Everything You Always Wanted to Know About God (but were afraid to ask) Eric Metaxas,2009-01-21 Who doesn t have questions about God But where in the world can you go to get answers Eric Metaxas has been there so he gets it Which is why he s written this shockingly down to earth book on the big questions everyone asks but not always out loud Totally conversational and sometimes flat out hilarious this book asks How can a good God create a world that has evil and suffering Is God anti sex Doesn t science make God obsolete What s the real story on miracles If God is everywhere why go to church Don t we already have God within us Isn t God too busy running the universe to care about the details of my day These questions and many more get no nonsense answers that don t hide behind dull theological language So get the lowdown and more than a few laughs on what are probably the most important questions anyone has

Becoming Disabled Jan Doolittle Wilson,2021-06-28 Using an autoethnographic approach as well as multiple first person accounts from disabled writers artists and scholars Jan Doolittle Wilson describes how becoming disabled is to forge a new consciousness and a radically new way of viewing the world In **Becoming Disabled** Wilson examines disability in ways that challenge dominant discourses and systems that shape and reproduce disability stigma and discrimination It is to create alternative meanings that understand disability as a valuable human variation that embrace human interdependency and that recognize the necessity of social supports for individual flourishing and happiness From her own disability view of the world Wilson critiques the disabling impact of language media medical practices educational systems neoliberalism mothering ideals and other systemic barriers And she offers a powerful vision of a society in which all forms of human diversity are included and celebrated and one in which we are better able to care for ourselves and each other

In Memory of the Grumpy Old Man B. Michael Moro,2012 The Grumpy Old Man is in a sense a very real person There comes a point in time when one gets tired of hearing people going off half cock about issues they didn t take the time to research nor put any intelligent thought into them What the Grumpy Old Man is about is conveying a sensible point of view about the local national and world issues that mostly everyone seems so concerned about In a sense it is a common sense look at history and why the world is the way it is and what it would take to change it for the better

An Inconvenient Book Glenn Beck, 2007-11-20 Glenn Beck the New York Times bestselling author of The Great Reset tackles some of our country's biggest problems in this funny outrageous and entertaining book Glenn Beck believes that the reason why some of our biggest problems never seem to get fixed is simple the solutions just aren't very convenient And as the host of a nationally syndicated radio show and a prime time television show on CNN Headline News Glenn Beck doesn't care much about convenience he cares about common sense Take the issue of poverty for example Over the last forty years America's poorest cities all had one simple thing in common but politicians will never reveal what that is or explain how easy it would be to change Global warming is another issue that is rife with lies and distortion How many times have we heard that carbon dioxide is responsible for huge natural disasters that have killed millions of people The truth is it's actually the other way around as CO2 has increased deaths from extreme weather have decreased But that would never be shown in an Al Gore slide show Combining honesty with a biting sense of humor An Inconvenient Book contains hundreds of these why have I never heard that before types of facts that will leave readers wondering how political correctness special interests and outright stupidity have gotten us so far away from the common sense solutions this country was built on
