Barbados Business and Investment Opportunities Yearbook Volume 1 Strategic, Practical Information and Opportunities IBP, Inc.,2016-04-18 Barbados Business and Investment Opportunities Yearbook Volume 1 Strategic Practical Information and Opportunities Sex and Race, Volume 1 J. A. Rogers,2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions **Commerce Reports.Nos.1-13.Volume 1 Thirtieth Year.January,February,March,1927.** United States Department of Commerce.Bureau of Foreign and Domestic Commerce.,1927 A History of Long Island, Vol. 1 Peter Ross,2017 With these books an effort has been made to present the history of the whole of Long Island in such a way as to combine all the salient facts of the long and interesting story in a manner that might be acceptable to the general reader and at the same time include much of that purely antiquarian lore which is to many the most delightful feature of local history Long Island has played a most important part in the history of the State of New York and through New York in the annals of the Nation It was one of the first places in the Colonies to give formal utterance to the doctrine that taxation without representation is unjust and should not be borne by men claiming to be free the doctrine that gradually went deep into the hearts and consciences of men and led to discussion opposition and war to the declaration of independence the achievement of liberty and the founding of a new nation It took an active part in all that glorious movement the most significant movement in modern history and though handicapped by the merciless occupation of the British troops after the disaster of August 1776 it continued to do what it could to help along the cause to which so many of its citizens had devoted their fortunes their lives This is volume one out of three covering the general history of Long Island The Rambo Family Tree, Volume 1 Ronald S. Beatty,2010-06 Peter Gunnarson Rambo son of Gunnar Petersson was born in about 1612 in Hisingen Sweden He came to America in 1640 and settled in Christiana New Sweden now Delaware He married Brita Mattsdotter 7 April 1647 They had eight children He died in 1698 His daughter Gertrude Rambo was born 19 October 1650 She married Anders Bengtsson Descendants and relatives lived mainly in Pennsylvania Delaware Virginia North Carolina and Ohio Selected Vital Records from the Jamaican "Daily Gleaner", Volume 1, 1865-1915
