Maintenance Management **2023-24**

The future of maintenance engineering

A person's hands are holding a tablet that displays a complex predictive maintenance dashboard. The dashboard features several circular gauges at the top, a central map-like view of a factory floor with various equipment icons, and a prominent red banner that reads "10 DAYS TO ACT PREDICTIVE ALERT" with a yellow warning triangle below it. The background is a blurred industrial setting with green machinery and blue lighting. The overall theme is digital transformation in manufacturing maintenance.
