Maine The Pine Tree State From Prehistory To The Present:

Maine Richard William Judd, Edwin A. Churchill, Joel W. Eastman, 1995 The first comprehensive history of Maine to be published in decades Maine The Pine Tree State surveys the region's rich history from prehistoric times to the early 1990s Drawing on a team of twenty six scholars with a professional interest in Maine's past the book features fresh research and new interpretations of even familiar periods such as the Civil War The chapter authors are respected authorities in Maine history from the fields of archaeology anthropology ethnic studies and the various sub disciplines of history political cultural economic labor military maritime Certain themes recur from chapter to chapter and across historical periods For example larger structural changes in the nation market trends wars economic fluctuations demographic flows strongly affected the everyday world of Maine people Other prominent themes are the importance of geography and the environment in shaping Maine's economy and culture Caught up at times in national events Maine has also led the nation in important ways Its fishing industry fed and its textile industry clothed the nation's people Maine loggers contributed heavily to the technologies used in cutting hauling and driving timber Maine excelled in the production of wooden ships and supplied the expertise to sail them In the nineteenth century Maine's political leaders were among the most powerful in the nation and Maine's contribution to social reform attracted national recognition The Changing Nature of the Maine Woods Andrew M.

Barton, Alan S. White, Charles V. Cogbill, 2012 The ecology of the ever changing Maine forest **Women of the Dawn** Bunny McBride, 2021-08-05 Women of the Dawn tells the stories of four remarkable Wabanaki Indian women who lived in northeast America during the four centuries that devastated their traditional world Their courageous responses to tragedies brought on by European contact make up the heart of the book The narrative begins with Molly Mathilde 1665 1717 a mother a peacemaker and the daughter of a famous chief Born in the mid 1600s when Wabanakis first experienced the full effects of colonial warfare disease and displacement she provided a vital link for her people through her marriage to the French baron of St Castin The sage continues with the shrewd and legendary healer Molly Ockett 1740 1816 and the reputed witchwoman Molly Molasses 1775 1867 The final chapter belongs to Molly Dellis Nelson 1903 1977 known as Spotted Elk a celebrated performer on European stages who lived to see the dawn of Wabanaki cultural renewal in the modern era

Children of the Northern Forest Jamie Sayen,2024-01-05 This no holds barred narrative of the failure of conservation in northern New England s forests envisions a wilder more equitable lower carbon future for forest dependent communities Jamie Sayen approaches the story of northern New England s undeveloped forests from the viewpoints of the previously unheard the forest and the nonhuman species it sustains the First Peoples and in more recent times the disenfranchised human voices of the forest including those of loggers mill workers and citizens who like Henry David Thoreau wish to speak a kind word for nature From 1988 to 2016 paper companies sold their timberlands and closed

seventeen paper mills in northern New England Policy makers ceded veto power to large absentee landowners who tried to preserve the status quo by demanding additional tax cuts and other subsidies for economic elites They vetoed measures designed to restore and preserve forest health at present about half of the former industrial forests are classified as degraded and the regional economy continues to be trapped in low value commodity markets This book operates as a case study of how a rural resource region can respond to a global economy responsible for climate change habitat loss and degradation and environmental injustice Sayen offers a blueprint for restoring vast wildlands and transitioning to a lower carbon high value adding local economy while protecting the natural rights of humans nonhumans and unborn generations

Becoming Teddy Roosevelt Andrew Vietze,2010-04-16 This inspirational tale of friendship and determination also sheds new light on the role of the mentor s mentor Discover why this friendship was so crucial to Roosevelt s development as a man and a president and why it still matters today Amateur Movie Making Martha J. McNamara,Karan Sheldon,2017-06-20 A compelling regional and historical study that transforms our understanding of film history Amateur Movie Making demonstrates how amateur films and home movies stand as testaments to the creative lives of ordinary people enriching our experience of art and the everyday Here we encounter the lyrical and visually expressive qualities of films produced in New England between 1915 and 1960 and held in the collections of Northeast Historic Film a moving image repository and study center that was established to collect preserve and interpret the audiovisual record of northern New England Contributors from diverse backgrounds examine the visual aesthetics of these films while placing them in their social political and historical contexts Each discussion is enhanced by technical notes and the analyses are also juxtaposed with personal reflections by artists who have close connections to particular amateur filmmakers These reflections reanimate the original private contexts of the home movies before they were recast as objects of study and artifacts of public history **Maine** Christian P. Potholm,2011-11-10 Maine An Annotated Bibliography is a look at the Maine Experience from its historical political social and literary perspectives It provides readers an overview of over four hundred books written about Maine including the perspective which they provide Topics such as The Wild Wild East Ethnicity Matters Women in Maine and Maine in the Civil War stimulate the imagination and provide the most comprehensive synopsis of writing about Maine available *Birth, Death, and a Tractor* Kelly Payson-Roopchand,2015-06-15 Once there were no stone walls For the fiercely idealistic Yankee homesteader a small family farm was worth fighting for and the rocky soil yielded far more than walls Cleared and plowed it fed a family and provided a living Oxen gave way to horses horses to tractors and still the farm persisted and the family persevered each generation overcoming the challenges of their day Two hundred years later the farm ever generous in its rewards has not changed but society has shifted forgetting its connection to the land that nourishes us It is time we remembered Birth Death and a Tractor is the story of a small family farm in Somerville Maine from its settling in the early 1800s to its perilous transfer to a new farm family in 2008 Chronicling the history of seven generations it

