Security for All and Free Enterprise Henry I. Wachtel, Josef Popper-Lynkeus, 1955 **Hearings** United States. Congress. House. Committee on Armed Services, 1951 **Hearings** United States. Congress. House, 1950 Strengthening Pension Security for All Americans United States. Congress. House. Committee on Education and the Workforce, 2004 Free Enterprise Lawrence B. Glickman, 2019-08-20 An incisive look at the intellectual and cultural history of free enterprise and its influence on American politics Throughout the twentieth century free enterprise has been a contested keyword in American politics and the cornerstone of a conservative philosophy that seeks to limit government involvement into economic matters Lawrence B Glickman shows how the idea first gained traction in American discourse and was championed by opponents of the New Deal Those politicians believing free enterprise to be a fundamental American value held it up as an antidote to a liberalism that they maintained would lead toward totalitarian statism Tracing the use of the concept of free enterprise Glickman shows how it has both constrained and transformed political dialogue He presents a fascinating look into the complex history and marketing of an idea that forms the linchpin of the contemporary opposition to government regulation taxation and programs such as Medicare **Synthetic Rubber** United States. Congress. House. Committee on Armed Services, 1950 Committee Serial No 171 Reviews principal issues and problems relating to the production and consumption of synthetic rubber as they affect national security Mutual Security Program United States. Congress. House. Committee on Foreign Affairs, 1980 Mutual Security Program: Mutual Security Act of 1954, Mutual Security Act of 1955 United States. Congress. House. Committee on Foreign Affairs, 1980 Full Employment Act of 1945, Hearings Before a Subcommittee of ..., 79-1 on S.380 ..., July 30 ... September 1, 1945 United States. Congress. Senate. Committee on Banking and Currency, 1945 **For All These Rights** Jennifer Klein, 2010-01-02 The New Deal placed security at the center of American political and economic life by establishing an explicit partnership between the state economy and citizens In America unlike anywhere else in the world most people depend overwhelmingly on private health insurance and employee benefits The astounding rise of this phenomenon from before World War II however has been largely overlooked In this powerful history of the American reliance on employment based benefits Jennifer Klein examines the interwoven politics of social provision and labor relations from the 1910s to the 1960s Through a narrative that connects the commercial life insurance industry the politics of Social Security organized labor s quest for economic security and the evolution of modern health insurance she shows how the firm centered welfare system emerged Moreover the imperatives of industrial relations Klein argues shaped public and private social security Looking closely at unions and communities Klein uncovers the wide range of alternative community based health plans that had begun to germinate in the 1930s and 1940s but that eventually succumbed to commercial health insurance and pensions She also illuminates the contests to define security job security health security and old age security following World War II For All These Rights traces the fate of the

New Deal emphasis on social entitlement as the private sector competed with and emulated Roosevelt's Social Security program Through the story of struggles over health security and old age security social rights and the welfare state it traces the fate of New Deal liberalism as a set of ideas about the state security and labor rights in the 1950s the 1960s and beyond
