BY PHYLLIS GATES & BOB THOMAS

My Husband Rock Hudson

James Robert Parish

My Husband Rock Hudson:

My Husband, Rock Hudson Phyllis Gates, Bob Thomas, 1989 Breaking a silence of 30 years the former Mrs Rock Hudson tells all about her brief poignant marriage to the all American star from its glamorous lovestruck beginnings to its shattering shocking end Revealing The Star *My Husband, Rock Hudson* Phyllis Gates, Bob Thomas, 1987 The former wife of Rock Hudson offers a candid revealing account of her relationship with and marriage to the tragic Hollywood superstar **My Husband, Rock Hudson** Phyllis Gates, Bob Thomas, 1988-07-14 **Rock Hudson** John Mercer, 2019-07-25 Tall dark and handsome with a manufactured name and a scrupulously designed professional image Rock Hudson represented the Hollywood ideal of American masculinity during the 1950s and 60s an ideal that was to be questioned and ultimately undermined during the years to follow by lurid accounts of his private life and his death from AIDS related illness This illuminating analysis of Hudson s career reassesses the perceived disparity between his public persona and his true nature Exploring his unique qualities as a performer and exposing the role of his agent producers and directors in the construction of his image John Mercer unpicks Hudson s stardom to reveal a more complex star identity than has hitherto been understood Foregrounding the ways in which Hudson s career provides insights into the nature of American popular culture and attitudes towards gender and sexuality Mercer ultimately depicts Hudson as a star who embodied a period of transition between the old Hollywood and the new *The Fixer* Josh Young, Manfred Westphal, 2024-04-16 A riveting tell all biography that delves into the extraordinary life of Hollywood s most infamous private detective and fixer to the stars revealing newly discovered shocking revelations from his never before seen investigative files During the height of Hollywood s Golden Age one man lorded over the city s lurid underbelly of forbidden sin and celebrity scandal like no other Fred Otash An ex Marine turned L A P D vice cop Otash became the most sought after private detective and fixer to the stars by specializing in the dark arts that would soon dominate the entertainment industry Otash was notorious for bugging the homes offices and playpens of movie stars kingmakers and powerful politicians employing then state of the art methods of electronic surveillance and wiretapping for a who s who list of clients for whom he d do anything short of murder He lied to federal authorities to protect Frank Sinatra from criminal liability recorded Rock Hudson s coming out confession to his estranged wife moved in with Judy Garland to help her get sober taped President John F Kennedy and Attorney General Robert F Kennedy s tragic love affairs with the greatest sex symbol of all time and listened to Marilyn Monroe die Based on Otash s never before seen investigative files and personal archives *The Fixer* takes readers inside the sensational and nefarious world of the man whose life inspired the private eye characters portrayed by Jack Nicholson in Chinatown and Russell Crowe in LA Confidential **The Trial of Rock Hudson** John Parker, 1990 There had never been a trial like it It took place in the Superior Court of Los Angeles beginning in December 1988 and it made Rock Hudson s former lover Marc Christian an instant multi millionaire Hudson almost certainly had AIDS throughout their three year relationship but when the dreaded

news was finally confirmed he deliberately withheld it from Christian When Hudson died Christian sued The trial went ahead and the upshot was that Christian was initially awarded almost 23 million in damages The Trial of Rock Hudson chronicles every day of that landmark trial and studies its impact on Hollywood the homosexual community and AIDS sufferers themselves It also supplies a fascinating insight into the legal system in the USA Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era's defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That's when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty's accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine **The Hollywood Book of Breakups** James Robert Parish, 2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity's latest film can have a considerably longer life span in the

theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In *The Hollywood Book of Breakups* James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn't make this stuff up and James Robert Parish doesn't need to Hollywood writes its own drama when it comes to scandalous breakups

Elizabeth and Michael Donald Bogle, 2017-06-06 A dual biography of entertainment legends Elizabeth Taylor and Michael Jackson that explores their individual careers and personal lives leading up to and including their 25 year friendship

Hollywood's Second Sex Aubrey Malone, 2015-04-07 Women stars in Hollywood were invariably in two categories said director Otto Preminger One group was of women who were exploited by men and the other much smaller group was of women who survived by acting like men Beginning with silent film vamp Theda Bara and continuing with icons like Greta Garbo Marilyn Monroe and Raquel Welch this study of film industry misogyny describes how female stars were maltreated by a sexist studio system until women like Katharine Hepburn and Bette Davis fought for parity The careers of Doris Day Brigitte Bardot Carole Landis Frances Farmer Dorothy Dandridge Inger Stevens and many others are examined along with more recent actresses like Demi Moore and Sharon Stone Women who worked behind the scenes writing screenplays producing and directing without due credit are also covered
