Terry J. Prewitt

Religious Violence And Abortion The Gideon Project

George F. Johnston

Religious Violence And Abortion The Gideon Project:

Religious Violence and Abortion Dallas A. Blanchard, Terry James Prewitt, 1993 Reads almost like a well written novel The story it tells is unsettling but important Anyone interested in finding an acceptable solution to the vexed issue of abortion should read it Harvey Cox The Divinity School Harvard University On Christmas Day in 1984 three Pensacola abortion clinics were bombed by four young people who later went to trial and were convicted and sentenced The authors explore this moral drama as a case study of religiously motivated political action the perpetrators identified with Gideon the Old Testament slayer of those who sacrificed firstborn infants to Baal Their analysis sheds light on the violent wing of the anti abortion movement Their detailed account of the nationally publicized trial and the fundamentalist Christian community's response to the bombings will be important and compelling reading for those concerned with the abortion controversy and other issues that encompass social violence and contemporary religion Scholars will be interested in the work as a comprehensive sociological analysis of religious fundamentalism an ideology that the authors tie to a medieval world view Placing anti abortion violence in the context of social movement theory they conclude that persons who are predisposed toward such behavior are likely to be working class males under age 35 socially isolated from countervailing attitudes Religious fundamentalists they warn will continue to utilize violence in reaction to such subjects as pornography homosexuality sex education equality for females and prayer in public schools For this book the authors conducted interviews with local activists on both sides of the abortion issue They interviewed local religious fundamentalists personnel of clinics throughout the United States that have been subjected to arson or bombing and when possible persons who have been tried and convicted of those offenses In addition they attended the Pensacola trial and fundamentalist church services Dallas A Blanchard is associate professor of sociology at the University of West Florida and a United Methodist minister Terry J Prewitt is associate professor of anthropology at the University of West Florida

Religious Violence in the Ancient World Jitse H. F. Dijkstra, Christian R. Raschle, 2020-10-01 Much like our world today Late Antiquity fourth seventh centuries CE is often seen as a period rife with religious violence not least because the literary sources are full of stories of Christians attacking temples statues and pagans However using insights from Religious Studies recent studies have demonstrated that the Late Antique sources disguise a much more intricate reality The present volume builds on this recent cutting edge scholarship on religious violence in Late Antiquity in order to come to more nuanced judgments about the nature of the violence At the same time the focus on Late Antiquity has taken away from the fact that the phenomenon was no less prevalent in the earlier Graeco Roman world This book is therefore the first to bring together scholars with expertise ranging from classical Athens to Late Antiquity to examine the phenomenon in all its complexity and diversity throughout Antiquity

Armed for Life Jennifer Jefferis, 2011-06-17 This book provides a detailed and comprehensive look at the primary players acts motivations and methods of the Army of God in their quest to make abortion illegal in the United States The Army of God

may not be widely known but they are well established as an extremist Christian organization united in their belief that abortion must be stopped at all costs including the use of violence or force Who are the primary players in this underground terrorist group what acts are they responsible for and what are the motivations behind their quest to make abortion illegal in the United States Armed for Life The Army of God and Anti Abortion Terror in the United States addresses these questions and more drawing upon never before published interviews with members of the Army of God and their own writings to reveal the details of this grossly understudied organization and to document what its existence and expansion says about our society

Religious Violence Today Michael Jerryson, 2020-07-15 Through sections containing overview essays and reference entries related to particular religions this resource explores the rise of religious violence hate crime and persecution around the world Religious violence and persecution have been growing steadily both within the United States and around the world Drawing on the expertise of a wide range of scholars this current and comprehensive reference helps readers understand the persecution of members of particular faiths as well as violence committed by members of those faiths In doing so it promotes a greater understanding of the role of religion in global politics domestic and international terrorism and religious bigotry The book contains sections on particular religious traditions from around the world Each section begins with an overview essay surveying violence related to that particular religion whether committed by or against members of that faith Reference entries in each section then provide objective fundamental information about particular topics related to violence and the religion discussed The entries provide cross references and suggestions for further reading and the work closes with a bibliography of resources for further study

Abortion from the Religious and Moral Perspective: George F. Johnston, 2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work

