restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine Brennan Manning *Religious Folk Songs of the Negro as Sung on the Plantations* Hampton Institute,1909 **The U.
