

A black and white photograph of a wooden ladder leaning against a wall. The ladder is made of rough-hewn wood and has several rungs. It is positioned diagonally across the frame, with the top of the ladder near the top center and the bottom near the bottom left. The background is a plain, light-colored wall. The overall mood is contemplative and symbolic, representing the journey of seeking God.

If you seek God, you will
see Him. If you do not seek
God, you will still see Him.

Seek To See Him:

Seek to See Him April DeConick, 2015-12-22 This monograph represents a critical juncture in Thomas studies since it dispels the belief that the Gospel of Thomas originates from gnostic traditions Rather Jewish mystical and Hermetic origins are proposed and examined Following this analysis the anthropogony and soteriology of Thomas are discussed The Thomasites taught that they were the elect children of the Father originating from the Light The human however became unworthy of these luminous beginnings and was separated from the divine when Adam sinned Now he must purify himself by leading an encratite lifestyle He is to ascend into heaven seeking a visio dei which will transform him into his original immortal state and grant him citizenship in the Kingdom

Advocate of Moral Reform and Family Guardian ,1853 Truly & Falsely Jesus Saleh Ali,2023-03-06 Jesus Christ is a unique being because of his miraculous birth his ascension and the Second Coming Therefore significant disputes have emerged regarding his reality and mission The Bible itself contains two opposing images of Jesus their parts have been scattered into the chapters of the books of the New Testament Certainly these two opposing images of Jesus cannot of course both be concurrently authentic at the same time But one must be for Truly Jesus and the other one is for Falsely Jesus The two contradictory images of Jesus in the Bible as well as the disputes regarding his reality and his interrelation to salvation as a savior will remain until his Second Coming Then Truly Jesus is manifested to the man of that time and the Falsely will be destroyed But what about a person today Is he aware of the two images of Jesus the true image and the false one that are scattered in the Bible Does he not feel the necessity of exploring Jesus who in his heart whether he is the true one or the false Certainly whoever has based his faith in Jesus on clear and conclusive evidence is rightly guided or else he is in plain error This book is a new analytical study where it assembles all the scattered parts of each of the two contradictory images of Jesus in the Bible highlights them as two complete images examines them explores their differences and how did Falsely Jesus appear and why Also this book presents to those who believe in the Hereafter the proofs of the only one true formula of salvation and to those who do not believe the proofs of the necessity of an afterlife The hope with this book is to offer the clarity of intention and the ability to distinguish between the two readings of Jesus as presented in this book *A Hebrew and English Lexicon of the Old Testament* Wilhelm Gesenius,1894 **The Bhagavad Gita According to Gandhi** Mahatma Gandhi,2010-06-15 Regarded in India as one of the most important books of the 20th century Gandhi s commentary on this classic Hindu text addresses the issues he felt most directly affected the spiritual lives of common people The Bhagavad Gita also called The Song of the Lord is a 700 line section of a much longer Sanskrit war epic the Mahabharata about the legendary conflict between two branches of an Indian ruling family Framed as a conversation between Krishna an incarnation of the god Vishnu and a general of one of the armies the Gita is written in powerful poetic language meant to be chanted Equally treasured as a guide to action a devotional scripture a philosophical text and inspirational reading it remains one of the world s most influential widely read spiritual books The Bhagavad Gita According to Gandhi is based on talks given by Gandhi between February and November 1926 at the Satyagraha Ashram in Ahmedabad India During this time a period when Gandhi had withdrawn from mass political activity he devoted much of his time and energy to translating the Gita from Sanskrit into his native Gujarati As a result he met with his followers almost daily after morning prayer sessions to discuss the Gita s contents and meaning as it unfolded before him This book is the transcription of those daily sessions **The Sufi Path of Love** ?al?l al-D?n R?m?,Jal?l al-D?n R?m? (Maulana),?al?l-ad-D?n R?m?,William C. Chittick,1983-01-01 This is the most accessible work in English on the greatest mystical poet of Islam providing a survey of the basic Sufi and Islamic

doctrines concerning God and the world the role of man in the cosmos the need for religion man's ultimate becoming the states and stations of the mystical ascent to God and the means whereby literature employs symbols to express unseen realities William Chittick translates into English for the first time certain aspects of Rumi's work He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion yet in his own words Thorough nontechnical introductions to each chapter and selections that gradually present a greater variety of terms and images make this work easily accessible to those interested in the spirituality of any tradition *A Briefe Concordance, Or Table to the Bible ...
