Regions In Recession And Resurgence:

Regions in Recession and Resurgence Michael Chisholm, 2015-03-27 The world economy has undergone rapid evolution in recent decades along with changes in the importance of industries and their organization and sharp changes in the fortunes of regions There are differences of opinion regarding the mainsprings of change and development and the role of governments in fostering national output In order to show the relevance of these changes to regional economies the book focuses on the different schools of economic thought from the neo classical through Keynesian to Marxist radical ideas and monetarist supply side thinking providing a brief description of their structure in non spatial terms The way these theories map into contrasting ideas regarding the mechanisms of regional economic growth is then explained The book concentrates on developed economies and explicitly seeks to confront theory with fact fact with theory Bringing together non spatial economic theory regional growth theory and relevant empirical data this book is intended for students in geography and regional economics but will also be of interest for those studying politics and government

Dynamics of Regional Growth in Europe Andres Rodriguez-Pose, 1998-11-19 In a period of deep economic social and political transformation regional disparities seem to be particularly resistant to change The emergence of a global economy the shift in production methods and the greater mobility of capital labour and raw materials have not brought about a radical reshuffling of the prevailing regional disparities There is a greater concentration of economic activity in core areas and very few peripheral regions are taking advantage of the process of global restructuring The Dynamics of Regional Growth in Europe looks for the reasons behind this persistence in the social political and institutional arrangements of a large set of European regions by trying to relate two scientific approaches concerned with regional economic performance which share very little in common the literature on socio economic restructuring and structural change and neoclassical and endogenous growth theories OXFORD GEOGRAPHICAL AND ENVIRONMENTAL STUDIES AIMS TO PUBLISH THE BEST ORIGINAL RESEARCH STUDIES IN THE RELATED FIELDS OF GEOGRAPHY AND ENVIRONMENTAL STUDIES IT S SCOPE IS INTERNATIONAL PRESENTING A BROAD AND DIVERSE RANGE OF SCHOLARLY APPROACHES FROM ACROSS THE WORLD SERIES EDITORS GORDON CLARK ANDREW GOUDIE AND CERI PEACH

Regions in Recession & Resurgence Michael Chisholm, 1990-12-01 **Forest Related Perspectives for Regional Development in Europe** Pentti Hyttinen, European Forest Institute, 2002 Most of the less favoured regions in Europe feature large areas of forestland The FORWARD Forest Resources for Work Opportunities and Regional Development project was initiated to generate employment and income based on forest resources This report presents the findings of the project

Contemporary South Africa and the Political Economy of Regional Development Methembe Mdhlalose, Isaac Khambule, Nene Ernest Khalema, 2025-02-21 South Africa s struggle in balancing its domestic needs while playing a dynamic developmental role in the African region and global context exposes a complex web of relations shaped by its geostrategic location on the continent and the world and the

staggering legacies of colonialism and apartheid As such understanding the complexities of the global economy and of South Africa's place in it is of great importance This book builds upon an existing body of literature which has demonstrated that while the post apartheid South African state has recast its nation building goals with advances having been made notably in the area of a stellar post apartheid constitution policy directives and democratic political integration economic integration and policy implementation presents a projection of captured interests where big business concerns are entrenched in the post apartheid state's apparent neo liberal turn The main focus of the book is to contextualise issues relating to three main trends in global discourses on development which are significant for South Africa and indeed for the study of the political economy of regional development in the country from the prism of South Africa as a global capitalist state These trends include the impact of globalisation regionalisation and the marginalisation of South Africa and indeed the African continent in the global economy thus unpacking the possible role that South Africa might play in regional development This volume will be a valuable resource to academics researchers and students in the fields of regional studies economics and political theory as well as policymakers planners and local economic development practitioners

Local and Regional Development Andy Pike, Andrés Rodríguez-Pose, John Tomaney, Andrés Rodríguez-Pose, 2006-11-22 Local and regional development is an increasingly global issue For localities and regions the challenge of enhancing prosperity improving wellbeing and increasing living standards has become acute for localities and regions formerly considered discrete parts of the developed and developing worlds Amid concern over the definitions and sustainability of development a spectre has emerged of deepened unevenness and sharpened inequalities in the development prospects for particular social groups and territories Local and Regional Development engages and addresses the key questions what are the principles and values that shape definitions and strategies of local and regional development What are the conceptual and theoretical frameworks capable of understanding and interpreting local and regional development What are the main policy interventions and instruments How do localities and regions attempt to effect development in practice What kinds of local and regional development should we be pursuing This book addresses the fundamental issues of what kind of local and regional development and for whom frameworks of understanding and instruments and policies It outlines what a holistic progressive and sustainable local and regional development might constitute before reflecting on its limits and political renewal With the growing international importance of local and regional development this book is an essential student purchase illustrated throughout with maps figures and case studies from Asia Europe and Central and North America

Routledge Library Editions: Economic Geography Various, 2021-06-23 The books in this set originally published between 1968 and 1992 introduce the reader to the many lines of thought in the literature on economic geography and tie these various aspects together within the concept of the economy As well as providing a comprehensive overview of the Western European economy since the Second World War and including specific studies and assessments of the Dutch and Italian economies these volumes examine the economic

factors that have shaped cities and patterns of urbanization

The Tokyo Uni-polar Concentration Jinyeong Kim,1993

Regional and Local Economic Development in South Africa Etienne Louis Nel,2019-07-23 First published in 1999 this volume responds to the recent application of Local Economic Development around the world and examines its impact in South Africa in the wake of the nation s recent political transition Etienne Louis Nel observes how the initiative is taking on a dual form of community led and authority led initiatives Nel explores the issue through areas including South Africa s space economy a case study of Stuttenheim and local economic development in East London New Firms and Regional Development in Europe David Keeble,Egbert Wever,2016-07-15 When originally published in 1986 this book was one of the first to deal solely with the urban and regional incidence and development implications of new firm formation in particular EU countries It reviews the extent of and reasons for geographical variation in numbers of new firms examines the nature of such firms and assesses the regional impact and policy implications in various EC countries

Regions In Recession And Resurgence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regions In Recession And Resurgence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regions In Recession And Resurgence has opened up a world of possibilities. Downloading Regions In Recession And Resurgence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regions In Recession And Resurgence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regions In Recession And Resurgence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regions In Recession And Resurgence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regions In Recession And Resurgence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regions In Recession And Resurgence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and

prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
