Sinful Safari:

A Sinful Safari Michael Kilian, 2015-09-29 Journey from Jazz Age New York to Kenya with a novel by an author who successfully combines the genre of historical novel and murder mystery Booklist It's a beautiful day in Greenwich Village and business is booming for art dealer Bedford Green The former gossip owes it all to his invaluable assistant Sloane who then goes and spoils the fun by announcing that she's leaving on safari Sloane is a Midwestern girl and has never laid eyes on any animal more exotic than a housecat but she can't resist her uncle's invitation to visit Kenya to hobnob with everyone from the department store king of Chicago to the Prince of Wales Green thinks it sounds dreadfully dangerous which means he has no choice but to go with her The safari is cut short however when Sloane's aunt is found dead in the arms of a married man and her uncle is arrested for murder Freeing him will take every ounce of Green's charm A Sinful Safari is the third book in the Bedford Green Mysteries but you may enjoy reading the series in any order **A Sinful Seduction** Elizabeth

returns to the courtyard the victim has died It s just another day in the French Quarter He should have known better than to get involved Derain s act of naked courage lands him in the middle of the police investigation which turns out to be much bigger than this onetime fashion photographer can handle With nothing but a zoom lens and charm to spare Derain will learn that in the Crescent City corruption runs as deep and muddy as the river itself *Bad Girl Blues* is the 1st book in the Andy Derain Mysteries but you may enjoy reading the series in any order **The Weeping Woman** Michael Kilian,2015-09-29 First in the historical mystery series featuring a sophisticated sleuth in Jazz Age Greenwich Village Everyone who s anyone in 1920s New York knows Bedford Green Once a merciless gossip columnist he has given up the life of sleaze and secrets and decamped for the Village to open a gritty little art gallery showcasing the most shocking European artists imaginable The gallery is a money pit and Green is in debt to some of the roughest loan sharks south of 14th Street but that doesn t stop him from looking fabulous or having a good time He s happy hanging around Manhattan society at least until his assistant starts to cry Sloane is a modern woman a flapper with a razor sharp bob and a bulletproof heart but she s convinced that her friend Polly Swanscott is in danger From the speakeasies of the Village to the finest cafes in Paris Green will do his best to save Polly and he ll do it with a cocktail in hand *The Weeping Woman* is the first book in the Bedford Green Mysteries but you may enjoy reading the series in any order *The Big Score* Michael Kilian,2015-08-25 A billionaire s commission draws an architect into a conspiracy of sex lies and murder The ship is dead in the water Its lines are tangled and its sails are slack as it drifts toward the rocky coast A fisherman spies the vessel and steps aboard expecting it to be deserted But there is 1 passenger a lovely young woman with a rolled up painting in her hand and 2 bullets in her chest Across Lake Michigan Matthias Curland returns to Chicago for the 1st time since he gave up architecture to devote himself to fine art After emptying his bank accounts for the pursuit of painting he s shocked to find that his once affluent family is also destitute and their famed architecture firm is on the verge of bankruptcy When the Curland name is linked to the dead woman s painting Matthias finds himself facing off against a power mad billionaire who could bring Chicago to its knees *Blood of the Czars* Michael Kilian,2015-08-25 An actress infiltrates the Soviet Union to avenge the death of an ancestor When the Russian Revolution came to Saint Petersburg Princess Irina went into hiding A stunningly beautiful ballerina she knew she had to escape the Bolsheviks or else die With her jewels sewn into her cloak Irina made a mad dash for the border But the Cheka caught up with her stole her jewelry and left her naked bloody and dead along the riverbank Her murder was never avenged Such is Tatiana Tatty Chase s heritage A modestly successful Broadway actress Tatty speaks Russian like a native and has never forgotten the atrocities of the revolution When an old lover gives her a chance to go behind the Iron Curtain as a spy Tatty leaps at the opportunity for retribution but soon finds that her noble lineage will not protect her from the evil chill of a Soviet winter **By Order of the President** Michael Kilian,2015-08-25 When an assassin targets the president an outsider finds evidence of an even deeper conspiracy in this thriller from the author of *The Valkyrie Project* The gunman crouches in

his crawl space dreaming of revenge The United States has turned his homeland into a combat zone killing his family and ruining his life Today vengeance will be had President Henry Hampton is visiting Gettysburg and the band has just struck up Hail to the Chief when the first shots ring out Blood stains the old battleground once more The president takes a bullet to the neck and his bodyguard hustles him into his limousine rushing him not to a hospital but to Camp David where he can be best protected against the conspiracy that threatens to consume America from the inside out As days pass with only vague news about the president s condition the country threatens to slide into chaos and it will fall to 2 unlikely heroes to rescue the government a California adman and the desperate vice president of the United States

Man on the Goat Trail, Man in the Safari Suit T. Isom Sr.,2017-09-07 The world has always been a battleground the fight started in heaven and came to earth just as the body soul and spirit of man have always been a battleground Most people are unaware that fallen angels contaminated the DNA of man through sexual relations with women So the fight is not only a natural fight but a spiritual fight as well and the soul of man is the prize So if God couldnt avoid the fight in heaven how do you think you can avoid the fight here on earth If you dont learn to fight and understand the fight you become a casualty Recognizing your enemy and knowing his tactics will give you the edge but knowing how to fight who youre fighting and what weapons you need to win the fight are key Genetically you are what you are and you live with the understanding that no two people are alike and no two spirits are identical You can come from the same womb but you will not have the same DNA naturally or spiritually So whether youre the man on the goat trail or the man in the safari suit I believe this book will help you get a little closer to victory
