Religious Leaders and Faith-based Politics Jo Renee Formicola, Hubert Morken, 2001 Religious Leaders and Faith Based Politics Ten Profiles offers a powerful and timely analysis of the dynamic relationship between religious leaders of all faiths and political activism in the United States By examining the lives and works of such prominent leaders as Reverend Floyd Flake Bishop T D Jakes Reverend Al Sharpton Elder Dallin H Oakes Rabbi Daniel Lapin Reverend Benjamin Chavis Muhammed and Sister Maureen Fiedler this volume reveals an American tradition of religious influence on public policy that continues to be an important hallmark of our democracy From the colonial era to the present religious leaders have raised Americans' moral and political awareness of countless issues including revolution slavery temperance civil rights and most recently the culture wars This book is the first to explore the renewed and intense commitment of evangelicals Catholics Muslims and Jews to preach teach and participate in politics today Among the questions answered in this book are religious leaders today as active and vocal as the radicals of the turbulent 1960s Are these activists still involved in civil rights or have other contentious topics such as abortion and traditional family values preempted such issues In the wake of the 2000 election and at the start of a new administration committed to elevating the role of religion in politics Jo Renee Formicola Hubert Morken and this prominent collection of contributors ask might we expect greater American religious involvement in the years ahead This is essential reading for anyone interested in religious and political activism or the evolving relationship between church and state in America

Religious Leaders and Conflict Transformation Nukhet A. Sandal, 2017-02-16 Religious dimension of contemporary conflicts and the rise of faith based movements worldwide require policymakers to identify the channels through which religious leaders can play a constructive role While religious fundamentalisms are in the news every day we do not hear about the potential and actual role of religious actors in creating a peaceful and just society Countering this trend Sandal draws attention to how religious actors helped prepare the ground for stabilizing political initiatives ranging from abolition of apartheid South Africa to the signing of the Lome Peace Agreement Sierra Leone Taking Northern Ireland as a basis and using declarations and speeches of more than forty years this book builds a new perspective that recognizes the religious actors agency showing how religious actors can have an impact on public opinion and policymaking in today's world

Gendering Religion and Politics H. Herzog, A. Braude, 2009-07-20 The aim of this book is to suggest an interdisciplinary perspective on the complex relations of gender religion and politics in light of paradigmatic shifts in theories of modernity and the growing body of studies on gender and religion

Catholicism and American Freedom: A History John T. McGreevy, 2004-09-17 A brilliant book which brings historical analysis of religion in American culture to a new level of insight and importance New York Times Book Review Catholicism and American Freedom is a groundbreaking historical account of the tensions and occasional alliances between Catholic and American understandings of a healthy society and the individual person including dramatic conflicts over issues such as slavery public education

countless issues including revolution slavery temperance civil rights and most recently the culture wars This book is the first to explore the renewed and intense commitment of evangelicals Catholics Muslims and Jews to preach teach and participate in politics today Among the questions answered in this book are religious leaders today as active and vocal as the radicals of the turbulent 1960s Are these activists still involved in civil rights or have other contentious topics such as abortion and traditional family values preempted such issues In the wake of the 2000 election and at the start of a new administration committed to elevating the role of religion in politics Jo Renee Formicola Hubert Morken and this prominent collection of contributors ask might we expect greater American religious involvement in the years ahead This is essential reading for anyone interested in religious and political activism or the evolving relationship between church and state in America

Religion and Contemporary Politics Timothy J. Demy, Jeffrey M. Shaw Ph.D., 2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

Annual Report, International Religious Freedom United States. Department of State, 2008 **Under Caesar's Sword** Daniel Philpott, Timothy Samuel Shah, 2018-03-15 The first systematic global study of how Christians respond to persecution presenting new research by leading scholars of global Christianity **Minorities at War** Elmira Muratova, Nadia Zasanska, 2024-11-11 This collection focuses on Ukraine's ethno cultural minorities who in recent years have undergone forced displacement emigration the destruction of familiar ways of life and a transformation of identity and language behaviour The book examines the impact of Russia's war against Ukraine which began with the annexation of Crimea and the war in Donbas in 2014 It shows what happens to the cultural identities of minority groups and considers the mechanisms and components of their resilience in times of crisis Key themes addressed include minorities collective memory and coping strategies mobilisation and humanitarianism forced displacement and the preservation of identity While most works on the Russo Ukrainian war focus on the international context and the causes of the war and its humanitarian consequences for the population of Ukraine and the region as a whole this book seeks to mainstream the issue of ethno

