The Rise of the Parti Québécois 1967-76 John T. Saywell, 1977 **The Rise of the Parti Québécois, 1967-76**, 1977

René Lévesque and the Parti Québécois in Power Graham Fraser, 2001 A biography of one of the most charismatic politicians that Quebec and Canada has ever known Graham Fraser paints a vivid portrait of one of the most dynamic political figures of the 20th century Rene Levesque describes the origins of the Parti Quebecois and gives a graphic account of key events that still resonate in Canadian political life Quebec s language law the 1980 referendum and the patriation of the constitution This second edition contains a new preface in which Fraser completes the story of the last months of the Parti Quebecois government and the period leading up to Levesque s death in 1987 detailing how Levesque s leadership continues to mark his successors The Rise of the Parti Québécois 1967-76 ,1967 Managing Terrorism and Insurgency Cameron I. Crouch, 2009-09-10 This book examines how governments can weaken the regenerative capabilities of terrorist and insurgent groups The exploration of this question takes the form of a two tier examination of three insurgent actors whose capacity to regenerate weakened in the past the Front de lib ration du Qu bec FLQ of Canada the Movimiento de Liberaci n Nacional Tupamaros MLN T of Uruguay and the Provisional Irish Republican Army PIRA of Northern Ireland during the mid 1970s At the first level of its examination the book investigates the extent to which the regenerative capacities of the FLQ MLN T and PIRA weakened because of an increase in attrition and a decrease in recruitment The primary objectives of this analysis are to uncover whether a declining intake of recruits played a lesser equal or greater role than a burgeoning loss of personnel in weakening the capacities to regenerate of the three insurgent actors and in turn to shed greater light on the broader validity of the prevailing view in conflict studies that a decrease in recruitment is more important than an increase in attrition in effecting the corrosion of an insurgent actor s capacity to regenerate At the second level of its exploration the book assesses the effectiveness of five of the most prominent policy prescriptions in the literature and insurgent recruitment and attrition ameliorating grievances selective repression discrediting insurgent ideology improving intelligence collection and restricting civil liberties This book will be of much interest to students of terrorism and counter terrorism conflict studies strategic studies and security studies in general Cameron Crouch is currently an Analyst at Allen Consulting Group an Australian economics and public policy consulting firm He has a PhD from the Strategic and Defence Studies Centre at The Australian National University Partisan Odysseys Nelson Wiseman, 2020-05-12 In *Partisan Odysseys* Nelson Wiseman sets out to survey the history of Canada s political parties Uncovering distinctive motifs and events in Canadian party politics from pre Confederation to the present Wiseman shows how parties have adjusted adapted and reinvented themselves in response to significant social and economic changes as well as how parties have in turn shaped or reinforced these social forces The book begins by tracing the rise of four different types of parties in the nineteenth century by the end of the century the Conservative and Liberal parties that continue to this day were firmly established The

