Meltebeke, **A Guide to Meeting God in Scripture** Jeff Cavins,Sarah Christmyer,Sonja Corbitt,Mark Hart,Thomas Smith,Bishop Kurt Burnette,Chris Mueller,Matt Dunn,John Harden,Dr. Andrew Swafford,2017-03-08 The goal of this e book is to make the Bible more than familiar to you We want to make it personal We want you to have a close relationship with God s Word as if it were a person because it is a person The Word made flesh meets us in the words of Scripture he gave us The stories and passages may not change but God wants to speak to you in new ways each time you read them Each chapter will offer new insights with each new chapter of your own life So we ve put together some articles from The Great Adventure blog that may help you see the Bible in a new light The first part of this e book offers great advice for how to read the Bible the way it s meant to be read The second part offers many profound insights from particular books in the Bible And what is offered here is really only meant to be a beginning We hope it ignites within you a new love for Scripture that will last a lifetime **Daily Tent of Meeting with Jesus** Joye Waters Letourneau,2023-05-22 This book is taken from my daily entries in my personal Prayer Journal The journal consists of a year of divine interaction with my Daddy God I relate it to the Tent of Meeting in Exodus where the Israelites met daily with God during the journey from Egypt This is my personal daily journey with Jesus *Waiting on God (eBook)* Andrew Murray,2011-07-08 How often the busyness of life can creep up and overwhelm us Rather than depending on our own strength as Christians it is our privilege to enter into a daily time of reverent meditation and silence waiting only upon God for His answers to our problems His direction in our lives and most importantly His awesome presence refreshing our spirits and teaching us more about Himself Andrew Murray shares 31 heartfelt meditations one for each day of the month to help readers renew their vision and quicken their desire to turn to the Lord for His quiet peaceful strength Murray s own prayer was that the Lord would use these meditations to draw all to Himself to learn in practice and experience the blessed art of waiting only upon God **A Topical Guide to the Koran & Sharia Law** Robert Maddock,2020-03-17 This book is based on the

1734 translation of the Koran by George Sale This translation is in King James English making comparisons between it and the King James Bible easily This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears These verses are placed together so that the reader can readily determine the context and therefore the meaning of the word or phrase In some instances such as the word jihad which does not appear in the Sale translation it is traced in the University of Michigan s online translation of the Koran There it appears thirteen times but in only two does it mean an internal struggle In the other eleven it means warfare When analyzing words and phrases in the Koran it is important to know when they were received and written It is also important to know that the Koran includes material that seems to come from other sources This has been outlined in volume 2 of the 1 300 Years War As noted in volume 1 of the 1 300 Years War Muhammad PBUH has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations These seizures last less than three minutes It is therefore important to know which suras might have come from a single episode A table shows this in volume 1 table 8 Many scholars divide the Koran into four major periods early Mecca AD 610 615 mid Mecca AD 616 late Mecca AD 617 621 and Medina AD 622 632 The analysis of the verses in these periods found that militancy against non Muslims progresses 7 7 percent of the verses from early Mecca are militant This rises to 10 6 percent in the mid Mecca period and 18 3 percent in the late Mecca period It tops out at 29 3 percent in the Medina period The colored version of the topical guide shows these periods in black blue green and red In the black and white edition it shows these four periods of the Koran in plain italics boldface italics regular plain type and boldface regular type The reason this division is important is the doctrine of abrogation 2 106 given early in the Medina period This states that verses given later may nullify verses given earlier Thus many peaceful verses given in the early parts of the Koran may be nullified by the verse of the sword 9 5 given later toward the end of the prophet s life Slay the idolaters wherever you find them So far as I have been able to determine there has been no stylistic analysis of the Koran A person studying the Koran or the history of Islam will find this work most valuable **Jeremiah-Malachi** James Hastings,1915 **Understanding the Person of God** Elmer Towns,2020-12-15 Can you rightly call Me God a person Singing laughing thinking resting These are some of the human terms that God uses to describe Himself in the Bible God made us in His image so in many ways we share characteristics in common with God But the true idea of God in all His majesty and mystery is beyond human Misplacing God Joanne Heim,2011-11-14 In a fast paced life it can be hard to find a place for God but Joanne Heim offers inspiration and advice to make God a part of your busy world *Corking the Bottle* Dan Hicks,2023-08-15 God seems always to be giving us tests Each exam we pass makes us a better person but getting there can be a major struggle That s the way it is when alcohol overwhelms a person s life Overcoming such an addiction is one of God s toughest tests to pass But by placing him in the center of our lives faithfully attending Alcoholics Anonymous meetings working through AA s Twelve Steps and exploring our inner selves it becomes possible to overcome alcoholism This book
