Matzo, Deborah Witt Sherman, 2018-06-28 This 5th edition is an important achievement it is a symbol of commitment to the field of palliative nursing where we have been and where we are going Betty Rolling Ferrell PhD MA FAAN FPCN CHPN From the Foreword The aging population has only grown since the first edition of this comprehensive and seminal publication nearly 20 years ago Based on the need to humanize rather than medicalize the illness experience for patients this text delves into palliative care beyond the specific diseases affecting the patient Instead content focuses on the whole person and family Palliative patients struggle with chronic debilitating and painful conditions and grapple with the fact that life as they knew it has already passed away Families and friends reciprocally suffer not knowing how to help and therefore become the secondary victims of the disease This is not the challenge of a lone nurse or a single physician therapist or social worker Rather palliative and hospice care requires the expertise and unique roles of an interprofessional team to help the patient and family strengthen their resilience continue to find meaning and purpose in life and cure what can be cured Palliative Care Nursing Fifth Edition delivers advanced empirical aesthetic ethical and personal knowledge This new edition brings an increased focus on outcomes benchmarking progress and goals of care It expounds upon the importance of the cross disciplinary collaboration introduced in the previous edition Every chapter in Sections I II and III includes content written by a non nursing member of the interprofessional team Based on best evidence and clinical practice guidelines this text presents comprehensive targeted interventions responsive to the needs of palliative and hospice patients and family Each chapter contains compassionate timely appropriate and cost effective care for diverse populations across the illness trajectory Key Features The expanded new edition offers current comprehensive one stop source of highly relevant clinical information on palliative care Life span approach age appropriate nursing considerations e g geriatric pediatric and family Includes disease specific and symptom specific nursing management chapters Promotes a holistic and interdisciplinary approach to palliative care Offers important legal ethical and cultural considerations related to death and dying Case Studies with Case Study Conclusion in each clinical chapter New to The Fifth Edition An expanded chapter on Palliative Care incorporates most up to date scope and standards information on Basic and Advanced HPNA certification self reflection and self care for nurses A

chapter on Interprofessional Collaboration Instructor Resources Power points and Test bank Potter & Perry's Essentials of Nursing Practice, SAE, E book Patricia A. Potter, Anne G. Perry, Patricia A. Stockert, Amy Hall, 2021-06-16 Potter and Perry's Essentials of Nursing Foundation is a widely appreciated textbook for the teaching learning of nursing foundations. Its comprehensive coverage provides fundamental concepts, skills, and techniques of nursing practice in the areas of nursing foundation. This South Asian Edition of Potter and Perry's Essentials of Nursing Foundation not only provides the well-established authentic content of international standard but also caters to the specific curricular needs of nursing students and faculty of the region as the content is exactly tailored according to the Indian Nursing Council curriculum. Most Comprehensive Content is presented comprehensively so that the textbook is very easy to read and comprehend. Most Lucid Content is very simple for non-English speaking Indian students. It is an easy-to-read, interesting, and involving disposition which leads the reader through various facts of nursing foundation. Indian Student friendly. Exactly as per syllabus prescribed by INC for B.Sc. Nursing course and also useful for Diploma Nursing course. It has improved layout design and presentation through addition of images and illustrations. Many images have been replaced with Indian ones to provide regional feel of the content. Region specific content. There is inclusion of region specific content such as o Nursing education nursing cadres registration licensing Indian medico legal laws health care delivery system new trends of nursing in India o Updated detailed history of nursing in India o Major recent health policies in India such as National Health Policy 2017 and Biomedical Waste Management rules 2016 o Code of Ethics for Nurses in India. Additional chapters o Hospital admission and discharge o Equipment and linen o Diagnostic testing o First aid and emergencies. A complete and student friendly text in Nursing Foundation of Global standards with local appeal. Additional chapters o Hospital admission and discharge o Equipment and linen o Diagnostic testing o First aid and emergencies.
