My Guardian Angel Helper And Friend:

My Guardian Angel Thomas J. Donaghy, 1994 My Guardian Angel from Catholic Book Publishing teaches young children about guardian angels and the part they play in our lives Beautifully illustrated in full color My Guardian Angel would make an inspiring gift for children of First Communion age or younger What is My Purpose? Dr. Vijaya Chetty, 2014-02 This book is for all parents those who are pregnant those who already are gifted with children and those future mothers and fathers just waiting for a special soul to make their life complete For the latter this book can be used daily for mediation and as a tool in asking for that special little person to choose us to be their parents For those who have already been blessed with little ones this book can be used as a valuable reminder for them as to who they are where they are and what their purpose in life is We are so busy reacting to external situations in our ever changing world that we often forget who we really are smothering ourselves in a blanket of stress and anxiety over things that don't really matter The ever observant child will learn to mimic how we deal with situations carrying the same heavy blanket with them and can in turn lose track of what really matters who they are and their real purpose in life This book is about shedding those unnecessary layers to reveal our true selves so that through successful relationships we can share our love happiness peace truth and strength with each individual we come in to contact with Please do not underestimate the capabilities of a child Whether he or she is a teenager 6 years old a newborn baby or a young fetus they all can hear us and they all feed off the love we show them Every child whatever their age needs us to love them unconditionally care for them and to be good role models Practice this by reading the book to your loved ones wherever they may be I wish you the very best and I am grateful for this opportunity to share all my love happiness and strength with all the parents and children in this world and beyond Dr Vijaya Chetty **Reach For The Stars** Mark J. Janssen, 2022-08-01 Reach for the Stars is the memoir of the twenty first century mystic Mark Janssen Here he describes his earliest memories of conversations in his crib with God Mary Jesus and angels and saints Originally from a small rural town in the Upper Midwest Mark was raised in a traditional Catholic family This book talks about how he was strongly discouraged from pursuing the development of his unfolding mystical abilities even as a small child It was from his maternal grandmother that he learned he was descended from many generations of mystics She taught and encouraged Mark to always be in contact with the angels His grandmother instructed him to always listen to them and to God Here we read how the author grew into adulthood with the spiritual guidance of his guardian angel St Michael the Archangel With Michael's assistance Mark learned about many different sorts of angels good and evil Unexpectedly while still in high school Michael and the angels worked with him on his first exorcism We read about Mark's surprise that others around him did not communicate with God angels and demons How he saw the spirits of those buried in the cemetery behind his childhood home How Mark carried his mystical gifts with him into adulthood We read about his experiences as an ordinary member of society and during his time as a Benedictine monk Along with using the gifts we normally associate with psychics Mark has found

himself performing spirit clearings exorcisms and healings He has spoken to people one on one and in large groups about his experiences as a mystic Mark Janssen has written *Reach for the Stars* to assure others that their paths through life are always with the love and companionship of their guardian angels As a mystic child he was greatly blessed to have his grandmother to support him He wishes to offer that same reassurance to children and adults His belief is that we can all see God and our guardian angels This is one man's story of how it came to be for him

Spirit Guides & Angel Guardians Richard Webster, 2012-07-08 They come to our aid when we least expect it and they disappear as soon as their work is done Invisible helpers are available to all of us In fact we all regularly receive messages from our guardian angels and spirit guides but usually fail to recognize them This book will help you to realize when this occurs And when you carry out the exercises provided you will be able to communicate freely with both your guardian angels and spirit guides

Love's Helper Betty McLain, 2021-12-13 She loved him from the time they were children but Sandy never treated Minnie as anything other than an honorary little sister Still Minnie held out hope that one day they could be more Then danger came and her guardian angel prompted her to seek help With her brother missing and her stepfather after her there was only one place left to go Sandy listened to the fearful plea for help and jumped into action as he would for any friend in need but the feelings he had for Minnie were not that of simple friends Thrust together by fate the love they each held in secret bubbled under the surface But before they could be together he had to find a way to keep her safe
