Looking For Lewis:

The Ward Witch Sarah Painter, 2023-06-27 Mysterious magical and a little bit deadly Welcome to Unholy Island Esme Gray runs the guest house and tends to the ethereal wards that protect the island She s sheltering from a terrible past and will do anything to stay safely hidden Luke Taylor has been searching for his missing twin for months but has begun to believe that his brother might be dead With his hope in tatters a tip off leads him to a remote tidal island in the North Sea It s further out than the famous Holy Island and far stranger Visitors shouldn t be able to stay for more than two nights so when Luke breaks this rule the close knit community is sent into turmoil The residents of Unholy Island have secrets and they intend to keep them When Luke stumbles across one of the islanders dead on the shore he finds himself under suspicion made worse by his own troubles washing up on the tide Esme is drawn to Luke but she doesn t trust her own instincts That s not ideal for a witch especially when there is a killer on the loose and a storm is rolling in The Ward Witch is the first book in the Unholy Island contemporary cosy fantasy mystery series from bestselling author of magical fiction Sarah Painter Truly bewitching [AngelNetReviews](#) The Ward Witch is set in the same world as the urban fantasy mystery books Crow Investigations but it is the start of a separate series and can be enjoyed independently Praise for the Crow Investigations Series I m a huge fan Charlaine Harris 1 New York Times bestselling author of the Sookie Stackhouse novels My favourite new urban fantasy series clever and twisty and deliciously magical with a shivery sense of wonder that feels utterly grounded in its London setting Perfect for fans of Ben Aaronovitch Genevieve Cogman or Robert Galbraith Stephanie Burgis author of Snowspelled The Lydia Crow books are a firm favourite of mine combining intriguing crime fiction with a hint of other worldly mysticism The characters are brilliantly drawn and Sarah Painter cleverly makes them believable despite them having magical powers or even being dead With just enough comedy to make the dark bits even darker and the perfect amount of mystery these books are a wonderful read Kerry Barrett The Art of Being Lewis Daniel Goodwin, 2019-05-01 Between indecent exposure and intellectual property theft it s tough being Lewis this year East Coast architect Lewis Morton thought he had it all loving wife and children dream job and a house that meets his exacting architectural standards But after his beloved mentor dies unexpectedly and Lewis gets pulled into a lawsuit that threatens to destroy his career and possibly his life the respectable identity he has carefully constructed for himself after fleeing his Jewish childhood in Montreal begins to disintegrate In trying to build his new future he must first come to terms with his past Who is Lewis Morton and who will he choose to become Strangers to Husbands Lee Pini, 2024-07-16 They say what happens in Vegas stays in Vegas but when Lewis wakes up married after a wild drunken night at his best friend s bachelorette party he s worried he s affected the rest of his life Tad might be sweet drop dead gorgeous and so easy to be with but the obvious solution is a speedy divorce The fact that they both live in New York City should make the process easy so why is it taking them so long to sign the papers Or even take off their rings And why do they keep ending up in bed Tad s anxiety and fear of coming out to his family has

driven guys away before Can he dare to believe Lewis is different Lewis his friends and his loud loving Italian family support Tad in a way he s never experienced and it s easy to imagine a lifetime of that unconditional love But life isn t a romcom Or is it

[A Brief Guide to C. S. Lewis](#) Paul Simpson,2013-09-19 November 2013 marks the 50th anniversary of the death of Clive Staples Jack Lewis when a memorial to him will be placed in Poet s Corner in Westminster Abbey Although perhaps best known as the author of the seven Chronicles of Narnia published between 1949 and 1954 Lewis also wrote The Pilgrim s Regress a trilogy of science fiction novels incorporating Christian themes and a large number of non fiction books about his faith accessible to Christians and non believers alike In a survey of the greatest British writers since 1945 the Times newspaper ranked Lewis eleventh ahead of Salman Rushdie Anthony Burgess and Ian Fleming A Brief Guide to C S Lewis explores Lewis s life from his reconversion to Christianity under the influence of his friend J R R Tolkien which had such a profound influence on his writing both fiction and non fiction to his marriage to American writer Joy Davidman Gresham and his battle with cancer He died on 22 November 1963 a day before the first ever episode of Dr Who a TV series with many links to his Narnia stories was shown Although this Brief Guide ranges well beyond the world of Narnia to explore other aspects of Lewis s life and his other writings it does not do so unusually among books on Lewis from the point of view of Christian scholarship thereby assuming much knowledge of theology on the part of readers That Lewis wrote about the problems of praying is significant the specific texts he discusses and dissects are likely to be of less significance to most readers The guide provides synopses of Lewis s fiction an overview of his other writings a biography and a look at all the many different versions of his stories that have appeared In doing so it draws on recent interviews by the author with some of the many talented people who have worked on these adaptations
