writer Voltaire once said Poetry is the music of the soul and above all of great and feeling souls Poetry has the unique ability to grasp the inner reaches of our soul through the unique life experiences of the author Whats In My Heart Volume II has beautifully and authentically done just like that searched the recesses of our soul If you are in search of an anthology of well crafted and thought provoking vignettes about real life struggles with GOD always by your side this book is a must have Dr Marc Alan Brunelle Minister of Liturgy Music St Marcelline Catholic Church Schaumburg Illinois WHAT MATTERS MOST What matters most is how we treat people What matters most is how we live our lives What matters most is how we say things What matters most is to have peace in our hearts We are blessed people of GOD We are indeed created in GODs Image We have our Blessed Mother to intercede We have our LORD JESUS who redeems our sins We have the holy angels who sing for us We have the holy saints whom we invoked We have the Holy Spirit at our side How amazing this life is And thats what matters most How about youwhat matters in your life most **The Heart Could Never Speak** George Pattison,2013-06-25 The book offers an interpretation of a posthumously published poem by Edwin Muir 1887 1959 beginning The heart could never speak But that the Word was spoken The poem is read as summing up Muir s lifelong struggle with fundamental questions about the meaning of existence questions often developed in dialogue with such figures as Nietzsche Hlderlin and Kafka These references allow us to bring Muir into conversation with modern existentialist philosophy and theology and Muir s poetic thought is seen as both illuminating and as illuminated by such existentialist thinkers as Heidegger Bultmann Kierkegaard and Berdyaev Themes such as death time love the nature of language and the alienation brought about by technological mass society and the threat of nuclear catastrophe are central to the poem s subject matter and are dealt with by Muir in such a way as to make possible a Christian version of existentialist thought The perennial nature of such questions in modern society makes the poem as relevant to contemporary issues in religious thought today as when it was written For all its simplicity it is the argument of the book that it makes an abiding contribution to human self understanding