is a reminder of the role small farms have played in our national and family histories and a challenge to find innovative ways to re connect our communities to this rich but threatened resource An Exemplary Whig David M. Gold,2012-07-06

Historians have paid surprisingly little attention to state level political leaders and judges Edward Kent 1802-77 was both He served three terms as a state legislator two as mayor of Bangor two as governor and two as a judge of the state supreme court He represented Maine in the negotiations that resolved the long running northeastern border dispute between the United States and Great Britain and served for four years as the American consul in Rio de Janeiro The foremost Whig in Maine state politics and later a Republican judge Kent articulated classic Whig political views and carried them forward into his Whig Republican jurisprudence In examining Kent s career as Maine s quintessential Whig An Exemplary Whig reveals his characteristically conservative Whig outlook including an aversion toward disorder and a deep respect for law for existing institutions and for the wisdom of experience Kent brought his conservative disposition into the Republican Party He had no use for radical abolitionism preferring moderation and compromise to measures that endangered social order or the integrity of the Union Kent saw the slave power not abolitionism as the disrupter of the Union and he urged the fusion of all antislavery elements into a new Republican party In 1859 Maine s Republican governor appointed Kent to the state supreme court During his fourteen year tenure Kent adopted a Whiggish jurisprudence pragmatic and commonsensical and displayed a reverence for the common law and a distrust of theoretic speculation After his retirement he chaired a constitutional revision commission admonishing his fellow commissioners to bear in mind the practical wisdom that kept dangerous innovation in check As a politician during the Jacksonian era Kent exemplified Whig leadership at the local and state levels In his jurisprudence he carried the Whig persuasion into the Republican ascendancy and the beginnings of the Gilded Age

Maine to Greenland Wilfred E. Richard,William Fitzhugh,2014-08-05 Maine to Greenland is a testament to one of the world s great geographic regions the Maritime Far Northeast For more than three decades William W Fitzhugh and Wilfred E Richard have explored the Northeast s Atlantic corridor and its fascinating history habitat and culture The authors powerful personal essays and Richard s stunning photography transport readers to this vibrant region joining Smithsonian archaeological expeditions and trekking in vast and amazing terrain Following Fitzhugh and Richard s travels north from Maine to the Canadian Maritimes Newfoundland and northern Quebec then to Labrador Baffin and Ellesmere islands and Greenland we view incredible landscapes uncover human history and meet luminous personalities along the way Fully illustrated with 350 full color photographs Maine to Greenland is the first in depth treatment of the Northeast Atlantic corridor and essential for armchair travelers locals tourists or anyone who has journeyed there Today green technology climate change and the opening of the Arctic Ocean have transformed the Maritime Far Northeast from an icy frontier into a global resource zone and an increasingly integrated international crossroads In our rapidly converging world we have much to learn from the Maritime Far Northeast and how its variety of cultures have adapted to rather than changed their

environments during the past ten thousand years Maine to Greenland is not only a complete account of the region's unique culture and environment but also a timely reminder that amidst the very real consequences of climate change the inhabitants of the Maritime Far Northeast can show us grounded and sustainable ways of living [A Study Guide for John Cariani's "Almost Maine"](#) Gale, Cengage Learning, A Study Guide for John Cariani's *Almost Maine* excerpted from Gale's acclaimed Drama for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama for Students for all of your research needs **I was Content and Not Content** Cedric N. Chatterley, Alicia J. Rouverol, Stephen A. Cole, 2000 A firsthand account of plant closure heavily illustrated and told through edited oral history interviews The story of Linda Lord and her experience when the Penobscot Poultry Company closed its doors in 1988 costing over 400 people their jobs

