Remembering Jesus Christian Community Scripture And The Moral Life:

Remembering Jesus Allen Verhey, 2002 In the past decade many Christians have embraced the What Would Jesus Do campaign which encourages them to base their decisions and actions on this question In *Remembering Jesus* the book that promises to be his magnum opus Allen Verhey takes a serious look at what Jesus really said and did and applies it to contemporary Christian ethics Verhey asserts that following Jesus requires remembering him and in order to do this Christians must read and understand Scripture where the memory of Jesus is found By remembering Jesus this book contributes to the effort of Christians to discern the shape and style of life worthy of the gospel More specifically this book displays the implications of Christian integrity for sexual medical economic and political ethics seeking to understand what Jesus would really have to say about these issues today While suitable for pastors and general readers looking for biblically based instruction on practical living this superb work also makes an ideal text for courses on Christian ethics **"Il Verbo di Dio è vivo"** José Enrique Aguilar Chiu, 2007 I trentasei studi sul Nuovo Testamento qui raccolti sono espressione di gratitudine al Cardinal Albert Vanhoye S I esempio di una vita totalmente spesa a servizio della Chiesa di Cristo nell insegnamento competente della sacra Scrittura nella ricerca instancabile e nella zelante predicazione del Verbo di Dio nonché nella sua attività di consigliere saggio e discreto presso vari dicasteri della Curia Romana E un omaggio ad un uomo di fede che ha infaticabilmente indagato la Sacra Scrittura sia per trovarvi il fondamento della propria esistenza che per annunciare agli altri la parola di vita Fil 2 16 Il libro intende essere uno strumento per proseguirne la medesima indagine e lo stesso annuncio *Searching the Scriptures* Craig A. Evans, Jeremiah J. Johnston, 2015-11-19 This work critically engages the hermeneutical methods used to analyse the New Testament writings so that the lenses through which studies of the texts have been traditionally viewed can be revised Jeremy Hultin contributes an article on the rhetorical use of the chosen citations by Jewish rabbis in their commentary on scripture while Mark Gignilliat writes on the potential implications for viewing Old Testament Scripture in the manner of the early Church exegetes and theologians With these two contributions providing a frame for the other chapters the essays explore a range of topics including the significance of the number 42 in Matthew the study of Wisdom in Matthew the extent to which the four gospels are underlined by Hebrew material if any the use of Hebrew material in shaping New Testament writings and the uses of Scripture in the letters of Paul and the letters to the Hebrews Read separately these articles provide fascinating insights and revisions to established ideas on intertextuality between the Old Hebrew Bible and the New Testament writings Taken together the collection presents a solid argument for the fundamental revision of our current hermeneutical practice in Biblical Studies Theology and the Experience of Disability Andrew Picard, Myk Habets, 2016-04-28 The Christian gospel compels humanity to embrace deeper ways of being human together that will overcome false divisions and exclusions in search of flourishing and graced communities Presenting both short narratives emerging out of theological reflection on experience and analytical essays arising from engagement in

scholarly conversations Theology and the Experience of Disability is a conscious attempt to develop theology by and with people with disabilities instead of theology about people with disabilities A mixture of academic professional practical and or lived experience is brought to the topic in search of constructive multi disciplinary proposals for church and society The result is an interdisciplinary engagement with the constructive possibilities that emerge from a distinctly Christian understanding of disability as lived experience

Reading the Bible in the Strange World of Medicine Allen Verhey,2003-12-11 Author of such major books as Remembering Jesus Christian Community Scripture and the Moral Life Allen Verhey has become one of today s most trusted Christian voices in contemporary ethics including the moral challenges that new medical technologies pose to Christian faith and decision making With this new book Verhey brings the biblical tradition to bear on contemporary bioethical concerns Drawing on an unmatched depth of insight in these two realms Verhey explores how the Bible can illuminate and guide medical ethics He argues that churches are called to think and speak clearly about bioethical concerns and he lays out here the scriptural tools for them to do so After firmly grounding Christian ethical discourse in Scripture Verhey shows how the Bible can be applied to such pressing questions as suffering genetic intervention abortion reproductive technologies end of life care physician assisted suicide and more Filled with faith based wisdom and apt illustrations of the moral dilemmas discussed this book is a must read for Christians grappling with the ethical dimensions of medicine today