Religion and Violence Jeffrey Ian Ross, 2015-03-04 First Published in 2015 Daily newspaper headlines talk radio and cable television broadcasts and Internet news web sites continuously highlight the relationship between religion and violence These media contain stories about such

diverse incidents as suicide attacks by Islamic fundamentalists in Afghanistan Iraq Israel Pakistan and elsewhere and assassinations of doctors who perform abortions by white American Christian true believers in the United States How does one make sense of the role of religion in violence and of perpetrators of violence who cite religion as a motivation This encyclopedia includes a wide range of entries biographies of key figures historical events religious groups countries and regions where religion and violence have intersected and practices rituals and processes of religious violence T&T Clark Reader in Abortion and Religion ,2022-12-29 This volume introduces students to the history of cultural and theological responses to abortion as background for understanding a diversity of ethical positions in contemporary Christian Jewish and Muslim writings Politicized debates about abortion are often presented in terms of a binary rhetoric of prolife versus prochoice however this collection of essays shows how that binary often breaks down when abortion is seen from different religious perspectives and in light of the voices of women themselves While abortion is a global phenomenon this volume focuses on the U S context American abortion politics and culture wars have been dominated by Christian voices nevertheless Jewish and Muslim abortion ethics engage many of the same issues from different cultural and religious perspectives Finally this volume presents important examples of recent social scientific studies about the relationship of religion and abortion in the diverse cultural racial and economic fabric of American society Pedagogical features include Introduction to the subject matter by the editors Introductory essays to all five parts of the book Questions for classroom discussion Additional pedagogical materials can be found at <https://abortionreligionreader.com> **Killing for Life** Carol Mason,2018-08-06 How can those who seek to protect the right to life defend assassination in the name of saving lives Carol Mason investigates this seeming paradox by examining pro life literature both archival material and writings from the front lines of the conflict Her analysis reveals the apocalyptic thread that is the ideological link between established anti abortion organizations and the more shadowy pro life terrorists who subject clinic workers to anthrax scares bombs and bullets The portrayal of abortion as America s Armageddon began in the 1960s In the 1970s Mason says Christian politics and the post Vietnam paramilitary culture popularized the idea that legal abortion is a harbinger of apocalypse By the 1990s Mason asserts even the movement s mainstream had taken up the call narrating abortion as an apocalyptic battle between so called Christian and anti Christian forces Pro life violence of the 1990s signaled a move away from protest and toward retribution she writes Pro life retribution is seen as a way to restore the order of God In this light the phenomenon of killing for life is revealed not as an oxymoron but as a logical consistency and a political manifestation of religious retribution Mason s scrutiny of primary sources direct mail internal memoranda personal letters underground manuals and pro life films magazines and novels draws attention to elements of pro life millennialism Killing for Life is a powerful indictment of pro life ideology as a coherent mass produced narrative that does not merely condone violence but anticipates it as part of God s plan **Obstacle Course** David S. Cohen,Carole Joffe,2021-07-27 This book tells the real story of abortion in America one

that captures a disturbing reality of sometimes insurmountable barriers put in front of women trying to exercise their legal rights to medical services. Without the efforts of an unheralded army of doctors, nurses, social workers, activists, and volunteers, what is a legal right would be meaningless for the almost one million people per year who get abortions. There is a better way treating abortion like any other form of health care, but the United States is a long way from that ideal. *The Making of Pro-life Activists* Ziad W. Munson, 2010-07-15. How do people become activists for causes they care deeply about? Many people with similar backgrounds, for instance, fervently believe that abortion should be illegal, but only some of them join the pro-life movement. By delving into the lives and beliefs of activists and nonactivists alike, Ziad W. Munson is able to lucidly examine the differences between them. Through extensive interviews and detailed studies of pro-life organizations across the nation, Munson makes the startling discovery that many activists join up before they develop strong beliefs about abortion; in fact, some are even pro-choice prior to their mobilization. Therefore, Munson concludes, commitment to an issue is often a consequence rather than a cause of activism. *The Making of Pro-life Activists* provides a compelling new model of how people become activists while also offering a penetrating analysis of the complex relationship between religion, politics, and the pro-life movement. Policy makers, activists on both sides of the issue, and anyone seeking to understand how social movements take shape will find this book essential.

Thank you very much for downloading **Religious Violence And Abortion The Gideon Project**. Most likely you have knowledge that, people have look numerous time for their favorite books taking into account this Religious Violence And Abortion The Gideon Project, but end happening in harmful downloads.

Rather than enjoying a good book later a mug of coffee in the afternoon, on the other hand they juggled in the manner of some harmful virus inside their computer. **Religious Violence And Abortion The Gideon Project** is clear in our digital library an online permission to it is set as public therefore you can download it instantly. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Violence And Abortion The Gideon Project eBooks, including some popular titles.

FAQs About Religious Violence And Abortion The Gideon Project Books

What is a Religious Violence And Abortion The Gideon Project PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Violence And Abortion The Gideon Project PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Violence And Abortion The Gideon Project PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Violence And Abortion The Gideon Project PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Violence And Abortion The Gideon Project PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific

software or tools, which may or may not be legal depending on the circumstances and local laws.
