Nuu Chah Nulth Voices Histories Objects And Journeys:

Nuu-chah-nulth Voices, Histories, Objects & Journeys Royal British Columbia Museum, 2000 The people of the west coast of Vancouver Island used to be called Nootka by Europeans We know ourselves as Nuuchah-nulth which can be translated as along the mountains and refers to our traditional territories Nuuchah-nulth Tribal Council This is the first collection of essays articles and interviews about the Nuuchah-nulth people who live along the west coast of Vancouver Island Canada and the Olympic Peninsula USA Alan L Hoover has assembled a balance of views from inside and outside Nuuchah-nulth history culture and art He presents the collection in four parts In Voices the Mowachaht Muchalaht and Huu-ay-aht nations recount their own histories and describe who and where they are today Histories offers fascinating accounts of recent history from outside the Nuuchah-nulth culture and ancient histories and legends from inside Objects highlights the different interests of those who create objects and those who collect them are these objects art Finally Journeys relates the personal and spiritual growth of three Nuuchah-nulth artists and how their creations speak about where they came from and where they are now Nuuchah-nulth Voices Histories Objects and Journeys is an important contribution to the understanding of a rich and complex society and essential reading for anyone interested in Northwest Coast art and culture **The**

Linearization of Affixes: Evidence from Nuuchah-nulth Rachel Wojdak, 2007-12-08 This book examines the problem of linearization from a new perspective that of the linearization of affixes The author's driving proposition is that affixation provides a means of satisfying the universal requirement to linearize linguistic outputs This proposition is tested using original data from Nuuchah-nulth Nootka Wakashan family an endangered Amerindian language that is remarkable for its complex morphology Voices of the Elders Kathryn Bridge, Kevin Neary, 2013-04-30 There is a special place on the

southeastern shores of Barkley Sound on the west coast of Vancouver Island It is a magnificent landscape of rocky cliffs fronting onto the wild Pacific Ocean sheltered beaches lakes mountains and forests Since the beginning of time it has been the ancestral home of the Huu-ay-aht First Nation Drawing directly from oral history passed down by generations of Huu-ay-aht chiefs and elders Kathryn Bridge and Kevin Neary tell the compelling stories of the Huu-ay-aht people from their perspective This is a fascinating glimpse into the complex and rich history of a West Coast First Nation from creation tales and accounts of their traditional ways to the recent Maa-nulth treaty *Unsettling Native Art Histories on the Northwest Coast* Kathryn Bunn-Marcuse, Aldona Jonaitis, 2020-07-20 Inseparable from its communities Northwest Coast art functions

aesthetically and performatively beyond the scope of non-Indigenous scholarship from demonstrating kinship connections to manifesting spiritual power Contributors to this volume foreground Indigenous understandings in recognition of this rich context and its historical erasure within the discipline of art history By centering voices that uphold Indigenous priorities integrating the expertise of Indigenous knowledge holders about their artistic heritage and questioning current institutional practices these new essays unsettle Northwest Coast art studies Key themes include discussions of cultural heritage

protections and Native sovereignty re centering women and their critical role in transmitting cultural knowledge reflecting on decolonization work in museums and examining how artworks function as living documents The volume exemplifies respectful and relational engagement with Indigenous art and advocates for more accountable scholarship and practices

Household Archaeology on the Northwest Coast Elizabeth A. Sobel, D. Ann Trieu Gahr, Kenneth A. Ames, 2006-07-01 Since the late 1970s household archaeology has become a key theoretical and methodological framework for research on the development of permanent social inequality and complexity as well as for understanding the social political and economic organization of chiefdoms and states This volume is the cumulative result of more than a decade of research focusing on household archaeology as a means to gain understanding of the evolution of social complexity regardless of underlying economy

The Oxford Handbook of Prehistoric Figurines Timothy Insoll, 2017 The Oxford Handbook of Prehistoric Figurines is the first text to offer a comparative survey of figurines from across the globe bringing together myriad contemporary research approaches to provide invaluable insights into their function context meaning and use as well as past thinking on the human body gender and identity

Family origin histories Edward Sapir, Morris Swadesh, Alexander Thomas, John Thomas, 2009-01-01 Nuuchah-nulth family histories are actually tribal histories since their idea of family encompasses the tribe Eighteen such histories are presented here chronicling the origins and resources of a number of tribal families In lieu of written records these oral traditions stood as Nuuchah-nulth history and were recited formally in public on ceremonial occasions Several accounts give long lists of foods Others describe the acquisition of important technological advances such as a salmon trap Half of the texts are short focusing on a particular item like a mask or a house decoration One text lists hundreds of Nuuchah-nulth place names given mythically by Swan Women to the Port Alberni region which was previously Salish in population and language Generally these histories explain how the world came to be and set forth family claims to material and spiritual resources Each account belonged to the family which had the exclusive right to tell it publicly Summary outlines are provided in the introduction Published in English

