Reimagining the Future Joseph A. Camilleri, Global Governance Reform Project, 2000 Proposals Part I Democratizing global governance Part 2 Governance of global financial flows Part 3 Global peace and security **Reimagining the Future** Joseph A. Camilleri, Global Governance Reform Project, 2000 Proposals Part I Democratizing global governance Part 2 Governance of global financial flows Part 3 Global peace and security **Reforming UN Decision-Making Procedures** Martin Daniel Niemetz, 2015-03-24 The institutional procedures for the UN's decision making on issues of global peace and security first and foremost the Security Council SC were conceived with the objective of enabling a swift but internationally coordinated response to irregular situations of crises Today however the UN is constantly involved in situations of conflict and has expanded its range of activities This book offers a concrete and practically applicable answer to the question of how to reform the UN and increase the legitimacy of the UN's decision making procedures on issues of global peace and security In order to provide this answer it connects the minutia of institutional design with the abstract principals of democratic theory in a systematic and reproducible method thereby enabling a clear normative evaluation of even the smallest technical detail of reform This evaluation demonstrates that there is a range of feasible proposals for reform that could improve the SC's accountability both to the General Assembly and to the general public that could increase the opportunities for effective input from the UN membership and NGOs This book will be of interest to students and scholars of the United Nations International Organizations and regional governance Democratizing Global Governance E. Aksu, J. Camilleri, 2002-07-15 Is globalization beyond human control In this thought provoking text the myths and mantras of this apparently irresistible force are challenged and dissembled By examining a number of fundamental questions the contributors put forward a radical reform agenda for global governance Can the global multilateral system be democratic Are security and economic concerns separable Can the development of a global civil society contribute to effective global governance An important and wide ranging study this book will be essential reading for graduates and researchers in international relations *Civilizing Globalization, Revised and Expanded Edition* Richard Sandbrook, Ali Burak Güven, 2014-05-08 Is it possible to harness the benefits of economic globalization without sacrificing social equity ecological sustainability and democratic governance The first edition of *Civilizing Globalization* 2003 explored this question at a time of widespread popular discontent This fully revised and expanded edition comes at an equally crucial juncture The period of relative stability and prosperity in the world economy that followed the release of the first edition ended abruptly in 2008 with a worldwide economic crisis that illustrated in dramatic fashion the enduring problems with our global order Yet despite the gravity of the challenges concrete initiatives for change remain insubstantial Richard Sandbrook and Ali Burak Güven bring together international scholars and veteran activists to discuss in clear nontechnical language the innovative political strategies participatory institutional frameworks and feasible regulatory designs capable of taming global markets so that they assume the role of useful servants

rather than tyrannical masters **Global Governance, Conflict and Resistance** F. Cochrane, R. Duffy, J. Selby, 2003-11-27
 Since the turn of the millennium resistance to the liberal project of global governance has come to occupy centre stage in global and international politics The Battle of Seattle the 9 11 attacks on New York and Washington and the Bush administration's ambivalent attitude towards multilateralism can all be thought of as conspicuous instances of the growing challenge to global governance Global Governance Conflict and Resistance provides a wide ranging series of analyses of such challenges *Modernizing the United Nations System* John E. Trent, 2007-06-20 This book contends that civil society must mobilize its capacities to bring a new will to national and international politics and oblige governments to act It starts by demonstrating the need for institutional change at the UN and then shows how both in the past and the present leading individuals and nongovernmental organizations using their knowledge base and their organizational networks have led the fight for international organizations After a summary of major UN reform proposals over the years the book concludes by identifying leading global reformers and elaborating a detailed plan for a global reform movement to spearhead the modernization of the UN system *Civilizing Globalization* Richard Sandbrook, 2003-01-09 Discusses the many facets of globalization in easy to understand language **A Fair Globalization** World Commission On The Social Dimension Of Globalization, 2006 *UN Peacekeeping Operations and the Protection of Civilians* Conor Foley, 2017-09-07 Appendix C UN Security Council and General Assembly Resolutions and Presidential Statements UN Security Council Resolutions UN General Assembly Resolutions UN Security Council Meetings and Presidential Statements Bibliography Books Academic Articles and Opinion Index
