OK Are you Ready Are you Steady Let's Code **Forum**, 1980 *Chapman Pincher: Dangerous to Know* Chapman Pincher, 2014-02-21 Harry Chapman Pincher is a legend among journalists. As an investigative reporter he struck terror into those trying to hide the murky secrets of state. After early careers as a teacher a scientist and a soldier Chapman Pincher joined Lord Beaverbrook's then all powerful Daily Express in the summer of 1945 and quickly became the master of the journalistic scoop. His first splash a top secret account of the development of the atomic bomb sparked a furious transatlantic row. It was only the start of a career in which his name became synonymous with high level exclusives from the most secret corners of government. When he finally retired from journalism the leaks kept coming leading to a series of bestselling books on the infiltration of Britain's intelligence services by Moscow culminating in his allegation that the head of MI5 was in fact a Soviet spy. In *Dangerous to Know* Chapman Pincher took pen to paper to describe the extraordinary events he witnessed and the varied characters he encountered. Colourful indiscreet and compelling this is the life of a true journalistic colossus and a revealing description of the century he bestrode.
