**Reading Asian American Literature** Sau-ling Cynthia Wong, 1993-07-12 A recent explosion of publishing activity by a wide range of talented writers has placed Asian American literature in the limelight As the field of Asian American literary studies gains increasing recognition however questions of misreading and appropriation inevitably arise How is the growing body of Asian American works to be read What holds them together to constitute a tradition What distinguishes this tradition from the mainstream canon and other minority literatures In the first comprehensive book on Asian American literature since Elaine Kim's ground

breaking 1982 volume Sau ling Wong addresses these issues and explores their implications for the multiculturalist agenda Wong does so by establishing the intertextuality of Asian American literature through the study of four motifs food and eating the Doppelgänger figure mobility and play in their multiple sociohistorical contexts Occurring across ethnic subgroup gender class generational and historical boundaries these motifs resonate with each other in distinctly Asian American patterns that universalistic theories cannot uncover Two rhetorical figures from Maxine Hong Kingston's *The Woman Warrior* Necessity and Extravagance further unify this original wide ranging investigation Authors studied include Carlos Bulosan Frank Chin Ashley Sheun Dunn David Henry Hwang Lonny Kaneko Maxine Hong Kingston Joy Kogawa David Wong Louie Darrell Lum Wing Tek Lum Toshio Mori Bharati Mukherjee Fae Myenne Ng Bienvenido Santos Monica Sone Amy Tan Yoshiko Uchida Shawn Wong Hisaye Yamamoto and Wakako Yamauchi

**Asia in Western Fiction** Robin W. Winks, James R. Rush, James Robert Rush, 1990 Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies the *Studies in Imperialism* series seeks to develop the new socio cultural approach which has emerged through cross disciplinary work on popular culture media studies art history the study of education and religion sports history and children's literature The cultural emphasis embraces studies of migration and race while the older political and constitutional economic and military concerns are never far away It incorporates comparative work on European and American empire building with the chronological focus primarily though not exclusively on the 19th and 20th centuries when these cultural exchanges were most powerfully at work

**Uncle Rico's Encore** Peter Bacho, 2022-05-03 A love note to the city and its once vibrant Pinoy community From the 1950s through the 1970s blue collar Filipino Americans or Pinoy lived a hardscrabble existence Immigrant parents endured blatant racism sporadic violence and poverty while their US born children faced more subtle forms of racism such as the low expectations of teachers and counselors in the public school system In this collection of autobiographical essays acclaimed novelist and short story writer Peter Bacho centers the experiences of the Pinoy generation that grew up in Seattle's multiethnic neighborhoods from the Central Area to Beacon Hill to Rainier Valley He recounts intimate moments of everyday life fishing with marshmallows at Madison Beach playing bruising games of basketball at Madrona Park and celebrating with his uncles in Chinatown as hundreds of workers returned from Alaska canneries in the fall He also relates vivid stories of defiance and activism including resistance to the union busting efforts of the federal government in the 1950s and organizing for decent housing and services for elders in the 1970s Sharing a life inextricably connected to his community and the generation that came before him this memoir is a tribute to Filipino Seattle

**Five Faces of Exile** Augusto Fauni Espiritu, 2005 *Five Faces of Exile* is the first transnational history of Asian American intellectuals Espiritu explores five Filipino American writers whose travels literary works and political reflections transcend the boundaries of nations and the categories of Asia and America

Ling, Allan W. Austin, 2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set [A Study Guide for Bienvenido Santos's "Immigration Blues"](#) Gale, Cengage Learning, A Study Guide for Bienvenido Santos's Immigration Blues excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs *The Columbia Guide to Asian American Literature Since 1945* Guiyou Huang, 2006-08-08 The Columbia Guide to Asian American Literature Since 1945 **An Interethnic Companion to Asian American Literature** King-Kok Cheung, 1997 A survey of Asian American literature *Filipino Americans* Maria P. P. Root, 1997-05-20 Maria P P Root's new edited volume on Filipino American makes an outstanding contribution in terms of exploring the socio economic integration and the transformation of ethnic identities among one of the largest fastest growing but least studied Asian American groups in the United States Filipinos One unique area covered by this book is its thoughtful reflection on the impacts of colonization on Filipino literature and the articulation of Filipino identities The book provides an unusual breadth of information on Filipino lives in the U S A I found this book very valuable as an introductory text in an undergraduate curriculum on Asian American studies and in racial and ethnic studies The power of the book lies in its ability to render problematic the stereotypes of Asian Americans and to question the preconceived categories of race culture and ethnicity The book's discussion and reflection on identities is provocative and accessible to students Journal of Ethnic and Migration Studies Maria P P Root succeeds where many ethnic specific anthologies fail focusing on the issue of a people's identity while avoiding boxing them in What is refreshing about this volume is not only the variety of perspectives but the different styles Root and the contributors succeed in living up to the hope stated in the book's introduction that these pages will offer challenging questions some refreshing analysis and new paradigms for interpreting the Filipino American experience Pacific Reader Typically when Asian Americans are discussed in the media the reference is to people of Chinese or Japanese descent However the largest Asian American ethnic group is Filipino a group about which little is known or written even though Filipinos have a long standing history with the United States through colonization that affects how this group is viewed and views themselves Aimed at rectifying this information

dearth this volume presents the first interdisciplinary analysis of who Filipinos are and what it means to be a Filipino American With contributions from historians social workers community leaders ethnic studies scholars sociologists educators health care workers political scientists and psychologists this book addresses such issues as ethnic identity the impact of different colonizations on ethnic identity personal and family relationships mental health race and racism In addition the sociopolitical context is examined in each social issues chapter to make the volume more useful as a foundational tool for hypothesis generation empirical research policy analysis and planning and literature review This book offers readers a rich and varied portrait of our largest Asian American ethnic group
