and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually Through these experiences she shows how the very care of children forms and reforms the faith of adults themselves contrary to the belief that adults must form children In the Midst of Chaos also goes beyond the typical focus on individual self fulfillment by tackling difficult questions of social justice and mutuality in the ways families live together Readers will find in this book an invitation to love those around them in the midst of life s craziness and to live more deeply in grace **The Parent Survival Guide** Theresa Kellam,2011-02-14 When parents turn to the parenting self help section of their local bookstore they are looking for both practical guidance and a childrearing philosophy that resonates with them an approach they can relate to and be comfortable implementing in their own household In The Parent Survival Guide From Chaos to Harmony in Ten Weeks or Less Theresa Kellam presents a way to strengthen the relationship with the child that simultaneously promotes the parent s own emotional healing and wellness Grounded in a research supported therapeutic technique that uses structured play time as the catalyst for interpersonal connection and growth Kellam s model is subtle in its simplicity Through a series of guided exercises

Kellam gives parents the skills they need to begin to set aside special playtimes with their children during which the most important part of the process is simply being there in a way that promotes healing growth and communication. The beauty of this approach is that in only 30 minutes once a week the results can be seen in only a few weeks. Features of the book include Parent Survival Tip at the start of each chapter. Original cartoon illustrations bring text to life. Short but insightful worksheet questions bring focus to the program. The Parent Survival Guide is structured over a series of 10 chapters which can be read in conjunction with the 10 sessions of the CPRT workshops for those parents enrolled in a formal filial training program. But the material in the book is designed to be read and implemented by anyone. The author is not only a licensed psychologist and filial therapist but she has also gone through the program with her own son and continues to rely on its principles within her family.

Nurturing with Love and Wisdom, Disciplining with Peace and Respect Diane Tillman, 2014-11-19. An amazing resource the qualities of love, peace, respect and wisdom are embedded in this book in guidelines on encouragement, listening, peace time, Us Time, building positive behavior, developing responsibility and discipline while dealing with practical realities such as homework and how to get the kids to handle squabbles respectfully and independently. Suggestions and activities are shared to help parents help children from toddlers to teens use values to handle their challenges as well as to deal with bullying and prevent drug use and sexual abuse. This book is unusual not only for the variety of important topics addressed but for its mindful approach in building healthy emotional and social skills while strengthening loving family relationships. An enjoyable read that parents will return to as a resource again and again. Diane brings guiding principles to life with stories about children, parents and educators.

Eight Sections 34 Chapters

Section One: The Importance of Values. Two chapters offer a brief look at the effect of values and why teaching values is not as easy as it was decades ago when being a role model and sharing stories was often sufficient.

Section Two: Nurturing with Love and Wisdom. Seven chapters explore the importance of enjoying play and Us Time with children of all ages, the role of love, affection and attention, the uniqueness of each child and practical guidelines for encouragement and building positive behaviors. Stories and examples of active listening give parents a wonderful way to help children accept and process their own emotions. Creating opportunities for children to be responsible is also addressed.

Section Three: Disciplining with Peace and Respect. Eight chapters explore values-based methods of guiding children beginning with a discussion of to can or not to can and the dynamics of punishment. Practical steps are offered to implement peaceful, effective timeouts, help children create positive alternatives, speak so children will listen, model desired behaviors, give choices and use logical consequences to help children accept responsibility. A discussion of values is part of a four-step correction process when young people engage in wrong behavior.

Section Four: Healthy Food for the Body and Mind. Two chapters offer information on simple ways to provide a healthier diet and explore the use of humanizing versus dehumanizing video games and films.

Section Five: Taking Care of You the Parent. Four chapters offer suggestions and research information to parents on nourishing the body, increasing happiness and nourishing the spirit, transforming negative

mental habits and mindful ways to keep love flowing with your partner and family

Section Six Practicalities in Everyday Life Five chapters explore situations parents may encounter such as when a child says I Hate You or is disrespectful when there is resistance to doing homework when there's change and children feel insecure and steps to begin repairing a relationship The chapter on when siblings squabble and fight includes how to teach conflict resolution while incorporating peace respect and love in the process