cultural minorities which is often neglected in the coverage of this type of conflict The book will be of interest to academics researchers and policy makers working in the areas of Law Political Science Anthropology Human Geography Religious Studies and War and Peace Studies **Healing Mission** Branka Gabric,Stefan Hofmann,2023-10-18 Theological studies on bioethical and medical issues are most often concentrated on individual health issues The COVID 19 pandemic demonstrated the extent of interconnectedness between peoples and nations and its impact on the physical and mental health of individuals groups and nations Despite numerous studies on the ethical social and medical challenges of this pandemic there is still a considerable gap regarding the need to consider the role of the Catholic Church in the context of public and global health The contributions of this book provide resourceful materials for the reflection coming from medical global health moral theological bioethical mission theological perspectives and from the perspective of pastoral care of health *Christian Social Activism and Rule of Law in Chinese Societies* Chris White,Fenggang Yang,2021-06-10 Although Christianity has been a minority religion in Chinese societies Christians have been powerful catalysts of social activism in seeking to establish democracy and rule of law in mainland China Taiwan Hong Kong and diasporic communities The chapters gathered in this collection reveal the vital influence of Christian individuals and groups on social political and legal activism in Chinese societies Written from a range of disciplinary and geographical perspectives the chapters develop a coherent narrative of Christian activism that illuminates its specific historical theological and cultural contexts Analyzing campaigns for human rights universal suffrage and other political reforms this volume uncovers the complex dynamics of Christian activism highlighting its significant contributions to the democratization of Greater China **Muslim and Christian Women in Dialogue** Kathleen McGarvey,2009 Observations about dialogue and about the theology of religions are common enough these days but they are rarely grounded in the analysis of a particular reality and are therefore of little help to practitioners This book on the other hand gives an exhaustive documentation of the background and the actual situation of Muslim Christian relations in Northern Nigeria before proceeding to proposals for understanding the contribution of women s discourse in the development of dialogue and to a feminist theology of religions Drawing from her empirical findings in Northern Nigeria as well as some feminist insights the author suggests an approach to other religions grounded in people s lived experience and a shared commitment to justice peace and transformed human relations Recognizing the limitations of some pluralist theories she suggests a feminist ethical approach to religious pluralism The practicality and feasibility of such an approach are shown as she elaborates on its possible application in the concrete context of Northern Nigeria **Black Churches and Local Politics** Fredrick C. Harris,Drew R. Smith,2005-06-30 This book on black churches and urban politics uses case studies from various cities to examine the strategies and tactics of activist clergy and congregations These case studies illustrate how black activist clergy and congregations negotiate the political terrains of their respective cities The cases show that the political culture of a city whether that culture is shaped by machine politics a legacy of political protest

racial and ethnic factionalism or a city whose power resides in the mayor's office rather than the city council chamber can influence the tactics of activist clergy and congregations. These cases also show how strategies and tactics vary across congregations as well as within and across cities. Not only do activist churches emphasize political empowerment or economic development, their tactics to pursue their goals may take different forms. They can form coalitions with other churches and/or political organizations, lobby public officials, use personal appeals to persuade politicians, or mobilize voters for candidates who support the congregation's agenda. By taking stock of the strategies that activist black clergy and congregations adopt and the tactics they use to research their goals, the cases in this book highlight nuances in black clergy and church activism that are captured beyond a single case or a focus on national politics. The three sections of *Black Churches and Local Politics* examine the many ways that black activist clergy and congregations voice their concerns in urban politics. The tactics explored are the use of personal influence by activist ministers, the formation of coalitions with churches and community organizations, and pressure groups that lobby government institutions and leaders on behalf of minority communities.

One Marriage Under God Melanie Heath, 2012-04-16 The meaning and significance of the institution of marriage has engendered angry and boisterous battles across the United States. While the efforts of lesbians and gay men to make marriage accessible to same sex couples have seen increasing success, these initiatives have sparked a backlash as campaigns are waged to protect heterosexual marriage in America. Less in the public eye is government legislation that embraces the idea of marriage promotion as a necessary societal good. In this timely and extensive study of marriage politics, Melanie Heath uncovers broad cultural anxieties that fuel on the ground practices to reinforce a boundary of heterosexual marriage, questioning why marriage has become an issue of pervasive national preoccupation and anxiety and explores the impact of policies that seek to reinstitutionalize heterosexual marriage in American society. From marriage workshops for the general public to relationship classes for welfare recipients to marriage education in high school classrooms, *One Marriage Under God* documents in meticulous detail the inner workings of ideologies of gender and heterosexuality in the practice of marriage promotion to fortify a concept of one marriage, an Anglo-American ideal of Christian heterosexual monogamy.
