The History and Beliefs of Old Catholicism and the Old Catholic Church of North America D. Div. Nesmith, 2008-02 The doctoral dissertation of the Rt Rev Michael NeSmith this text traces the history of the Old Catholic movement from its beginnings in Utrecht Holland through its many struggles and growths to become what it is today The specific focus is the history and beliefs of the Old Catholic Church of North America Old Catholic Andre Queen, 2003-07 Read about the best kept religious secret in America Married clergy decentralized administration and Catholic liturgy and practice in a non papal and autocephalous Catholic Church *The Old Catholic Movement* C. B. Moss, 2005 The Old Catholic movement is the best kept secret in Christendom The fact that there is a valid if illicit form of catholicism that is independent of Rome and which values local control seems scandalous to some and a cause for delight or even relief in others The Old Catholic churches have branches both official and unofficial all over the world They constitute one of the most interesting and diverse movements in Christian history a movement worthy of greater visibility and academic attention Here is the story of this unlikely legacy from its beginnings in the fourteenth century through 1977 now back in print after twenty eight years from Apocryphile Press

Old Catholic Theology Peter-Ben Smit, 2019-10-29 Old Catholic theology is the theology that is characteristic of the Old Catholic Churches of the Union of Utrecht Old Catholic Theology An Introduction authored by Peter Ben Smit an acknowledged expert in the field outlines the main characteristics of and influences on Old Catholic theology as well as the extant ecumenical relationships of the Old Catholic Churches In doing so it covers what may be called mainstream Old Catholic theology while also discussing the diversity within the Old Catholic tradition Particular attention is given to the Old Catholic approach to theology in general and to ecclesiology sacramental theology and ecumenical theology in particular Further foci include the version of communio theology the appertaining sacramental understanding of the church the inherent connection between theology and liturgical spirituality the distinct branch of communal hermeneutics and the understanding of the appeal to the early Church that Old Catholic theologians developed in the course of the 20th century

The Old Catholic Church, Third Edition Karl Pruter, 2006-10-01 Karl Pruter Presiding Bishop of the Christ Catholic Church and an acknowledged expert on the modern autocephalous churches delineates the history of the Old Catholic Church in North America and provides the most straightforward account of the numerous offspring of this very active religious movement Complete with Chronology Notes Bibliography Index and photographs **Credo** , 2004-12-28 The Old Catholic Church of the United States is a Catholic Family of Faith based within the United States As inheritors of Apostolic Succession from the Western Latin Catholic Church the Ancient Oriental Churches and the Eastern Byzantine Orthodox Churches we possess a rich theological heritage We are a sacramental church embracing the fullness of Christianity as expressed within Catholic understanding We stand holding fast to the teachings of the ancient faith in a modern society that

is often hostile towards Christians in general and Catholics in particular and choose to obey the timeless message of Christ rather than yield to the Spirit of the Age I am very happy with the contents and feel that yet again it is a wonderful work and look forward to having this in print to use here in the UK Most Rev David Bowler Provincial Ordinary of the United Kingdom As a comprehensive detailed Old Catholic catechism it is an indispensable aid to studying the faith Most Rev Andre Queen Provincial Ordinary of the Western United States

Old Catholic and Philippine Independent Ecclesiologies in History Peter-Ben Smit,2011-08-25 This study researches the historical development of the self understanding of the Old Catholic Churches of the Union of Utrecht and the Iglesia Filipina Independiente Throughout the 20th century both churches have been in a developing relationship with each other resulting in full communion in 1965 In the same time period both churches developed an ecclesiological self understanding in which an ecclesiology of the national church gradually gave way to an ecclesiology of the local church By outlining this development for each of these two churches and comparing the developments the study gives insight both into the individual development of the two churches involved and shows how these developments relate to each other In this way the study presents a new historical portrait of these churches and their self understanding

Divine and Healing Path: Old Catholic Catechism Elijah,2009-11-29 OLD CATHOLIC CATECHISM Many books that introduce a religious sect either get you so pumped up that you are in danger of exploding Others are so dry that you seriously consider imploding before you get to the third chapter This isn t like that Expect the story of a man from California who took a journey toward God He tells you about his journey warns you about some of the pitfalls he found and invites you to join him on a spiritual quest In a nutshell Old Catholics are something like Roman Catholics but without the Inquisition They have all the sacraments Yes there are women priests and bishops Yes there are openly gay priests and bishops Some members are pro life while others are pro choice Don t let anybody pull the pallium over your eyes because that is the way ancient Christianity used to be everywhere You are in store for a wonder filled spiritual journey
