Shirley Four women with skills, smarts and secrets all feeling over the hill and out of the race. But in a moment of delicious serendipity they meet and realize they share more than raging hormones and lost dreams. Now at the Hot Flash Club where the topics of motherhood, sex and men are discussed with double servings of chocolate cake, they vow to help each other and themselves. Faye the artist, a determinedly cheerful widow and connoisseur of control top pantyhose, she's struggling with creative block and an empty, lonely house. Now she's got a tricky problem to bring to the club's table: how can they catch her perfect son-in-law cheating on her only daughter, Laura? Shirley the healer. Though her yoga-slender body belie her years, decades of dating losers and the strain of being broke make her feel her age. Shirley has a secret dream: a wellness spa that nurtures body and soul. But first she needs to believe in herself, in her abilities and in her friends at the club. Marilyn the brain. A paleontologist who has spent so many years looking at dried-up fossils, she's almost become one herself. Worried that her brilliant but nerdy son is about to marry the very wrong woman, she gets some help from the HFC who transform her from a caterpillar to a butterfly with amazing results. Alice the executive. Black and regal, she soared to the top of the corporate ladder. Now her shoes are murder on her arthritic back and the younger jackals are circling in for the kill. But as the inspiration behind the HFC, she's about to discover something extraordinary: contentment. For Faye, Shirley, Marilyn and Alice, the time has come to use it or lose it: be it their bodies, their brains, their spirits and their sense of fun. Together they realize that they can have it all, perhaps for the first time in their lives. And though what sags may never rise again, feeling sexy has no expiration date and, best of all, with a little help from her friends, a woman can always start over and never ever give up what matters most.
