Reincarnation The Missing Link In Christianity:

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same **Relax... You're Not Going to Die Part 1** Darryl Philip, 2025-10-17 This is a time of our spiritual awakening a time when we are finally gaining a full understanding about just why we all choose to take on an earthly life inhabiting a physical body and enduring the ongoing ups and downs of earthly life It is no longer a question of if God exists Now we know that God exists Our spiritual awakening means that we fully understand and accept that God is present in our lives and that all of life is a spiritual journey *The Afterlife* Elizabeth Clare Prophet, 2020-09-01 What happens when we die Is there really a heaven and a hell What can we expect on the other side In this profoundly insightful and fascinating work world renowned author Elizabeth Clare Prophet answers these questions and more as she sheds new light on the mysteries of the life beyond Gifted with powerful inner sight enabling her to trace the journey of souls into the afterlife she begins by sharing stories of those who have passed on as she reveals what they experienced and why She explores common misconceptions about the afterlife and even takes us to the movies to show how Hollywood has gotten it both right and wrong As she opens the door into hidden dimensions you will learn what happens during the life review and pre life review what we do and who we meet in the afterlife why suicide isn't a solution the truth about forgiveness and how you can help your loved ones make a safe and peaceful transition Just as importantly you'll explore how your options in the afterlife will depend on the choices you make in this life With clarity and compassion this life changing guide to what comes next will show you how to make the most of life's opportunities as you prepare for the ultimate journey *The Story of Christian Theology* Roger E. Olson, 2009-08-20 In his book poised to become a standard historical theology textbook Roger Olson takes us on a journey of events ranging from the apostolic fathers to the Reformation to the present **Gnostic Secrets of the Naassenes** Mark H. Gaffney, 2004-04-19 Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus Describes the ancient relationship between water and spirit Explains the doctrine of immanence taught by Jesus at the Last Supper Features the translated source text from *The Refutation of All Heresies* by Bishop Hippolytus the only existing record of the Naassene Sermon In the third century C E the Catholic Bishop Hippolytus composed *A Refutation of All Heresies* in which his chief target was the Gnostic sect the Naassenes whose writings included a recounting of Jesus' actual teachings at the Last Supper Contrary to Church attacks the Naassenes were not a heretical derivative of Christianity but the authentic

foundation and purveyor of Christ's message. In fact, much of what passes as Christianity has nothing to do with the original teachings of its founder. The message recorded in the Naassene Sermon was intended for an inner circle of disciples who were prepared for advanced initiation into Jesus' wisdom teachings. The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine. The teachings involved the awakening of spirit and included practices aimed at restoring the soul's lost connection with God. Immanence in the true sense intended by Jesus thus allows for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest. This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions.

Return of the Divine Sophia Tricia McCannon, 2015-03-06. An initiatic journey into the Mysteries of the Goddess and humanity's return to an age of peace and celestial light. Details the ceremonies and rituals of initiation into the Fellowship of Isis. Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ. Explores the many archetypes of the Goddess including Isis, Brigit, and the Black Madonna and how we can transform into Homo luminous spiritual beings of light. Called through her dreams by the Priestesses of Isis, Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess. After a fateful encounter with a high initiate of the ancient Fellowship of Isis, she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost. She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war. She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance. Sharing her journey into the heart of the Divine Mother, McCannon details her initiation into the Fellowship of Isis, a process rich with ceremony, ritual, and myths of the Goddess from ancient Egyptian, Celtic, Greek, Hebrew, and Native American traditions. She reveals how the many archetypes of the Goddess, including Isis, Ishtar, Brigit, and the Black Madonna, can become our allies for self-transformation. She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2,000 years and how the Gnostic goddess Sophia is tied to the Second Coming, Mary Magdalene, and the Female Christ. She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son. Through her story and her in-depth research, McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us. Equipped with the teachings of the Goddess, we gain the mastery to overcome the deeply rooted masculine/feminine imbalance of the patriarchy and to embark into the future as Homo luminous beings of light.

Elizabeth Clare Prophet penetrates the veils of akasha to reveal the past lives of individuals who helped shape the modern world. As she traces threads of karma, we see how their choices in many lives set their destiny and the karmic challenges they would face in the twentieth century. The stories are intriguing. More importantly, they show that while karma may determine the cards we are
