Dear Ann—

The poems in the first section should be read to you. I believe they are the result of my return to an ecology of my childhood—after more than ten years in California—and from my riding to teaching of ten more the year before.

The poems in section two are pretty much my recent stories, though the last five were also written that same summer in the Berkeley—San Francisco area and like the last—my poems and poems, poems, and poems are all you both must love. David.
