The poetry in this collection is principally concerned with romance magic and philosophical matters There is sadness and humor which frequently go hand in hand Life consists of a rainbow of colors with ever changing patterns These poems include traditional rhymed couplets in iambic pentameter Merlin s Mystic Passion as well as modern free verse Houdini Cantos Essentially a wide variety of metrics and styles are utilized **Crisanta Knight: The Lost King** Geanna Culbertson,2019-11-01 Book 6 in the Crisanta Knight series Oh what a difference a day makes When I was back at Lady Agnue s School for Princesses I wanted to save everyone But could I do that and save myself from succumbing to the disease ingrained in my magic I didn t know I sure missed the days of homework though **Crafting the Witch** Heidi Breuer,2009-05-05 This book analyzes the gendered transformation of magical figures occurring in Arthurian romance in England from the twelfth to the sixteenth centuries In the earlier texts magic is predominantly a masculine pursuit garnering its user prestige and power but in the later texts magic becomes a primarily feminine activity one that marks its user as wicked and heretical This project explores both the literary and the social motivations for this transformation seeking an answer to the question why did the witch become wicked Heidi Breuer traverses both the medieval and early modern periods and considers the way in which the representation of literary witches interacted with the culture at large ultimately arguing that a series of economic crises in the fourteenth century created a labour shortage met by women As women moved into the previously male dominated economy literary backlash came in the form of the witch and social backlash followed soon after in the form of Renaissance witch hunting The witch figure serves a similar function in modern American culture because late industrial capitalism challenges gender conventions in similar ways as the economic crises of the medieval period The Magic Mantle John Stevenson,1903 *Film Remakes, Adaptations and Fan Productions* K. Loock,C. Verevis,2012-10-23 A dynamic investigation of processes of cultural reproduction remaking and remodelling which considers a wide range of film adaptations remakes and fan productions from various industrial textual and critical perspectives **Paradox** Kyle Young,2025-03-25 In a fusion of destinies and mystical quests Noah known as The Traveler embarks on a perilous journey through time in search of magical elements essential for mastering the forces of creation Alongside him Joshua an assassin from the future grapples with his broken past and the haunting memories that threaten to overshadow his lethal skills Meanwhile Edward confronts the loss of his magical prowess and navigates his new existence as a dragon a form both powerful and alien to him These three extraordinary characters each dealing with their own set of challenges find their fates intertwined as they navigate the complexities of loyalty power and identity in a multiverse orchestrated by unseen forces Together they face an uncertain future their paths marked by trials of magic betrayal and redemption
