**Infinite Possibility** Audrey A. Irvine, 2008-07-07 Have you had experiences with telepathy precognition or subtle energies You are not alone These and many other extraordinary abilities have been reported since the earliest days of humankind and hint at an indwelling potential we all share To broaden our understanding of these abilities Infinite Possibility compares eight different spiritual traditions and the Scientific paradigm to understand How different cultures understand the extraordinary The range of abilities seen across cultures Where in the hierarchy of consciousness extraordinary abilities occur The methods used to evoke abilities And the risks reported in undertaking the extraordinary Perhaps you are interested in what your particular tradition has contributed to our understanding of the extraordinary Or you may simply enjoy reading about the exploits of saints lamas shaman and intuitives Whatever your reason this exceptional survey of the worlds traditions is guaranteed to deepen your understanding of our infinite human potential *Nei Kung* Kosta Danaos, 2002-02-01 Explains the science behind the practice of nei kung the elemental nature of yin and yang energy the two components of ch i and how learning to control the yang energy in our ch i can result in the release of dynamic energy Establishes the existence and understanding of nei kung in the practices of many of the world s ancient cultures Includes a step by step guide to the meditation that forms the basis of the practice of nei kung By Kosta Danaos author of *The Magus of Java* and apprentice to an immortal of the Mo Pai tradition In 1994 Kosta Danaos was accepted as a student by John Chang a Chinese Javanese Taoist in the Mo Pai tradition and a master of nei kung the practice of harnessing and controlling our body s bioenergy or ch i *Nei Kung The Secret Teachings of the Warrior Sages* describes the practice of nei kung and how learning to control our ch i can result in the release of dynamic energy that can be used for healing pyrogenesis telekinesis levitation telepathy and more Danaos suggests that both components of ch i yin and yang energy are fundamental to the earth and to life and were recognized and used in many of the world s ancient cultures Though we have forgotten how to access them these components are in fact elemental parts of us The author explains that we first must open our minds to the fact that the power of ch i is real Next in learning to control our ch i as a whole we must learn to channel our yang energy in productive ways a potential we all possess To help readers understand their capacity to connect with this inner elemental power the author offers a fascinating blend of teachings that include sound scientific theories explaining much of the magic of nei kung He also offers historical linguistic artistic and literary proof of the presence and understanding of nei kung throughout the ages and a step by step introduction to several types of simple meditation fundamental to directing one s ch i With his engaging storytelling and disarming humor his physics based explanations for seemingly mystical phenomena and his reassurances that he s really no different from the rest of us Kosta Danaos shows us that once we remember our capacity to harness our yang energy we can change ourselves and our world *Shoninki: The Secret Teachings of the Ninja* Master Natori Masazumi, 2010-08-13 The classic text on the mystical traditions of the ninja now decoded in English The path of the ninja as an authentic spiritual discipline Details the art of concealment and espionage including methods of disguise survival

techniques and face reading A ninja response to the Samurai Bushido and the way to mind body harmony Experts in disguise infiltration espionage and counterintelligence the ninja had spiritual values and magical traditions that distinguished them from the soldierlike samurai Their art of ninjutsu invisible as well as indispensable was transmitted in secret schools and relied on only a few books which were written in code The Shoninki one of the most important of these coded manuals was written in 1681 by Master Ninja Natori Masazumi Presenting all facets of the art of concealment espionage and physical prowess including methods of disguise and survival techniques this source text also contains teachings on spiritual meditations psychic powers the art of face reading controlling the emotions and magic spells Revealing the connection between the ninja and the yamabushi warrior monks who were endowed with supernatural powers this classic text confirms the path of the ninja as an authentic spiritual discipline one of self realization and detachment and the way to mind body harmony

*Aikido and Words of Power* William Gleason, 2009-01-12 For the first time in English the secrets of the sacred sounds that unlock the principles and spiritual strength of aikido Explains the nature of the five vowels that govern the physical manifestations of universal consciousness Uses more than 300 photographs to demonstrate a unique approach to aikido techniques that supports advanced spiritual practice Author is a 6th dan aikido instructor Aikido founder Ueshiba Morihei described the discipline as one spirit four souls three origins and eight powers One spirit and four souls are the five vowel dimensions of infinite space the source of the sacred sounds of Kototama Now for the first time in English William Gleason explains how to use the sounds of Kototama in the practice of aikido Aikido is often approached as a purely physical discipline but it is a truly profound spiritual vehicle for those who approach it with sincerity of purpose The five vowels represent various dimensions and stages of awareness whose different powers are revealed through aikido practice Using more than 300 photographs Gleason sensei presents physical routines that provide an introduction into the Kanagi Sugaso and Futonori levels of spiritual development Understanding the sacred sounds related to each of these dimensions the adept gains not only the ability to realize the stages inherent in spiritual mastery but also the ability to maintain health and balance in his or her own life When fish move through water there is no end to the water when birds fly there is no end to the sky Similarly humans swim and fly in an ocean of sounds Understanding Kototama allows human beings to view the world without distortion and allows the creative powers of the mind to flourish
