Selected English Writings of Yone Noguchi: Prose Yoné Noguchi,1990 Selected English Writings Yone Noguchi,1992 **Selected English Writings of Yone Noguchi** Yone Noguchi,Yoshinobu Hakutani,1992-09-01 For information on similar titles please visit www.lexingtonbooks.com **Selected English Writings of Yone Noguchi** Yoné Noguchi,1992 A collection of about a third of Japanese transcultural poet and critic Yone Noguchi's works in English between 1896 and 1940 focusing on the poetry the young immigrant wrote while living in the Sierra Mountains before the turn of the century and also poems he wrote in Japan in the early part of the twentieth century Modernity in East-West Literary Criticism Yoshinobu Hakutani,2001 This collection of eleven essays concerns the movement of modernity in East West literary criticism Most of the contributions address particular cross cultural relationships such as W B Yeats's interest in the noh play Ezra Pound's imagism and the influence of Zen aesthetics on Western poetry The Western writers discussed range from Americans including Emerson Thoreau Faulkner Wright and Snyder to Europeans such as Marcel Proust The Eastern writers include Basho Tanizaki Lao Tzu Wan Wei Tagore and Yone Noguchi *East-West Literary Imagination* Yoshinobu Hakutani,2017-06-30 This study traces the shaping presence of cultural interactions arguing that American literature has become a hybridization of Eastern and Western literary traditions Cultural exchanges between the East and West began in the early decades of the nineteenth century as American transcendentalists explored Eastern philosophies and arts Hakutani examines this influence through the works of Emerson Thoreau and Whitman He further demonstrates the East West exchange through discussions of the interactions by modernists such as Yone Noguchi Yeats Pound Camus and Kerouac Finally he argues that African American literature represented by Richard Wright Ralph Ellison Alice Walker Toni Morrison and James Emanuel is postmodern Their works exhibit their concerted efforts to abolish marginality and extend referentiality exemplifying the postmodern East West crossroads of cultures A fuller understanding of their work is gained by situating them within this cultural conversation The writings of Wright for example take on their full significance only when they are read not as part of a national literature but as an index to an evolving literature of cultural exchanges The Chinese May Fourth Generation and the Irish Literary Revival: Writers and Fighters Simone O'Malley-Sutton,2023-10-06 This book examines how the early twentieth century Irish Renaissance Irish Literary Revival inspired the Chinese Renaissance the May Fourth generation of writers to make agentic choices and translingual exchanges It sheds a new light on May Fourth and on the Irish Renaissance by establishing that the Irish Literary Revival 1900 1922 provided an alternative decolonizing model of resistance for the Chinese Renaissance to that provided by the western imperial center The book also argues that Chinese May Fourth intellectuals translated Irish Revivalist plays by W B Yeats Lady Gregory Se n O Casey and Synge and that Chinese peasants performed these plays throughout China during the 1920s and 1930s as a form of anti imperial resistance Yet this literary exchange was not simply going one way since Yeats Lady Gregory Synge and O Casey were also influenced

by Chinese developments in literature and politics Therefore this was a reciprocal encounter based on the circulation of Anti colonial ideals and mutual transformation

The virtual realities that works of literary and visual art provide us are loosely the concern of these essays Working methods are touched upon in some as in my interviews with William Anastasi and Robert Kipniss The intentionality of the artist however is never my concern nor should it be of interest to the reader the intentions cannot necessarily be derived from the work as the New Critics reminded us long ago Rather to see and feel how the text or work of visual functions is our pleasant task So we do not ask why a dead end question How is the question that can lead to infinitely more rewarding discoveries
