global crisis and examines how they have contributed to policy formation and communication Combining metaphor theory with moral foundations theory he places metaphors in their historical contexts and then critically questions why certain tropes might be used in particular situations to persuade and convince an audience The book takes an integrated approach involving ideas from cognitive linguistics history social psychology and literature to produce a multi layered and thematically rich interpretation of the language of the pandemic and its social and political consequences It will be relevant to readers with a background in these areas as well as anyone with a general interest in the language used to make sense of this global event **Magic Bullet**,2010 **The Downfall of Mass Media Public Relations and the Rise of Social Media**

Muhammet Erbay,2022-03-15 The Downfall of Mass Media Public Relations and the Rise of Social Media *Sources of Power* Gary A. Klein,1999-02-18 Anyone who watches the television news has seen images of firefighters rescuing people from burning buildings and paramedics treating bombing victims How do these individuals make the split second decisions that save lives Most studies of decision making based on artificial tasks assigned in laboratory settings view people as biased and unskilled Gary Klein is one of the developers of the naturalistic decision making approach which views people as inherently skilled and experienced It documents human strengths and capabilities that so far have been downplayed or ignored Since 1985 Klein has conducted fieldwork to find out how people tackle challenges in difficult nonroutine situations *Sources of Power* is based on observations of humans acting under such real life constraints as time pressure high stakes personal responsibility and shifting conditions The professionals studied include firefighters critical care nurses pilots nuclear power plant operators battle planners and chess masters Each chapter builds on key incidents and examples to make the description of the methodology and phenomena more vivid In addition to providing information that can be used by professionals in management psychology engineering and other fields the book presents an overview of the research approach of naturalistic decision making and expands our knowledge of the strengths people bring to difficult tasks *Lbj the Dallas Incident* Dr. John Chandler Griffin,2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions chard questions that insulted both the WC s judgment and its objectivity As though that were not bad enough A few months later a

New York attorney Mark Lane hired by Oswald's mother to vindicate her son published his myth shattering book *Rush To Judgment*. The Warren Commission was blown out of the water. But still no satisfactory answers were forthcoming. Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy. Anyone but themselves. Then in New Orleans rose a new challenge. District Attorney Jim Garrison began his investigation into the murders. But again the Federal Government reared its ugly head. State governors across the nation were advised to ignore subpoenas to testify in Garrison's trial. And in almost every instance those governors obeyed their orders. Other essential witnesses simply committed suicide. Garrison himself was pilloried and held up to ridicule by the national news media. Still he persisted. In the end with no witnesses to testify Garrison's trial ended in not guilty verdicts. Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago. In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them. And I do so with no apologies to anyone. I will say that my heart goes out to Marina Oswald and her two daughters June Lee and Rachel May. God be with them.

The Hidden History of the JFK Assassination Lamar Waldron, 2013-10-21 *INSIDE THE CRIME OF THE CENTURY*. This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F. Kennedy. Answering the questions that have haunted Americans for decades: Why and how was JFK murdered? *The Hidden History of JFK's Assassination* draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information. The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK. Using information never published before the book uses Marcello's own words to his closest associates to describe the plot. His confession is also backed up by a wealth of independent documentation. This book builds on the work of the last Congressional committee to investigate JFK's murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive, means and opportunity to assassinate President Kennedy. However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century.

That Day in Dallas Robert K. Tanenbaum, 2025-06-10 *That Day in Dallas: Lee Harvey Oswald Did Not Kill JFK* is best described as a prosecution by Robert K. Tanenbaum of those corrupt, unscrupulous government and unelected agency officials who from inception with predetermined outcomes deceitfully engaged in insecure phony pretense probes regarding the assassination in Dealey Plaza. Those responsible are prosecuted while those who speak truth to power are exonerated. Robert Tanenbaum who in 1976 was appointed deputy chief counsel in charge of the congressional investigation into the assassination of President Kennedy provides stunning and shocking

immutable facts that reveal unequivocally that the government's reliance on the Warren Commission WC investigation and the House Select Committee on Assassinations HSCA alleged probe were reprehensibly and ultimately gut wrenchingly misleading and downright dishonest The HSCA was not interested in searching for truth In fact as an example it ultimately fabricated a significant portion of its forensic medical panel summary report and then sealed for fifty years all the underlying documents For the past sixty years the government's contrived case that a sole gunman fired from the rear three shots from the sixth floor sniper's nest window inside the Dallas Book Depository building rested substantially on invalid science and common sense offered to prove the so called Single Bullet Theory Evidence shows that five shots were fired in Dealey Plaza not three Corroboration of the fourth shot the fatal blast fired from the geographical front of JFK at the knoll hill stockade fence area includes witnesses and exhibits as well as scientific audio and photo verification while significant convincing evidence shows that the fifth shot came from a northeast building complex behind JFK The uncomfortable truth is that Lee Harvey Oswald has been unjustly accused as the assassin notwithstanding his contract employee status of both the CIA and FBI

Matrix for Assassination Richard Gilbride, 2009 A phantom haunts America the ghost of Dealey Plaza where President John F Kennedy was shot on November 22 1963 In Matrix for Assassination author Richard Gilbride a schoolboy in 1963 who became fascinated with the facts condenses much of the research conducted in recent years after a mountain of new data became available from classified files with the passing of the John F Kennedy Assassination Records Collection Act of 1992 Matrix for Assassination names the names It offers simple and defensible solutions to many of the crime's lasting enigmas Who were the shooters Who forced Ruby to kill Oswald Who orchestrated Kennedy's autopsy cover up What actually happened in the book depository Were the Dallas police in on the plot The Pentagon LBJ The CIA Thoroughly referenced with 300 accompanying photographs Matrix for Assassination is bookended by two events which draw it through the tabloids and into the X Files Marilyn Monroe's strange death and JFK's clash with an above top secret UFO cabal Her murder was a prelude to Dallas at the heart of the military industrial complex dwelt a sinister darkness that originated in Nazi Germany

Mass Communication Theories Melvin L. DeFleur, Margaret H. DeFleur, 2016-01-08 Mass Communication Theories Explaining Origins Processes and Effects explores mass communication theories within the social and cultural context that influenced their origins An intimate examination of the lives and times of prominent mass communication theorists both past and present bring the subject to life for the reader

Oswald Talked Ray La Fontaine, Mary La Fontaine, 1996-01-31 Investigative journalists present explosive new evidence connecting the accused JFK assassin to the CIA and to his own killer Journalists Ray and Mary La Fontaine have uncovered significant new evidence in the Kennedy assassination evidence that substantiates the existence of a conspiracy and that suggests Lee Harvey Oswald was framed for the president's murder In Oswald Talked they establish a crucial link between Oswald and Jack Ruby the CIA and other government agencies Among the evidence uncovered here is a Department of Defense card showing that Oswald was employed by the US government

after his discharge from the Marines testimony by a man who altered photos of Oswald for the official investigation and arrest records and names of the three enigmatic vagrants who have been at the heart of several conspiracy theories Most significant of all the La Fontaines speak with John Elrod who was arrested the day of Kennedy s assassination and kept in a cell next to Oswald s His incarceration had been hidden by the FBI for decades In Oswald Talked they reveal what Elrod learned from Oswald himself that day
