Reinventing Evangelism : New Strategies for Presenting Christ in Today's World Donald C. Posterski,1989

Reinventing English Evangelicalism, 1966-2001 Robert E. Warner,2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition *Liberating Evangelism* Stephen K. Pickard,1999-06-01 Has the church abdicated its responsibility for and privilege of spreading the gospel Has this baptismal birthright been forgotten or denied out of ignorance poor example or even misinformation Stephen Pickard argues that the church is called to be a community of the evangel and thus a community that seeks to embody the glad tidings of God in all of its life He addresses two issues the relationship of evangelism to systematic theology and the relationship of evangelism to the church In the case of the former he calls for a recovery of the complementary nature of theology and evangelism the theory and practice of the gospel discussing what this might involve and how it may benefit the church s evangelistic task This evangelistic task is then developed further in terms of the dynamics of communication Regarding evangelism and its relation to the church Pickard contends that the locus for evangelism has to be the Christian community its life of worship and discipleship in the world But the church must be reconceived missiologically in terms of the Great Commission and as a community for the praise of God The Study of Evangelism Paul W. Chilcote,Lacey C. Warner,2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism

Understanding Evangelism J. D. Payne,2025-09-30 When seeking to understand evangelism it can be difficult to know where to begin due to the wealth of written material available on the topic This one stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world Understanding Evangelism emerges from the author s experiences as a pastor missionary evangelist and professor of evangelism and from his expertise as a scholar in the field The book provides the necessary biblical knowledge cultural awareness and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world The first part of the book covers contemporary definitions of evangelism the global status of world evangelization and personal motives and ethics for evangelism The

second part addresses its biblical and theological foundations while the third part offers a historical overview The fourth part focuses on cultural contexts and effective communication of the gospel The book concludes with contemporary issues that offer practical guidance in the ministry of evangelism Pedagogical tools including case studies sidebars figures and reflection questions help students retain information

Evangelism Without Additives Jim Henderson, 2009-01-20 What if evangelism meant just being yourself If the gospel really is good news why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn't it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn't have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you're already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn't another program or pitch It's a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us The Story That Chooses Us George R. Hunsberger, 2015-04-09 Over the course of several decades missiologist George Hunsberger has written numerous essays on crucial themes for the church's recovery of its missional identity and practice The Story That Chooses Us brings these essays together for the first time The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society Hunsberger engages with well-known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology The recurring themes in Hunsberger's essays provide both theological mooring and practical guidance for churches following Christ on the missional path

Full Service Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan's focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood

Evangelistic Preaching That Connects Craig A. Loscalzo, 1995-10-24 Craig A. Loscalzo shows how to develop evangelistic sermons that will appeal to today's audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice

The Church Between Gospel and Culture George R. Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture

gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices

The Call Cletus L. Hull III, 2019-04-04 Join me in an adventure of moving a local church in western Pennsylvania from the traditional 1950 s style to a 21st century missions minded contemporary congregation In *The Call* you ll find insights into the challenges of leading a church into uncharted waters through the biblical teaching of effective evangelism and discipleship Discover how the Bible vision creativity teamwork and more relate to today s postmodern churches You are invited to share in the surprising love of God found just a few miles northeast of the city of Pittsburgh PA *The Call* will encourage your congregation regardless of your size *The Call* encourages us to build a church on the foundation of scripture and address her specific needs With resolve and perseverance we can minister successfully to REACH TOUCH and BLESS our spheres of influence for Christ

Learning to Love Others Richard Peace, 2015-04-28 At the heart of Jesus call to us is the call to love others But this can be so difficult For one thing others are not always very lovable for another loving others sometimes gets in the way of our own self interests But if we want to follow Jesus love needs to be our lifestyle and the way we treat others really does matter It s not all sacrifice and pain though To be in loving relationship with others is to be truly alive and it s the source of our greatest joy This study will help you love others the way Jesus desires You ll learn how to study the Bible as you examine and discuss topics such as Loving Others Loving Our Families Fellowship with Others Getting Along with Others Opposition from Others Sharing Our Faith with Others Serving Others Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader s Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others
