Sbc Conservative Take Over Not A Make Over:

SBC Conservative "take-over" Not a "make-over" Shelton L. Smith, 1997 *Mainstreaming Fundamentalism* Keith Bates, 2023-08-18 In *Mainstreaming Fundamentalism* John R Rice and *Fundamentalism's Public Reemergence* Keith Bates embarks on a thematic and chronological exploration of twentieth century Baptist fundamentalism in postwar America sharing the story of a man whose career intersected with many other leading fundamentalists of the twentieth century such as J Frank Norris Bob Jones Sr Bob Jones Jr and Jerry Falwell Unique among histories of American fundamentalism this book explores the theme of Southern fundamentalism's reemergence through a biographical lens John R Rice's mission to inspire a broad cultural activism within fundamentalism particularly by opposing those who fostered an isolationist climate would give direction and impetus to the movement for the rest of the twentieth century To support this claim Bates presents chapters on Rice's background and education personal and ecclesiastical separatism and fundamentalism and political action tracing his rise to leadership during a critical phase of fundamentalism's development until his death in 1980 Bates draws heavily upon primary source texts that include writings from Rice's fundamentalist contemporaries his own *The Sword of the Lord* articles and his private papers particularly correspondence with many nationally known preachers local pastors and laypeople over more than fifty years of Rice's ministry The incorporation of these writings combined with Bates's own conversations with Rice's family facilitate a deeply detailed engaging examination that fills a significant gap in fundamentalist history studies *Mainstreaming Fundamentalism* John R Rice and *Fundamentalism's Public Reemergence* provides a nuanced and insightful study that will serve as a helpful resource to scholars and students of postwar American fundamentalism Southern fundamentalism and Rice's contemporaries

That's My Crowd! Shelton L. Smith, 2004 In the religious climate of today it is important to know what God says our crowd should be Through the use of well over two hundred passages of scripture Dr Shelton Smith defines the fundamental crowd for us Evaluating our crowd by the standard of the Word of God may sometimes cost us some friends and they may accuse us of abandoning them But our separation from them will not be because the Bible has changed It will be because they have hoisted anchor and drifted with the winds Make sure you are sailing in safe waters with the right crowd

Rise of Baptist Republicanism Oran P. Smith, 2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision

At Home and Abroad Elizabeth Shakman Hurd, Winnifred Fallers Sullivan, 2021-03-02 From right to left notions of religion and religious freedom are fundamental to how many Americans have understood their country and themselves Ideas of religion politics and the interplay between them are no less crucial to how the United States has engaged with the world beyond its borders Yet scholarship on American religion tends to bracket

the domestic and foreign despite the fact that assumptions about the differences between ourselves and others deeply shape American religious categories and identities At Home and Abroad bridges the divide in the study of American religion law and politics between domestic and international bringing together diverse and distinguished authors from religious studies law American studies sociology history and political science to explore interrelations across conceptual and political boundaries They bring into sharp focus the ideas people and institutions that provide links between domestic and foreign religious politics and policies Contributors break down the categories of domestic and foreign and inquire into how these taxonomies are related to other axes of discrimination asking questions such as What and who counts as home or abroad how and by whom are these determinations made and with what consequences Offering a new approach to theorizing the politics of religion in the context of the American nation state At Home and Abroad also interrogates American religious exceptionalism and illuminates imperial dynamics beyond the United States

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast

to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

God's Own Party Daniel K. Williams, 2012-07-12 In *God's Own Party* Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation [Vital Issues in the Inerrancy Debate](#) F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for *Vital Issues in Inerrancy* Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever

Politics and Religion in the White South Glenn Feldman, 2005-09-30 *Politics and Religion in the White South* examines the powerful ways in which religious considerations have shaped American political discourse Since the inception of the Republic politics have remained a subject of lively discussion and debate Although based on secular ideals American government and politics have often been peppered with Christian influences Especially in the mostly Protestant South religion and politics have been nearly inextricable This collection of thirteen essays from prominent historians and political scientists including Mark K Bauman Charles S Bullock III Natalie M Davis Andrew M Manis Mark J Rozell and Clyde Wilcox explores the intersection of religion politics race relations and Southern culture from post Civil War America to the present when the religious right has begun to exercise a profound influence on the course of American politics

Southern Baptist Politics Arthur Emery Farnsley, II, 2010-11 Unlike other recent studies of the Southern Baptists *Southern Baptist Politics* was written after the culmination of the Baptist battles of the 1980s when Fundamentalists had effectively taken control of the denomination It also considers the SBC not simply as a denomination but as an organization with

characteristics similar to other voluntary associations in American society an approach that promises to be useful for the study of other religious groups in America Arthur Farnsley concludes that the SBC as an American denomination had within itself the seeds of pragmatism and individualism that characterize most American voluntary organizations Of primary interest to Farnsley are the crucial issues of authority and power Taking his cue from Paul Harrison s classic study *Authority and Power in the Free Church Tradition* Farnsley considers how authority has traditionally been exercised within the SBC and how Fundamentalists maneuvered within this existing authority structure to seize power According to Farnsley disgruntled Fundamentalists soon discovered that they could exploit the democratic elements within the SBC polity to their advantage So successful were they in their efforts that by 1990 all significant leadership positions within the denomination were filled by Fundamentalists thus enabling them to take and hold institutional power The lessons of *Southern Baptist Politics* extend beyond this one denomination By using the Southern Baptists as a case study Farnsley asks what the SBC controversy can tell us about religious organizations in America about dealing with cultural pluralism and about institutional means for creating change
