Restaurant Kid Rachel Phan,2025-04-01 A warm and poignant narrative about finding one s self amidst the grind of restaurant life the cross generational immigrant experience and a daughter s attempts to connect with parents who have always been just out of reach When she was three years old Rachel Phan met her replacement Instead of a new sibling her parents time and attention were suddenly devoted entirely to their new family restaurant For her parents whose own families fled China during the Japanese occupation during the Second Sino Japanese War and then survived bombs and starvation during the war in Vietnam it was a dream come true For Rachel it was something quite different Overnight she became a restaurant kid living on the periphery of her own family and trying her best to stay out of the way While Rachel grew up the restaurant was there the most stalwart and suffocating member of her family For decades it s been both their crowning achievement and the origin of so much of their pain and suffering screaming matches complete with smashed dishes bodies worn down by ever spreading arthritis and tenuous relationships where they love one another deeply without ever really knowing each other In Restaurant Kid Rachel seeks to examine the way her life has been shaped by the rigid boxes placed around her She had to be a good daughter never asking questions always being grateful She had to be a real Canadian watching hockey and speaking English so flawlessly that her tongue has since forgotten how to contort around Cantonese tones As the only Chinese girl at school she had to alternate between being the Asian sidekick geek or slut

depending on whose gaze was on her Now thirty one years after their restaurant first opened Rachel's parents are cautiously talking about retirement As an adult restaurant kid Rachel's good daughter role demands something new of her a chance to get to know her parents on the trip of a lifetime Bringing to lyric life the prism of growing up in a third culture Rachel Phan has crafted a vibrant new narrative of growing up the strength and foibles of family and how we come to understand ourselves

God money and the blessed poor André Cronje, 2021-09-06 *God money and the blessed poor* present financial wisdom and stories Jesus taught on how to open a bank account in heaven that you may be rich toward God You will see how Jesus loved a rich young man warned the rich and blessed the poor But some say I am rich and have need of nothing yet they don't know how miserable poor blind and naked they really are As it is written Blessed are the poor for theirs is the kingdom of God Translator Andr Cronje PUBLISHER TEKTIME

Following Osiris Mark Smith, 2017-02-09 Osiris god of the dead was one of ancient Egypt's most important deities The earliest secure evidence for belief in him dates back to the fifth dynasty c 2494-2345BC but he continued to be worshipped until the fifth century AD *Following Osiris* is concerned with ancient Egyptian conceptions of the relationship between Osiris and the deceased or what might be called the Osirian afterlife asking what the nature of this relationship was and what the prerequisites were for enjoying its benefits It does not seek to provide a continuous or comprehensive account of Egyptian ideas on this subject but rather focuses on five distinct periods in their development spread over four millennia The periods in question are ones in which significant changes in Egyptian ideas about Osiris and the dead are known to have occurred or where it has been argued that they did as Egyptian aspirations for the Osirian afterlife took time to coalesce and reach their fullest form of expression An important aim of the book is to

investigate when and why such changes happened treating religious belief as a dynamic rather than a static phenomenon and tracing the key stages in the development of these aspirations from their origin to their demise while illustrating how they are reflected in the textual and archaeological records In doing so it opens up broader issues for exploration and draws meaningful cross cultural comparisons to ask for instance how different societies regard death and the dead why people convert from one religion to another and why they abandon belief in a god or gods altogether **CTL Director's**
