Remf Diary

W.D. Ehrhart

Remf Diary:

REMF Diary David A. Willson, 1988 This is how it was to be a REMF in Vietnam the ice cream the Coca Cola the air conditioning the clean starched jungle fatigues and yes the parades and the whores I leave nothing out it is all in there The typing and the saluting too With this David Willson sets the tone for REMF Diary Between these covers is a very funny ironic novel of the Vietnam War It is a story told by an army clerk stationed in Saigon His perceptions of the war and of the paper war around him make for hilarious reading The REMF Returns David Willson, 1992 Please welcome back David Willson s REMF an altogether different kind of war story charcter In *The REMF Returns* Willson continues his story of the office based soldier who never fires a shot in anger and whose days are pervaded by the moral and spiritual twilight of life in the rear echelon of a shooting war Willson s sly humor and carefully stylized minutiae of daily life in the Army join to make this book an important document in an area rarely confronted in our literature of Vietnam **Armed with Abundance** Meredith H. Lair, 2011 Popular representations of the Vietnam War tend to emphasize violence deprivation and trauma By contrast in *Armed with Abundance* Meredith Lair focuses on the noncombat experiences of U S soldiers in Vietnam redrawing the landscape of the war The Wars We Took to Vietnam Milton J. Bates, 2023-09-01 What Americans refer to as the Vietnam War embraces much more than the conflict with North Vietnam Milton J Bates considers the other conflicts that Americans brought to that war the divisions stemming from differences in race class sex generation and frontier ideology In exploring the rich vein of writing and film that emerged from the Vietnam War era he strikingly illuminates how these stories reflect American social crises of the period Some material examined here is familiar including the work of Michael Herr Tim O Brien Philip Caputo Susan Sontag Francis Ford Coppola and Oliver Stone Other material is less well known *Neverlight* by Donald Pfarrer and *De Mojo Blues* by A R Flowers for example Bates also draws upon an impressive range of secondary readings from Freud and Marx to Geertz and Jameson As the products of a culture in conflict Vietnam memoirs novels films plays and poems embody a range of political perspectives not only in their content but also in their structure and rhetoric In his final chapter Bates outlines a politico poetics of the war story as a genre Here he gives special attention to our motives from the deeply personal to the broadly cultural for telling war stories What Americans refer to as the Vietnam War embraces much more than the conflict with North Vietnam Milton J Bates considers the other conflicts that Americans brought to that war the divisions stemming from differences in race class sex generation **The Vietnam War Era** Bruce O. Solheim, 2006-09-30 There are many lessons to be learned from the Vietnam War foremost among them being that war as an instrument of peace is not viable Solheim provides a full picture of the war era at home and in Southeast Asia by combining historical narrative with biographical profiles and personal reflections He allows the story to unfold in multiple layers as seen through the eyes of those who were involved on all sides of the conflict the North Vietnamese the South Vietnamese the American generals and politicians and the American war correspondents and antiwar protestors With this book Solheim

explores and hopes to answer vital questions about the American war in Vietnam What is the meaning and significance of the Vietnam War for Americans today What lessons have Americans learned from our defeat and how should we apply that knowledge in implementing current foreign policy Who or what is to be blamed for the loss in Vietnam How can we heal our nation from the Vietnam War syndrome How do we fit the Vietnam War era into our greater historical narrative **The War That Never Ends** David L. Anderson, John Ernst, 2014-03-11 More than three decades after the final withdrawal of American troops from Southeast Asia the legacy of the Vietnam War continues to influence political military and cultural discourse Journalists politicians scholars pundits and others have used the conflict to analyze each of America's subsequent military engagements Many Americans have observed that Vietnam era terms such as cut and run quagmire and hearts and minds are ubiquitous once again as comparisons between U S involvement in Iraq and in Vietnam seem increasingly appropriate Because of its persistent significance the Vietnam War era continues to inspire vibrant historical inquiry The eminent scholars featured in *The War That Never Ends* offer fresh and insightful perspectives on the continuing relevance of the Vietnam War from the homefront to humping in the boonies and from the great halls of political authority to the gritty hotbeds of oppositional activism The contributors assert that the Vietnam War is central to understanding the politics of the Cold War the social movements of the late twentieth century the lasting effects of colonialism the current direction of American foreign policy and the ongoing economic development in Southeast Asia The seventeen essays break new ground on questions relating to gender religion ideology strategy and public opinion and the book gives equal emphasis to Vietnamese and American perspectives on the grueling conflict The contributors examine such phenomena as the role of women in revolutionary organizations the peace movements inspired by Buddhism and Ho Chi Minh's successful adaptation of Marxism to local cultures *The War That Never Ends* explores both the antiwar movement and the experiences of infantrymen on the front lines of battle as well as the media's controversial coverage of America's involvement in the war *The War That Never Ends* sheds new light on the evolving historical meanings of the Vietnam War its enduring influence and its potential to influence future political and military decision making in times of peace as well as war *The War That Never Ends: New Perspectives on the Vietnam War* David L. Anderson, John Ernst, 2008 More than three decades after the withdrawal of American troops from Southeast Asia the Vietnam War still resonates in political and cultural discourse and still motivates vibrant historical inquiry In this book the editors present the newest perspectives on the war in Vietnam from the homefront to Ho Chi Minh City from the government halls to the hotbeds of activist opposition The seventeen essays compiled by David L. Anderson and John Ernst examine Vietnamese as well as American experiences of the grueling conflict breaking new ground on questions relating to gender religion ideology media and public opinion The book sheds new light on the evolving historical meanings of the Vietnam War its enduring impact and its potential to influence future political and military decision making in times of peace as well as war Dust jacket **The Madness of It All** W.D. Ehrhart, 2010-07-27 I

cannot begin to count the number of times over the past 37 years that I have wished I had never heard of Vietnam let alone fought in the Vietnam War That experience has haunted my days It has troubled my nights It has shaped my identity and colored the way I see the world and everything in it from the Preface W D Ehrhart called one of the great poets and writers of nonfiction produced by the Vietnam War by The Nation here presents 43 essays whose topics include not only the Gulf Vietnam and Korean wars the conflict between Israel and Palestine war and journalism and American war poetry but also junk mail the Internet the IRS tugboats drawbridges race relations the justice system health care small town life in America nicotine addiction the bravado of youth honesty and American culture the rhetoric of national mythology and presidential isolation among others **WLA** ,1997 [In the Shadow of Vietnam](#) W.D. Ehrhart,2016-03-02 Twenty three powerful moving angry and wise essays published over a period of 15 years on subjects ranging from South Africa to Central America the United States to the Soviet Union all bound together by the lingering physical psychological political and intellectual sensibilities the author first developed as a young enlisted Marine during the Vietnam war Four of the essays deal with Ehrhart s second return to Vietnam in 1990

Ignite the flame of optimism with is motivational masterpiece, **Remf Diary** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
