## **Scarlet And The Beast A History Of The War Between English And French Freemasonry:**

Scarlet and the Beast I John Daniel, 2018-09-21 My research has revealed that there are two separate and opposing powers in Freemasonry One headquartered in London subscribes to and promotes an idolatrous and pantheistic view of the world It is monarchist capitalistic wealthy right wing The other in Paris is atheistic and humanistic in origin and outlook It is republican socialist poor left wing One is Scarlet The other the Beast The breakthrough theory which I have developed with Scripture as my guide makes sense of the massive literature I have collected on Freemasonry as well as its apparent contradictions My library includes books written by members of and defectors from both English and French Freemasonry At the beginning of my research like many other revisionist authors I thought revisionist authors were reporting one single plot I gradually realized that many authors were exposing what in reality were often the machinations of one group of conspirators against the other The devices of both wings of Masonry were so similar that without Scripture as a guide one could easily perceive only a single intrigue This interesting twist in the historical drama confirmed again and again by my research points to the existence of a struggle between the two powers in Freemasonry Although revisionist authors are supposedly concerned about one plot I noticed that all exposes pointed to Paris as the center of an intrigue before World War I After the War however evidence points to the shift of intrigue to London I will explain this shift in the course of this book

Eliopoulos, 2010 Constantine Versus the Bankers is the epic of what went wrong and still goes wrong in a seemingly Christian setting In spite of setbacks it examines what is yet to be accomplished toward Peace in this world There is nevertheless a de facto kind of oneness in politics religion education and public ethos albeit as four distinctly separate Estates and not always in harmony This results at times in human failure and more often in pernicious conspiracies at work Constantine still is maligned from contemporary world leaders to historians while Christians still are selectively being killed with evermore imaginative cunning Consider the sources vilifying Christianity they are the same agencies hunting down the Holy Apostles on their Mission with the same combination of Murky Forces and modern internationalist adepts While considered a sacred cow the Bankers of all grades are popularly held on the highest pedestal and glorified as saviors greater than God As matters today stand the only solutions to cultural political social economic and educational impasses come through going deeper into private national and international debt sinking down into the cavernous jaws of the interest bearing Vipers To believe in an irreversibly coming doom is to question whether there is a God or not      **The Ruling Elite** Deanna Spingola, 2012 The U S government complicit with the well connected corporations since the so called Civil War continues to wage war and destruction Lincoln s revolutionary war supported by Marx and Engels caused at least 618 222 and perhaps as many as 700 000 deaths including about 50 000

Confederate civilians Soldiers who were fighting dying and killing during that war were in training for future wars If Americans could kill fellow citizens then they would use force against foreign citizens in behalf of the government That war foreshadowed the devastating global warfare that followed with the Spanish American War two World Wars Korea Vietnam the First Gulf War and the current wars in the Middle East They do not include the bombings in the Baltic and elsewhere or the CIA s covert warfare wherein millions of people died In the First World War soldiers killed 9 911 000 people in action and wounded 21 219 500 people while 7 750 000 people were missing in action for a total of 38 880 500 In the Second World War there were over 24 000 000 military deaths and 49 000 000 civilian deaths totaling 73 000 000 deaths not including the number of wounded or missing That is 82 911 000 deaths in two world wars The real question is WHY **The**

describes how Syndicate driven 21st century events from the War on Terror to Covid have brought the Western financial system to the brink of collapse and shifted power from the West to the East and China In this first impartial attempt to assemble all the evidence to date for the origin of Covid like fitting together available pieces of a jigsaw to reveal the main picture Hagger the first to discover the Cultural Revolution in China in March 1966 finds that the three main features of Covid 19 were man made by American NIAID funded medics in 2002 and patented 73 times since 2008 and seem to have been surreptitiously used as a bio weapon in a Syndicate plan to limit the rise of China and its expanding trade A dangerous new Biological Age has been born and the West faces being levelled down and a sudden fall Hagger sees the post Covid West s dream of creating a good New World Order a vaccine protected democratic presidential part federal world government and World State with sufficient authority to abolish war and solve the world s post Covid problems as being challenged by the self interested Syndicate s levelling down and to survive it first has to go along with the Syndicate s plan for West and East to draw together into an authoritarian world government involving China and democratise later This is a thought provoking work with a prophetic vision of the future     Saviors Robert Wahler,2009-12-29 For nearly two thousand years a man called Jesus Christ has dominated the religious landscape of the Western World Now with the discovery of a corpus of ancient manuscripts from the desert sands of the Middle East and a fresh look at the New Testament Gospels a new understanding of his rightful place in history and that of his remarkable family has emerged In his own words Jesus tells us his was a ministry limited in time and place to those who could see him and hear him a ministry of personal non sacrificial mystic salvation meant only for those alive when he was the salvation of others being the responsibility of others like him In words of undeniable clarity Jesus indicates he wasn t alone in coming here as Savior His cousin John the Baptist and his brother James the Just are shown to be Masters of the Highest Order predecessor and successor respectively to Jesus Amazingly possible evidence for two more brothers of like stature is revealed Newly discovered ancient manuscripts recovered from caves on the Dead Sea at Qumran and from the desert sands at Nag Hammadi near the Nile River lend an authority and authenticity unrivaled by even the Bible itself in support of this new view of Messianism The heart and soul of Christianity itself comes up for a full and honest examination when the self proclaimed thirteenth apostle of Christ Paul is conclusively shown almost unbelievably by Jesus himself to be the perpetrator of the greatest fraud in the history of mankind the false doctrine of universal sacrificial atonement through the shed blood of Jesus Christ All this is aided and abetted by a centuries long history of scribal and ecclesiastical corruption both intentional and unintentional It is time now for the world community to acknowledge this demonstrable certainty and harmonize the religious history of the Middle East with that of the Far East