Making Haste from Babylon Nick Bunker, 2010-04-13 At the end of 1618 a blazing green star soared across the night sky over the northern hemisphere From the Philippines to the Arctic the comet became a sensation and a symbol a warning of doom or a promise of salvation Two years later as the Pilgrims prepared to sail across the Atlantic on board the Mayflower the atmosphere remained charged with fear and expectation Men and women readied themselves for war pestilence or divine retribution Against this background and amid deep economic depression the Pilgrims conceived their enterprise of exile Within a decade despite crisis and catastrophe they built a thriving settlement at New Plymouth based on beaver fur corn and cattle In doing so they laid the foundations for Massachusetts New England and a new nation Using a wealth of new evidence from landscape archaeology and hundreds of overlooked or neglected documents Nick Bunker gives a vivid and strikingly original account of the Mayflower project and the first decade of the Plymouth Colony From mercantile London and the rural England of Queen Elizabeth I and King James I to the mountains and rivers of Maine he weaves a rich narrative that combines religion politics money science and the sea The Pilgrims were entrepreneurs as well as evangelicals political radicals as well as Christian idealists *Making Haste from Babylon* tells their story in unrivaled depth from their roots in religious conflict and village strife at home to their final creation of a permanent foothold in America **Down East: An Illustrated History of Maritime Maine (2)** Lincoln Paine, 2018-06-19 From the first explorers to the century of ships to our modern fisheries and diversification Maine's maritime story is told in engaging detail Lincoln Paine has laid down the framework for an understanding of Maine's maritime history by relating the population and landscape of today to their historic foundations This engaging overview of Maine's maritime history ranges from early Native American travel and fishing to pre Plymouth European settlements wars international trade shipbuilding boom and bust fisheries immigrant quarrymen quick lime production yachting and modern port facilities all unfolding against one of the most dramatic seascapes on the planet *Down East* can be read in an evening but will be referred to again and again When the first edition was published in 2000 Walter Cronkite a veteran Maine coastal sailor as well as *The Most Trusted Man in America* wrote that

Paine's economy of phrase and clarity of purpose make this book a delight. Paine went on to write his monumental opus *The Sea and Civilization: A Maritime History of the World*. PW starred review but now returns to his first and most abiding love: the coast of Maine, to revise and update this gem of a book. The new edition is printed in a large full color format with a stunning complement of historical photos, paintings, charts, and illustrations, making this a truly visual journey along a storied coast.

Nature Next Door Ellen Stroud, 2012-12-15 The once denuded northeastern United States is now a region of trees. *Nature Next Door* argues that the growth of cities, the construction of parks, the transformation of farming, the boom in tourism, and changes in the timber industry have together brought about a return of northeastern forests. Although historians and historical actors alike have seen urban and rural areas as distinct, they are in fact intertwined, and the dichotomies of farm and forest, agriculture and industry, and nature and culture break down when the focus is on the history of Northeastern woods. Cities, trees, mills, rivers, houses, and farms are all part of a single transformed regional landscape. In an examination of the cities and forests of the northeastern United States, with particular attention to the woods of Maine, New Hampshire, Pennsylvania, and Vermont, Ellen Stroud shows how urbanization processes there fostered a period of recovery for forests, with cities not merely consumers of nature but creators as well. Interactions between city and hinterland in the twentieth century Northeast created a new wildness of metropolitan nature, a reforested landscape intricately entangled with the region's cities and towns.

The Lobster Coast Colin Woodard, 2005-04-26 A thorough and engaging history of Maine's rocky coast and its tough-minded people. *Boston Herald*: A well-researched and well-written cultural and ecological history of stubborn perseverance. *USA Today*: For more than four hundred years, the people of coastal Maine have clung to their rocky, wind-swept lands, resisting outsiders' attempts to control them while harvesting the astonishing bounty of the Gulf of Maine. Today's independent, self-sufficient lobstermen belong to the communities imbued with a European sense of ties between land and people but threatened by the forces of homogenization spreading up the eastern seaboard. In the tradition of William Warner's *Beautiful Swimmers*, veteran journalist Colin Woodard, author of *American Character: A History of the Epic Struggle Between Individual Liberty and the Common Good*, traces the history of the rugged fishing communities that dot the coast of Maine and the prized crustacean that has long provided their livelihood. Through forgotten wars and rebellions and with a deep tradition of resistance to interference by people from away, Maine's lobstermen have defended an earlier vision of America while defying the tragedy of the commons, the notion that people always overexploit their shared property. Instead, these icons of American individualism represent a rare example of true communal values and collaboration through grit, courage, and hard-won wisdom.

Right here, we have countless book **Maine The Pine Tree State From Prehistory To The Present** and collections to check out. We additionally find the money for variant types and with type of the books to browse.