Spirits of Our Whaling Ancestors Charlotte Côté, 2015-07-21 Following the removal of the gray whale from the Endangered Species list in 1994 the Makah tribe of northwest Washington State announced that they would revive their whale hunts their relatives the Nuuchah-nulth Nation of British Columbia shortly followed suit Neither tribe had exercised their right to whale in the case of the Makah a right affirmed in their 1855 treaty with the federal government since the gray whale had been hunted nearly to extinction by commercial whalers in the 1920s The Makah whale hunt of 1999 was an event of international significance connected to the worldwide struggle for aboriginal sovereignty and to the broader discourses of environmental sustainability treaty rights human rights and animal rights It was met with enthusiastic support and vehement opposition As a member of the Nuuchah-nulth Nation Charlotte Côté offers a valuable perspective on the issues surrounding indigenous whaling past and present Whaling served important social economic and ritual functions that have been at the core of Makah and Nuuchah-nulth

societies throughout their histories Even as Native societies faced disease epidemics and federal policies that undermined their cultures they remained connected to their traditions The revival of whaling has implications for the physical mental and spiritual health of these Native communities today Cote asserts Whaling she says defines who we are as a people Her analysis includes major Native studies and contemporary Native rights issues and addresses environmentalism animal rights activism anti treaty conservatism and the public s expectations about what it means to be Indian These thoughtful critiques are intertwined with the author s personal reflections family stories and information from indigenous anthropological and historical sources to provide a bridge between cultures A Capell Family Book

North American Indigenous Warfare and Ritual Violence Richard J. Chacon, Rubén G. Mendoza, 2007-09-15 Despite evidence of warfare and violent conflict in pre Columbian North America scholars argue that the scale and scope of Native American violence is exaggerated They contend that scholarly misrepresentation has denigrated indigenous peoples when in fact they lived together in peace and harmony In rebutting that contention this groundbreaking book presents clear evidence from multiple academic disciplines that indigenous populations engaged in warfare and ritual violence long before European contact In ten well documented and thoroughly researched chapters fourteen leading scholars dispassionately describe sources and consequences of Amerindian warfare and violence including ritual violence Originally presented at an American Anthropological Association symposium their findings construct a convincing case that bloodshed and killing have been woven into the fabric of indigenous life in North America for many centuries The editors argue that a failure to acknowledge the roles of warfare and violence in the lives of indigenous North Americans is itself a vestige of colonial repression depriving native warriors of their history of armed resistance These essays document specific acts of Native American violence across the North American continent Including contributions from anthropologists archaeologists historians and ethnographers they argue not only that violence existed but also that it was an important and frequently celebrated component of Amerindian life CONTENTS

First Peoples In Canada Alan D.

McMillan, Eldon Yellowhorn, 2009-12-01 *First Peoples in Canada* provides an overview of all the Aboriginal groups in Canada. Incorporating the latest research in anthropology, archaeology, ethnography, and history, this new edition describes traditional ways of life, traces cultural changes that resulted from contacts with the Europeans, and examines the controversial issues of land claims and self-government that now affect Aboriginal societies. Most importantly, this generously illustrated edition incorporates a Nativist perspective in the analysis of Aboriginal cultures.

Worlds in Miniature Jack Davy, Charlotte Dixon, 2019-07-08. Miniaturisation is the creation of small objects that resemble larger ones, usually but not always for purposes different to those of the larger original object. *Worlds in Miniature* brings together researchers working across various regions, time periods, and disciplines to explore the subject of miniaturisation as a material culture technique. It offers original contribution to the field of miniaturisation through its broad geographical scope, interdisciplinary approach, and deep understanding of miniatures and their diverse contexts. Beginning with an introduction by the editors, which offers one possible guide to studying and comparing miniatures, the following chapters include studies of miniature Neolithic stone circles on Exmoor, Ancient Egyptian miniature assemblages, miniaturisation under colonialism as practiced by the Makah People of Washington State, miniature surf boats from India, miniaturised contemporary tourist art of the Warao people of Venezuela, and dioramas on display in the Science Museum. Interspersing the chapters are interviews with miniature makers, including two miniature boat builders at the National Maritime Museum Cornwall and a freelance architectural model maker. Professor Susanne Kähler concludes the volume with a theoretical study summarising the current state of miniaturisation as a research discipline. The interdisciplinary nature of the volume makes it suitable reading for anthropologists, archaeologists, historians, and artists, and for researchers in related fields across the social sciences.

The World of Indigenous North America Robert Warrior, 2014-12-05. *The World of Indigenous North America* is a comprehensive look at issues that concern indigenous people in North America. Though no single volume can cover every tribe and every issue around this fertile area of inquiry, this book takes on the fields of law, archaeology, literature, socio-linguistics, geography, sciences, and gender studies, among others, in order to make sense of the Indigenous experience. Covering both Canada's First Nations and the Native American tribes of the United States, and alluding to the work being done in indigenous studies through the rest of the world, the volume reflects the critical mass of scholarship that has developed in Indigenous Studies over the past decade and highlights the best new work that is emerging in the field. *The World of Indigenous North America* is a book for every scholar in the field to own and refer to often.

