Saying Yes And Saying No On Rendering To God And Caesar:

Saying Yes and Saying No Robert McAfee Brown, 1986-01-01 Looks at issues where religious beliefs and government policy may disagree including the Sanctuary movement and in Grenada Nicaragua and Nazi occupied Poland **Called Out with** Sylvia Thorson-Smith, Norm Pott, 1997-01-01 This is an edited work of stories from Westminster John Knox Press written by heterosexuals in support of lesbian gay bisexual and transgendered persons who desire opportunities for leadership within the Presbyterian Church U S A Thinking about God Dorothee Soelle, 2016-08-05 Developing out of a series of public lectures given to a large audience of non theologians this is one of the most attractive introductions to theology which has appeared so far Perhaps as Dorothee Soelle points out in fact introduction is not the right word for this is above all an invitation to share her enthusiasm for theology her delight in the beauty and the power of religious and theological language and the themes it expresses The book covers all the major areas of modern theology After discussing the nature of systematic theology and comparing orthodox liberal and radical approaches it looks at the use of the Bible in theology Then follow chapters on creation sin feminist liberation theology the understanding of grace Black theology Jesus cross and resurrection the kingdom of God and the church the theology of peace the end of theism and the question of God Each chapter is followed by a bibliography and Dorothee Soelle who is familiar with theology on both sides of the Atlantic has herself revised these for the English language edition **Religion and Violence** , 1987-01-01 Robert McAfee Brown s Religion and Violence is a comprehensive introduction to the ethical and moral questions that abound at the intersection of violence and religion Brown discusses such important issues as nuclear war terrorism capital punishment and revolution Strange Glory Charles Marsh, 2014-04-29 In the decades since his execution by the Nazis in 1945 Dietrich Bonhoeffer the German pastor theologian and anti Hitler conspirator has become one of the most widely read and inspiring Christian thinkers of our time Now drawing on extensive new research Strange Glory offers a definitive account by turns majestic and intimate of this modern icon The scion of a grand family that rarely went to church Dietrich decided as a thirteen year old to become a theologian By twenty one the rather snobbish and awkward young man had already written a dissertation hailed by Karl Barth as a theological miracle But it was only the first step in a lifelong effort to recover an authentic and orthodox Christianity from the dilutions of liberal Protestantism and the modern idolatries of blood and nation which forces had left the German church completely helpless against the onslaught of Nazism From the start Bonhoeffer insisted that the essence of Christianity was not its abstract precepts but the concrete reality of the shared life in Christ In 1930 his search for that true fellowship led Bonhoeffer to America for ten fateful months in the company of social reformers Harlem churchmen and public intellectuals Energized by the lived faith he had seen he would now begin to make what he later saw as his definitive turn from the phraseological to the real He went home with renewed vocation and took up ministry among Berlin s downtrodden while trying to find his place in the hoary academic establishment increasingly captive to nationalist fervor With the rise of Hitler

however Bonhoeffer's journey took yet another turn. The German church was Nazified along with every other state sponsored institution. But it was the Nuremberg laws that set Bonhoeffer's earthly life on an ineluctable path toward destruction. His denunciation of the race statutes as heresy and his insistence on the church's moral obligation to defend all victims of state violence regardless of race or religion alienated him from what would become the Reich church and even some fellow resisters. Soon the twenty seven year old pastor was one of the most conspicuous dissidents in Germany. He would carry on subverting the regime and bearing Christian witness whether in the pastorate he assumed in London, the Pomeranian monastery he established to train dissenting ministers or in the worldwide ecumenical movement. Increasingly though Bonhoeffer would find himself a voice crying in the wilderness until finally he understood that true moral responsibility obliged him to commit treason for which he would pay with his life. Charles Marsh brings Bonhoeffer to life in his full complexity for the first time. With a keen understanding of the multifaceted writings often misunderstood as well as the imperfect man behind the saintly image here is a nuanced exhilarating and often heartrending portrait that lays bare Bonhoeffer's flaws and inner torment as well as the friendships and the faith that sustained and finally redeemed him. **Strange Glory is a momentous achievement** **Wisdom From the Margins** William G. Britton, 2018-05-16 Henri Nouwen wisely said "The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there. Jesus has been there and knows how to lead us out but first he just may lead us in. He meets us in the desert and does his best work in us there. We look for an easier way in vain. I myself reluctantly entered the desert and eventually received unimagined gifts there. Gifts I didn't ask for, deserve or want. Gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me. I entered the desert and years later found my way out. It's not a new way; it was just new to me. Jewish and Christian sages had been living it for thousands of years. Somehow in recent generations we managed to forget it. In this collection I mean to begin to make those riches available to you. I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price." *The Morality and Global Justice Reader* Michael Boylan, 2018-05-04 This cutting edge volume of original essays features a diverse international team of prominent scholars examining issues of morality and justice within a global perspective. The chapters are grouped according to an integrative design that progresses from normative principles to normative theories to normative applications. Applications chapters address current significant and provocative topics such as poverty and the global economy, global health, religion, war and gender identity and family. Distinguished philosopher and volume editor Michael Boylan provides a unifying introduction to each section. In addition an abstract and list of key words provide readers with an informative entry into each reading. An engaging resource for all students of philosophy and politics. *The Morality and Global Justice Reader* not only offers an essential foundation of global justice and its policy implications but also aims to inspire readers to positive action for change. **Burning Center, Porous Borders** Eleazar S.