Reviving Evangelical Ethics Wyndy Corbin Reuschling,2008-04-01 Classic theories of Aristotle Kant and Mill have influenced Christian thought in morality and ethics for centuries But they can go only so far Wyndy Corbin Reuschling writes in Reviving Evangelical Ethics While the philosophers approach to three key elements virtue duty and utility have been used widely in forming ethical and moral practices Corbin Reuschling sees spiritual danger in their limitations She probes deeply to deconstruct each philosophy then reconstructs a broader biblically based framework for personal and group ethics This introductory text provides helpful biblical and theological reflection for students of Christian ethics

Beyond Virtue Ethics Stephen M. Meawad,2023-05-01 A contemporary model of spiritual struggle shifts the emphasis from virtue s acquisition to its pursuit Beyond Virtue Ethics offers a distinctive approach to virtue ethics arguing not simply for the importance of struggle to virtue ethics but that struggle itself is a manifestation of virtue In doing this Stephen M Meawad offers a way of thinking about virtue not simply as a perfected state but as a state that is to a greater or lesser degree a manifestation of the ideal itself which is not attainable Meawad affirms the concept of the unity of virtues that is the idea that a virtue is not a virtue unless united with other perfected virtues which is found in God Insofar as humans grow in unity with God they too participate in the unity of virtues although always to an imperfect extent Meawad rejects a division between ethics and spirituality and provides two concrete examples of this suggested model The first is the application of this model to the body and its implications for contemporary sexual ethics The second is a reintegration of ethics and Scripture through the contemporary application of an ancient Patristic divine reading This book establishes for

readers a contemporary model of spiritual struggle defining it as the exertion of effort in all conceivable dimensions physical emotional psychological and intellectual with the intent to attain a semblance of knowledge of and intimacy with Jesus Christ

Evangelical Dictionary of Theology Daniel J. Treier, Walter A. Elwell, 2017-11-07 This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer Scripture and Social Justice Stephen P. Ahearne-Kroll, Harold W. Attridge, Corrine Carvalho, Adela Yarbro Collins, John J. Collins, John R. Donahue, John Endres, Gina Hens-Piazza, Anatheia E. Portier-Young, Julia D. E. Prinz, Gregory E. Sterling, 2018-08-10 The essays gathered here provide a panoramic view of current thinking on biblical texts that play important roles in contemporary struggles for social justice either as inspiration or impediment Here from the hands of an ecumenical array of leading biblical scholars are fresh and compelling resources for thinking biblically about what justice is and what it demands Individual essays treat key debates themes and texts locating each within its historical and cultural settings while also linking them to the most pressing justice concerns of the twenty first century The volume aims to challenge academic and ecclesiastical complacency and highlight key avenues for future scholarship and action *Who Will Care for Grandma?* Brent R. Kelly, 2009-01-01 It is amazing to realize that much of the Western medical community is in a love hate relationship with the economics of medicine Quality Adjusted Life Years QALYs is one of the primary methods of guiding many medical decision makers in the allocation of limited medical resources Herein lies the problem of medicine and economics It seems that deciding who will receive limited medical resources is a task filled with moral and ethical difficulties even for those depending on the information obtained from QALY calculations These moral and ethical difficulties are beyond the scope of sound bites that tout the benefits of universal health care affordable insurance or the safety of the free market economy The breadth of the difficulty is found in the widespread disagreement concerning how the health care system should be distributed or fixed since most will agree that there is a problem with distributing medical resources It seemed obvious that some difficult decisions will need to be made that few are both willing and able to make This difficulty is particularly true in decisions about health care allocation and that is where QALYs have been found useful and problematic Limiting medical care for the elderly based upon their age did not occur until the mid twentieth century possibly because the elderly held a unique position of respect in the Western community It is no longer the case that the elderly are given a unique position of respect and dignity Rather it seems that with the increased use of QALY calculations the elderly are in danger of receiving less medical care than they are warranted It is imperative that

Christians respond to the ethical implications of significant models of resource allocation that currently assist decision makers in the allocation process such as QALYs

This is likewise one of the factors by obtaining the soft documents of this **Remembering Jesus Christian Community Scripture And The Moral Life** by online. You might not require more times to spend to go to the ebook establishment as without difficulty as search for them.
