## See Yourself Doing It:

**Aladdin & company. See yourself doing it. "As a man thinketh." The law of supply** Robert Collier,1925     Do You See What I See? Seeing Yourself Through the Eyes of God Kathy Parson,2009-03-26 Do you see what I see is a book designed to reveal the principles of Godly wisdom needed to establish maintain and guard our self esteem We are made in the image of God so male or female we are beautiful inside and out The word of God say s in Psalm 50 2 From Zion perfect in beauty God shines forth KJV This is a classic description of self esteem established from biblical principles This does not come from a manual of intellectual rules The book speaks to readers about our mind our heart the principles and the foundation on which we build our self esteem The book also explains the difference between authentic and camouflaged self esteem men who suffer from low self esteem and walking in the beauty of godly self esteem Believe it or not there are women in the Body of Christ who are suffering from low self esteem They come to church Sunday after Sunday dressed up flawless make up hair flowing or stacked and inside they have no idea who they really are because there is so much pain and torment The outward appearance is dressed up to hide what is on the inside But the devil is a liar what is outside should just be an enhancement of the beauty that is on the inside of them The two must link up the inside and outside have to connect in order to walk in the truth of God given self esteem Self esteem is the inner strength confidence and beauty that we possess as human beings It is not arrogant or haughty it is powerful The enemy wants to take this from you The bible says the thief comes to steal kill and destroy John 10 10 The enemy hates God s children and the self esteem that reflects the glory of Jesus Christ blinds him from seeing and getting a shot to destroy it The building up of self esteem starts in the mind When a woman looks into the mirror if she likes what she sees then her thoughts register and it is displayed outwardly If she doesn t like what she sees she first analyzes if it is something she can quickly fix such as a small flaw Anything beyond her immediate control causes her to develop a complex which begins to develop in her subconscious mind and travels to her heart This is the plan of the enemy leading to the destruction of her self esteem The enemy seeks to devour our self esteem His mission is to attack us with low self esteem in order to entangle us and hold us captive He plays tricks with our minds to try to make us believe his lies It is imperative that we do not come into agreement with him Our mind and our thoughts must be subject to the Lord Jesus Christ We have the power to command every thought that comes in our mind to be subject to Jesus Christ We have to guard our hearts God tells us in His word to guard our hearts for out of it springs the issues of life Proverbs 4 23 In other words it is what is in our hearts that show people who we really are This is why we must be hidden in Christ our place of refuge He will keep us in His care so that who He say s we are will reflect to those who see us As long as we walk this earth we will have enemies King David was a giant killer He defeated his enemies because the confidence inside of him came from God The more confident we become the more the enemy will try to destroy our self esteem However we already have power over him and his tactics so there is no need to fear him In order to be all that God has created us to be we must build our self esteem

on His foundation it is a sure and eternal foundation Self Esteem established by God is authentic There used to be a saying Is it live or is it Memorex Is the sound of what we hear live real is it recorded or is it someone else s voice Camouflaged self esteem is derived from someone else s voice Authentic self esteem is eccentric Its beauty is exuberant The principles of godly self esteem are not gender specific God created men in His image and beauty so that same truth applies to men Head Over Meals Lee Betchley,2008 **How Aliens Do It** Judith Shimkus,2009 Freedom From Failure Jaqueline Lapa Sussman,2025-09-23 Many of us see closed doors between our goals and our present lives Here for the first time are the keys to unlock those doors in business romantic and family relationships and even athletics Those keys the secret primary Images known as Eidetics that we all hold inside are when used correctly a force to heal and enhance our natural abilities enabling the true self to flourish and succeed Encoded in the brain but often obscured by negative experiences and unrealistic social expectations these primary images are the positive forces that propel successful people into self confidence action and pleasure Here in easy to use prescriptions and visualization exercises acclaimed Eidetic Imagery counselor Jaqueline Lapa Sussman will help you find the gifts from the gods within yourself Whether you wish to enhance your leadership skills love relationships parenting skills or sports performance these techniques are sure to develop your potential and free you for success At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
