Being a teenage girl is hard in today's society. This is the message Divine D. has heard from her students. One student told Divine, "If only there was a book on how to be a teenage girl, it would make my life easier." So Divine decided to do just that for her students. By using her twenty years in the field of education, personal life experiences, and wealth of knowledge that came from her 46 years on this earth, she wrote *40 Things Every Teenage Girl Needs to Know Before She Becomes an Adult*. This book is a wonderful gift for any teenage girl. It has a very positive message that would benefit teenagers going through difficulties or just needing a little reminder of how wonderful they are. Divine uses her expertise as a Catholic school administrator to bring a Christian twist to all of life's adventures and bumps in the road. Each chapter ends with a song recommendation message to listen to. One of Divine's students named the book *Just a Reminder* because all girls need a reminder of how wonderfully awesome they have been made, even in times when they forget. Believe in yourselves. Girls With sections including Mental Health and Well Being, Body Image and Self Esteem, Building Foundational Skills for Your Future, Taboo Topics, and Getting Help and Finding Joy in Your Daily Life, teenage girls will be inspired to go out and live their dreams.

8 Keys to Parenting Children with ADHD Cindy Goldrich, 2015-10-05. Compassionate and effective strategies for raising a child with ADHD. Parenting children with ADHD, whether diagnosed or undiagnosed, can be challenging and complex. But just as a child who struggles with reading can learn to decode words, children with ADHD can learn patience, communication, and solution-seeking skills to become more confident, independent, and capable. This book, rich with optimism, tips, tools, and action plans, offers science-based insights and systems for parents to help cultivate these skills. Combining expert information with practical, sensitive advice, the eight key concepts here will help parents reduce chaos, improve cooperation, and nurture the advantages like creativity and drive that often accompany all of that energy. Based on author Cindy Goldrich's seven-session workshop entitled *Calm and Connected Parenting Kids with ADHD*, this book focuses on developing and strengthening effective interpersonal skills in both parents and children as a way to improve conflict resolution. Following the parenting principle to "Parent the child you have," Goldrich offers advice to help readers tailor their parenting to meet the needs of their unique child. The book also leads parents to recognize the value of being a leader and a guide to children, building parents' confidence in their decision-making and giving children a sense of safety, security, and confidence. The principles outlined in *8 Keys to Parenting Children with ADHD* are appropriate for parenting kids of all ages until they have launched and are on their own.