Section Seven Prevention and Intervention Five chapters include suggestions and practical activities to help parents help children learn to calm down prevent drug use and deal with bullying and social media A chapter on preventing sexual abuse offers suggestions to parents as well as scripted conversations to help build children's awareness and protective social skills The last chapter in this section is a step by step guide for families that have had a lot of anger in the home and wish to create more peace and harmony

Section Eight Building Blocks of Values This chapter on the process of helping children explore and develop values ties together information from previous sections while clarifying the process of how we can help each young person move toward his or her potential

Parenting with Soul Jay Krunzky, 2017-05-24

What if your life is a mirrored recollection of your beliefs and could be changed tomorrow As science psychology and spirituality come together to provide evidence to how our beliefs and thoughts impact our lives people are discovering that their outcomes in life stem from internal thoughts and beliefs rather than external barriers Parenting with Soul provides a road map to love where adults and children can discover what their souls are truly calling them to be free from thoughts and beliefs that lead to fear and the worries of the past and future Many adults parent from old school beliefs that the world is dangerous resources are scarce and the world is in competition for these limited resources By adopting beliefs that the world is loving and abundant a parent supports a life for a child based in hope and joy rather than fear When parenting from a fear or an ego perspective adults are passing down beliefs to their children that lead to negative emotions thus preventing them from realizing their full potential Parenting with Soul asks parents and or caregivers to assess their beliefs and level of happiness as a determining factor in making the decision to be a parent

Embracing Imperfection: Finding Peace in Parenting Chaos Laurie Horne, This insightful book explores the unrealistic expectations that many parents place on themselves and offers practical advice on how to let go of perfectionism and embrace the joys and challenges of raising children Drawing on personal stories and expert advice this book encourages readers to let go of the pressure to be the perfect parent and instead focus on creating a loving and supportive environment for their families Readers will learn how to navigate the complexities of modern parenting from managing work life balance to dealing with difficult emotions and conflicts within the family The book offers strategies for setting realistic goals practicing self care and fostering a sense of resilience in the face of adversity Through gentle guidance and compassionate wisdom readers will be inspired to let go of judgment and comparison and instead cultivate a sense of patience and acceptance towards themselves and their children By embracing imperfection and letting go of unattainable standards readers will discover a newfound sense of freedom and

authenticity in their journey as a parent This book is a heartfelt reminder that love and connection are the true measures of a successful parenting journey and that it is okay to have flaws and insecurities along the way

10 Principles for Spiritual Parenting Mimi Doe, Marsha Walch, 1998-06-03 In the hustle and bustle of everyday life how do we as parents honor the spirituality of our children As we shuttle between school soccer practice piano lessons ballet lessons birthday parties and doctors appointments how do we find the time to encourage our children through the ups and downs of growing up to turn to God for guidance In 10 Principles for Spiritual Parenting Mimi Doe and Marsha Walch open our eyes to the spontaneous creative freethinking joy that characterizes a child's innate spirituality In ten easy to follow chapters containing exercises and practical suggestions the authors point out that opportunities to express spirituality are abundant in our routine life Talking at dinner lighting candles performing daily chores all of these events have the potential to be sacred moments Contemporary parents face unique challenges In our media saturated culture children are continually exposed to violence cynicism and a confusing code of ethics By offering concrete ways to help children develop positive values Mimi Doe and Marsha Walch support parents efforts to counteract negative messages 10 Principles for Spiritual Parenting is an invaluable guide for parents who yearn to help their children nurture a rich spirituality of their own

When Parents Hurt Joshua Coleman, PhD, 2009-10-13 This unique book helps parents work through the pain shame and sense of loss that they feel when their relationship with their older or adult children has not turned out as they hoped or expected Sometimes despite our best efforts we lose the opportunity to be the parent we desperately want to be and must mourn the loss of a harmonious relationship with our child Although this situation may seem hopeless When Parents Hurt is designed to help us through this intensely difficult situation with compassion and thoughtfulness Through healing exercises and case examples Dr Joshua Coleman helps parents Reduce anger guilt and shame Learn how temperament the teen years a partner's or their own mistakes and divorce can harm the parent child bond Come to terms with their imperfections as well as their child's Develop strategies for reaching out and for maintaining their self esteem through trying times Understand how society's expectations contribute to the risk of parental wounds By helping parents recognize what they can do and to let go of what they cannot control When Parents Hurt helps families develop more positive ways of relating to themselves and each other