Fernandez,2011-10-17 Burning Center Porous Borders articulates what the church is and is called to be about in the world a world now globalized to the point that the local is lived globally and the global is lived locally The church must respond creatively and prophetically to the challenges economic disparity war and terrorism diaspora ecological threat health crisis religious diversity and so on posed by our highly globalized world It can do so only if the church s spiritual center burns mightily Conversely it can burn mightily in the spirit of Christ only if its borders are porous and allows the fresh air spirit of change to blow in and out While there is much rhetoric about change the most common response to change is to continue doing business as usual This is particularly the case in the face of perceived global threats In spite of the hoopla and euphoria of the global village walls of division and exclusion are rising hearts are constricting and moral imagination shrinking In response to this context Burning Center Porous Borders proposes alternative ways or images of being a church burning center and porous borders wall buster and bridge builder translocal glocal mending healer radical hospitality community of the earth spirit household of life abundant dialogians of life and community of hope In Burning Center Porous Borders congregational vitality and progressive praxis kiss and embrace The Marketplace Annotated Bibliography Pete Hammond,2011-03 Every workday millions of Christians enter the marketplace Whether as sales associates or engineers auto mechanics or executives Christians are called to serve God in the workplace But most need help integrating faith and work How can you be salt and light on the job Where can you turn for help in developing a biblical and satisfying view We Are Theologians Fredrica Harris Thompsett,2004-09 We are all by nature theologians able to think through questions of belief and relate the insights of theology to our public and private lives Thompsett offers in five chapters both a theology of the laity and a short but solid grounding in the history theology spirituality and biblical foundations of Anglicanism particularly the Episcopal Church Beginning with the Bible and what it reveals to us about the distinct calling of the people of God Thompsett goes on to consider the insights of the Reformation about the importance of the laity and the particular contribution of laypeople particularly women to the expansive mission of the nineteenth century in education and social work She explores different aspects of Anglican identity that are particularly important to the lay calling as well as lay movements of liberation in the global South The final chapter Ideas to Grow On points the way to strengthening the laity of the future Book jacket

The Bible Speaks to You Robert McAfee Brown, 1985-01-01 Explains why the Bible is still important

discusses the story of Jesus life and looks at Biblical teachings as they relate to the problems of modern life *Unexpected News* Robert McAfee Brown, 1984-01-01 Describes the ways that Asian African and South American Christians interpret the Bible especially the story of Jesus life **Christians in Active Politics** Yokoniah Mvula, 2022-09-16 Some Christians may be uncomfortable to think of Jesus as being political since the word politics or political has evolved to have negative overtones and connotations in our world today particularly in Africa where this monograph from the Department of Theology and Religious Studies of the University of Malawi has originated Christians often argue that their commission or job description does not include the political process which is the way a society conducts its public affairs However Jesus beginning with his temptation as in the gospels of Matthew and Luke showed the people who would follow him what it means to do God's will The third temptation conceived of in this study as a political temptation for power is the rationale behind the arguments made in this study which begins by positing that the message of Jesus was not politically neutral and therefore Christianity as a super culture must be active in all sectors affecting social concerns if it is to truly be the change agent who Christ believes it to be It goes on to define and describe what it means to say that the message of Jesus was political and lays out the biblical theological ethical and experiential rationale for Christians active participation in the secular political arena *Persuade Us to Rejoice* Robert McAfee Brown, 1992-01-01 Studying such literary figures as Frederick Buechner Albert Camus George Dennison Ursula Le Guin C S Lewis Alan Paton Ignazio Silone Alice Walker Elie Wiesel and Charles Williams Robert McAfee Brown illustrates the liberating power of fiction by enabling the reader to enter their worlds Brown asserts that although there is no faith that offers ironclad guarantees against future struggles the wisdom of these authors can help us toward praising and rejoicing **Speaking of Christianity** Robert McAfee Brown, 1997-01-01 Renowned theologian Robert McAfee Brown believes that Christianity cannot be fenced off or separated from the world but is always in relation to something else Here he puts his belief to the test writing on Christianity and a multitude of topics puzzles earthquakes worship martyrdom beauty sex God politics joy anti-Semitism and the environment Reclaiming the Bible Robert McAfee Brown, 1994-01-01 In this series of messages based on scripture the author demonstrates the vital applications of the Bible for our times dealing first with the greater words of faith such as love grace and reconciliation It then sheds light on various events in Jesus life and beyond A third group of messages shows the Bible addressing social issues such as sexuality and violence
