Maigret Enjoys Himself Georges Simenon, 2017-12-07 His artistry is supreme John Banville Standing here at the window in the middle of the morning vaguely observing the comings and goings in the street he had a feeling that reminded of certain days in his childhood when his mother was still alive and he was off school because he had the flu or it was the end of term It was the feeling of finding out what went on when he wasn't there Inspector Maigret is meant to be taking a holiday but he can't resist following the development of his colleague Janvier's case in the papers and playing a few tricks on the way This novel has been published in a previous translation as Maigret's Little Joke One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian
