

Rhetorical Analysis: Context:

-Objectives:

- This slide introduces example rhetorical situations that engineers often communicate in. This will prompt engineering students to think of the genre expectations of engineering literacies including lab reports.

-Student outcomes: After completion of this module component, students are able to

- Identify the audience, writer, purpose, and the context of various rhetorical situations for engineers.
- Describe why engineering literacies have the distinct genre features compared to the literacies of other disciplines (such as humanities).