Chacon, 2023-10-31 This edited volume analyzes the belief in supernatural gamekeepers and or animal masters of wildlife from a cross cultural perspective It documents the antiquity and widespread occurrence of the belief in supernatural gamekeepers at the global level This interdisciplinary volume documents both the antiquity and the widespread geographical distribution of this belief along with surveying the various manifestations of this cosmology by way of studies from Europe Asia Africa and North and South America Some chapters explore the manifestations of this belief as they appear in petroglyphs pictographs and other forms of material culture Others focus on the environmental impacts of these beliefs rituals and prescribed foraging restrictions by analyzing how they affect game

harvests The internationally recognized scholars in this volume assess the efficacy of this particular form of traditional ecological knowledge TEK and investigate if adherence to the belief in animal masters actually causes hunters to refrain from overharvesting wild game and thereby contributes to sustainable hunting practices This volume is of interest to anthropologists archaeologists and other social scientists researching traditional ecological knowledge TEK indigenous conservation biodiversity and sustainability practices and animal deities Long Beach Wild Adrienne Mason,2012-04-10 Each year more than a million people visit the spectacular sweep of sand that stretches along Vancouver Island s west coast between Tofino and Ucluelet to watch waves crash ashore on a series of beaches essentially one long beach separated by small rocky headlands a shoreline steps away from howling wolves and towering red cedars In Long Beach Wild A Celebration of People and Place on Canada s Rugged Western Shore local resident Adrienne Mason uses her intimate knowledge of the area and a selection of historic and contemporary photos to explore the region s rich natural and cultural history Mason shows how Long Beach was shaped by many forces including volcanoes glaciers and torrents of water She describes how the deposits of gravel and silt that this tumult left behind allowed offshore kelp beds and sea otters to thrive and supported the growth of countless other organisms from lichens and ferns to waterfowl and deer She also describes how First Nations people found inspiration and sustenance in the area for thousands of years hunting whales on the open ocean using harpoons with mussel shell blades and great lengths of cedar bark rope As well as describing the traditions of the area s First Nations Mason Work, Class, and Power in the Borderlands of the Early American Pacific Evan Lampe,2013-12-12 This book traces the history of working people who helped established the foundation of the American empire in the Pacific from its origins after the American Revolution to its coming of age in the 1840s and 1850s Beginning with the expeditions of the Columbia and the Lady Washington Lampe argues that the early American Pacific can best be considered through the interaction of four major locations connected through the networks of trade the merchant ship the Northwest Coast Honolulu and Canton Guangzhou In each of these locations the labors of a diverse population of working people was harnessed in the critical labors of empire building including the transportation of goods The central question that the consideration of working people in the Pacific economy during this period is Lampe argues the role of power applied on these laborers by an international capitalist class emerging alongside the Pacific commercial empires Lampe also finds that this power was not uncontested and emerged in response to the activities of labor Working people on the ship and in the port cities found ways to secure their piece of the profitable trade often through illicit means **The Taking and Displaying of Human Body Parts as Trophies by Amerindians** Richard J. Chacon,David H. Dye,2007-08-21 This edited volume mainly focuses on the practice of taking and displaying various body parts as trophies in both North and South America The editors and contributors which include Native Peoples from both continents examine the evidence and causes of Amerindian trophy taking Additionally they present objectively and discuss dispassionately the topic of human proclivity toward ritual violence

This book fills the gap in literature on this subject *Respect and Responsibility in Pacific Coast Indigenous Nations* E. N. Anderson, Raymond Pierotti, 2022-10-12 This book examines ways of conserving managing and interacting with plant and animal resources by Native American cultural groups of the Pacific Coast of North America from Alaska to California These practices helped them maintain and restore ecological balance for thousands of years Building upon the authors and others previous works the book brings in perspectives from ethnography and marine evolutionary ecology The core of the book consists of Native American testimony myths tales speeches and other texts which are treated from an ecological viewpoint The focus on animals and in depth research on stories especially early recordings of texts set this book apart The book is divided into two parts covering the Northwest Coast and California It then follows the division in lifestyle between groups dependent largely on fish and largely on seed crops It discusses how the survival of these cultures functions in the contemporary world as First Nations demand recognition and restoration of their ancestral rights and resource management practices **Native North American Art** Janet Catherine Berlo, Ruth Bliss Phillips, 2015 This lively introductory survey of indigenous North American arts from ancient times to the present explores both the shared themes and imagery found across the continent and the distinctive traditions of each region Focusing on the richness of artwork created in the US and Canada Native North American Art Second Edition discusses 3 000 years of architecture wood and rock carvings basketry dance masks clothing and more The expanded text discusses twentieth and twenty first century arts in all media including works by James Luna Kent Monkman Nadia Myre Jaune Quick to See Smith Will Wilson and many more Authors Berlo and Phillips incorporate new research and scholarship examining such issues as art and ethics gender representation and the colonial encounter By bringing into one conversation the seemingly separate realms of the sacred and the secular the political and the domestic and the ceremonial and the commercial Native North American Art shows how visual arts not only maintain the integrity of spiritual and social systems within Native North American societies but have long been part of a cross cultural experience as well
