Regulating Health Care Quality Legal And Professional Issues:

Regulating Healthcare Quality John Tingle, Charles Foster, Kay Wheat, 2004 The key focus of this edited text is on the legal and professional conflicts and issues that can arise from regulating health care quality Doctors and nurses all increasingly face a number of dilemmas with regulating health quality issues such as increasing levels of complaints and litigation scarcity of resources under staffing professional discipline clinical governance clinical risk management etc This book spells out and discusses these issues taking an academic approach though this will be tempered with a practical focus on issues Discusses ethical approaches to regulating health care quality Examines health care rights in the UK Looks at complaints procedures in the new NHS Presents alternatives to the present clinical negligence system Compares health care regulation in the US and UK

Quality and Regulation in Health Care Robert Dingwall, Paul Fenn, 2022-11-30 First published in 1992 Quality and Regulation in Health Care employs socio legal ideas concerning regulation to examine the methods used to influence the quality of health care in the US UK and Western Europe Throughout the Western world health care systems both public and private are grappling with the problems of assuring quality while containing costs On the one hand governments and insurers argue that there must be some limit to the apparently endless growth of health care expenditures On the other patient groups and consumer advocates already dissatisfied by the problems in holding doctors accountable for their actions protest that such limits must not result in sick people getting inferior treatment This book examines in detail the debate surrounding the question How can the professional expertise of the clinicians be reconciled with the preferences of their patients and the economic concerns of taxpayers or insurers It will be essential reading for graduate and undergraduate courses in health policy medical sociology and health law
