Designed for cruise enthusiasts it offers up to date information on 368 cruise ships across 408 pages. Packed with expert advice, tailored recommendations and ship reviews including scores for ship quality, accommodation, food service and overall cruise experience, this edition provides everything travelers need to make informed decisions about cruising, all presented in a user friendly format. Previously known as Berlitz Cruising and Cruise Ships, this updated edition adopts a more streamlined approach. With larger fonts, vibrant photography and a more accessible layout, the book has been modernized to better serve today's cruise goers while maintaining the trusted insights that have made it the authoritative guide for decades. The book is structured into sections that cater to every aspect of the cruise journey.
