Finder, 2016-10-05 Volume XXIX of Studies in Contemporary Jewry takes its title from a joke by Groucho Marx I don t want to belong to any club that will accept me as a member The line encapsulates one of the most important characteristics of Jewish humor the desire to buffer oneself from potentially unsafe or awkward situations and thus to achieve social and emotional freedom By studying the history and development of Jewish humor the essays in this volume not only provide nuanced accounts of how Jewish humor can be described but also make a case for the importance of humor in studying any culture A recent survey showed that about four in ten American Jews felt that having a good sense of humor was an essential part of what being Jewish means to them on a par with or exceeding caring for Israel observing Jewish law and eating traditional foods As these essays show Jewish humor has served many functions as a form of insider speech It has been used to ridicule to unite people in the face of their enemies to challenge authority to deride politics and politicians in America to ridicule conspicuous consumption in Israel to contrast expectations of political normalcy and bitter reality However much of contemporary Jewish humor is designed not only or even primarily as insider speech Rather it rewards all those who get the punch line A Club of Their Own moves beyond general theorizing about the nature of Jewish humor by serving a smorgasbord of finely grained historically situated and contextualized interdisciplinary studies of humor and its consumption in Jewish life in the modern world 100
