memories which involve a next door neighbor with a shady occupation a shapely blonde a product of his imagination six kittens and one red wagon and his mother s tumble from her lawn chair MY MOTHER TAKES A TUMBLE is included in LITTLE FOLLIES However it is also available on its own as a pocket size paperback *The Little Follies* Eric Kraft,1995-01-15 In 1962 as a college sophomore Eric Kraft fell asleep in the library Among the books surrounding him he began to dream of a nameless boy sitting on a dilapidated dock in the warm sun of a summer day playing a game He was trying to bring the soles of his bare feet as close as he could to the surface of the water without touching it That boy became Peter Leroy and from Kraft s dream grew one of the most delightful unusual projects in contemporary literature Funny touching witty mythic and profound Kraft s novels featuring Peter his friends and family and the seaside town of Babbington create an alternate reality a world in which we see ourselves darkened and wavering as reflected by deep water Little Follies gathers nine Peter Leroy novellas into one volume the perfect introduction to an irresistible cycle of books by an author sometimes compared to Cheever Proust Twain Borges Russel Baker and Garrison Keillor but who is uniquely Eric Kraft

My Mother Takes a Tumble Eric Kraft,1986 **Call Me Larry** Eric Kraft,2009-01-30 Peter Leroy recalls his childhood affection for the Larry Peters series of adventure books As a boy he entered the world of the books so completely that he went from wanting to be Larry Peters to believing sometimes that he was As Larry he relished the company of his wisecracking sister Lucy and his square jawed and capable pal Rocky King Later when he had become a grownup circumstances led to his taking his place as the last in a line of pseudonymous authors of the series so that in a way he really did become Larry Peters *Life on the Bolotomy* Eric Kraft,2008-08-15 Peter Leroy recalls a childhood journey of discovery that he made from the mouth of the Bolotomy River to its source traveling with his best and imaginary friend Rodney Raskol Lodkochnikov The journey begins with the work of turning a packing case which Cap n Andrew Leech intends to use later as a coffin into a shallow draft boat it involves encounters with a philosophical vagrant and a gaggle of beautiful nymphs and it ends with the metaphor of life as a river turned on its head **The Girl with the White Fur Muff** Eric Kraft,2008-12-10

Peter Leroy recalls the trouble that ensued when a well meaning teacher appointed him director of Babbington s annual fourth grade production of King Lear Three of his classmates wanted the role of Lear s loving daughter Cordelia and each had her strategy for ensuring that she got it Clarissa Bud the girl with the white fur muff used sweetness and charm Veronica McCall used sex and Lily O Grady known as Spike threatened to break his foot if he chose anyone but her **The Young Tars** Eric Kraft,2009-02-06 Peter Leroy recalls an episode from his grade school years an episode that he would really rather

forget one of the dark gritty bits that one finds at the bottom of the chowder bowl of life It involves the Young Tars an organization originally intended to raise the morale of students at the new Babbington Central Upper Elementary School and the treacherous Mr Summers a teacher whose armamentarium of instructional techniques featured humility sessions and a toy weapon that fired ping pong balls *Take the Long Way Home* Eric Kraft, 2009-01-20 Peter Leroy returns in memory to the fifth grade where he finds himself gazing at Veronica McCall across the Gulf of Puberty Remembering Veronica the hottest little number in Babbington s elementary grades at that time inevitably leads him to reflect on the many varieties of love and lust to which the human animal is subject to consider the roots of the animosity between Babbington s clamdiggers and chicken farmers to recall the occasion of his first meeting Porky White who was to become the brains behind the Kap n Klam chain of bivalve based fast food restaurants and forces him to recreate his attempt to skate on ice
