Scale Of Imprisonment:

The Scale of Imprisonment Franklin E. Zimring, Gordon J. Hawkins, Gordon Hawkins, 1993-09 Two of the nation's foremost criminal justice scholars present a comprehensive assessment of the factors behind the growth and subsequent overcrowding of American prisons By critiquing the existing scholarship on prison scale from sociology and history to correctional forecasting and economics they both reveal that explicit policy changes have had little influence on the increases in imprisonment in recent years and analyze whether it is possible to place limits effectively on prison population The Scale of Imprisonment has an exceptionally well designed literature review of interest to public policy criminal justice and public law scholars Its careful review analysis and critique of research is stimulating and inventive American Political Science Review The authors frame our thoughts about the soaring use of imprisonment and stimulate our thinking about the best way we as criminologists can conduct rational analysis and provide meaningful advice Susan Guarino Ghezzi Journal of Quantitative Criminology Zimring and Hawkins bring a long tradition of excellent criminological scholarship to the seemingly intractable problems of prisons prison overcrowding and the need for alternative forms of punishment J C Watkins Jr Choice Mass Imprisonment David Garland, 2001-05-18 This major new volume of papers by leading criminologists sociologists and historians sets out what is known about the political and penological causes of the phenomenon of mass imprisonment Mass imprisonment American style involves the penal segregation of large numbers of the poor and minorities Imprisonment has become a central institution for the social control of the urban poor Other countries are now looking to the USA to see what should be learned from this massive and controversial social experiment This book describes mass imprisonment's impact upon crime upon the minority communities most affected upon social policy and more broadly upon national culture This is a book that all penologists and poli **Controlling Crime** Philip J. Cook, Jens Ludwig, Justin McCrary, 2011-08-22 Criminal justice expenditures have more than doubled since the 1980s dramatically increasing costs to the public With state and local revenue shortfalls resulting from the recent recession the question of whether crime control can be accomplished either with fewer resources or by investing those resources in areas other than the criminal justice system is all the more relevant Controlling Crime considers alternative ways to reduce crime that do not sacrifice public safety Among the topics considered here are criminal justice system reform social policy and government policies affecting alcohol abuse drugs and private crime prevention Particular attention is paid to the respective roles of both the private sector and government agencies Through a broad conceptual framework and a careful review of the relevant literature this volume provides insight into the important trends and patterns of some of the interventions that may be effective in reducing crime *Imprisonment Worldwide* Andrew Coyle, Helen Fair, Jessica Jacobson, Roy Walmsley, 2016-06-29 Providing a comprehensive account of prison populations worldwide this new work links prison statistics from the last 15 years with considerations of how prisons and prison populations are managed It is a major contribution to the knowledge of those currently debating prisons and the use