book also explores nationalism minority governments third parties and the reconfiguration of party positions Wiseman concludes by examining changes in the way Canada's ever evolving parties have operated and the rise of the modern party as a nimble enterprising institution compared to its historical antecedent Substantial yet accessible Partisan Odysseys will enlighten students scholars and general readers alike *Political Support in Canada* Richard A. Preston, E. Donald Briggs, 1983 All governments require popular support and in democracies this support must be maintained by noncoercive means This book analyzes the question of political support in Canada a country in which the maintenance of the integrity of the political community has been and continues to be in the words of the editors the single most salient aspect of the country's political life The nature of popular support is first considered in broad theoretical terms then from the standpoint of those agents most responsible for maintaining support in Canadian democracy then as influenced by particular issues and policies and finally as it affects and is affected by the separatist movement in Quebec **University Press Books for Secondary School Libraries**, 1978 *The Political History of Newfoundland, 1832-1864* Gertrude E. Gunn, 1966-12-15 Three decades of disorder followed the establishment of representative government in Newfoundland in 1832 The pressures and processes during these years have given Newfoundland a political history peculiarly its own This study examines the structure of the early political parties the causes of popular tumult and the effects of constitutional change during this colourful and complex period First published in 1966 this book is still the most comprehensive investigation of a crucial phase in Newfoundland's political development Canadian Books in Print, 1985 *The Symbolic State* Karlo Basta, 2021-11-15 The nation state is a double sleight of hand naturalizing both the nation and the state encompassing it No such naturalization is possible in multinational states To explain why these countries experience political crises that bring their very existence into question standard accounts point to conflicts over resources security and power This book turns the spotlight on institutional symbolism When minority nations in multinational states press for more self government they are not only looking to protect their interests They are asking to be recognized as political communities in their own right Yet satisfying their demands for recognition threatens to provoke a reaction from members of majority nations who see such changes as a symbolic repudiation of their own vision of politics Secessionist crises flare up when majority backlash reverses symbolic concessions to minority nations Through a synoptic historical sweep of Canada Spain Yugoslavia and Czechoslovakia *The Symbolic State* shows us that institutions may be more important for what they mean than for what they do A major contribution to the study of comparative nationalism and secession comparative politics and social theory *The Symbolic State* is particularly timely in an era when the power of symbols exemplified by Brexit the Donald Trump presidency and the rise of the Black Lives Matter movement is reshaping politics **Trade Unions and Separatism in Québec** Ralph Peter Güntzel, 1993 *Remaining Loyal* David McGrane, 2014-10-01 When social democratic politicians in the 1990s moderated their ideas and policies as part of a turn towards the third way they were assailed as traitors to the cause *Remaining Loyal* demonstrates that while third

way social democrats in Quebec and Saskatchewan supplemented certain social democratic ideas with more right wing economic programs their public policies remained true to the original spirit of social democracy Drawing on a range of archival resources David McGrane traces the evolution of social democracy in Quebec and Saskatchewan from their respective origins in social Catholic thought and agrarian protest movements at the turn of the twentieth century to the most recent Parti Qu b cois and New Democratic Party governments In doing so he reconstructs the public policies of traditional social democracy from the postwar era and the third way in the 1990s and early 2000s and finds both differences and continuities McGrane contends that remaining loyal to core social democratic values is exactly what differentiates the third way from neo liberalism in Saskatchewan and Quebec The first historical comparison of social democracy in Saskatchewan and Quebec Remaining Loyal challenges how we think about the recent ideological evolution of left wing parties in Canada and the rest of the world Canada Votes, 1935-1988 Frank B. Feigert, 1989 This work updates and enhances Howard Scarrow s Canada Votes 1962 with complete election data from the constituency level through the province region and nation for more than a half century of Canadian political life since the benchmark election of 1935 Frank Feigert adds a description of the circumstances of all the elections since and he gives background descriptions of the electoral systems in each province and territory The result is a compendium of data and analysis that can be found nowhere else and which will be an invaluable sourcebook for students of Canadian political behavior *Leadership et militantisme au Parti Québécois* Éric Montigny, 2012-07-11 T00:00:00-04:00 La relation entre le chef du Parti qu b cois et sa base militante n a jamais t simple Le chef fondateur Ren L vesque a connu maintes contestations Son successeur Pierre Marc Johnson ne fut pas en mesure de survivre la d faite lectorale de 1985 Jacques Parizeau a t contraint de d missionner apr s la d faite r f rendaire de 1995 La relation entre Lucien Bouchard et ses militants tait complexe Bernard Landry et Andr Boisclair ont galement connu des difficult s L ann e 2011 aura t une ann e charni re pour le Parti qu b cois Pour comprendre les turbulences que connait le Parti qu b cois sous le leadership de Pauline Marois il faut aller au del de la simple formule du parti qui d vore ses chefs Il importe d analyser l volution de sa d mocratie interne l volution des objectifs partisans qu il poursuit mais aussi l volution de la motivation de ses militants Afin de d passer les id es et les perceptions re ues Eric Montigny propose dans cet ouvrage un cadre d analyse qui permet de comprendre la trajectoire actuelle du Parti qu b cois Il invite aussi le lecteur se familiariser avec les r gles du jeu qui gouvernent la vie d mocratique des militants au sein de ce parti *Leadership et militantisme au Parti québécois.
