JOURNEY THROUGHOUT THE BIBLE Robert Gobelet, 2018-05-18 The Bible is one continuous story from the story of creation to the story of Jesus' future return at the end of time. And yet there are smaller pivotal stories that make up the basic structure of this one big story. This book is a series of 52 lessons that walk you through the main stories of the Bible: 26 in the Old Testament, the time leading up to Jesus, and 26 in the New Testament, the time of Jesus and beyond. These lessons are geared especially for people who learn better through stories than teaching. Prepare yourself as you go on a spiritual JOURNEY THROUGHOUT THE BIBLE

Until Your Prodigal Comes Home Irene Bennett, 2017-05-08 In her first book *Until Your Prodigal Comes Home*, Encouragement Along the Way, Irene Bennett, co-founder with her husband Stephen of TheParentsGroup.com, shares biblical truth and the wisdom and insight she has gained through more than fifteen years of compassionate ministry to brokenhearted parents of a child who identifies as homosexual or struggles with same-sex attraction. If that is your child's experience and you want to know how you should respond, what you can do, this book offers answers. Irene provides a foundation of Scriptural truth along with real stories, encouragement from other parents, and practical guidance to help you navigate the challenges you may face while waiting for God to rescue your son or daughter from homosexuality. Her message is that you can respond to your child in a way that is loving and biblical; you can walk in peace and hope, and you can look to the Lord with assurance that complete change is completely possible for your loved one because with God, all things are possible.

The Dream of My Youth Edward Payson Tenney, 1901

You Lifted My Head L. Iona Halliman, 2008 *You Lifted My Head* tells of the pain, the devastation, and the lowest depth of depression that the author experienced after separation from her husband and what ensued following her attempt at reconciliation. The author tells of her fall into the sin of adultery during the time of marital turbulence, how she felt unforgiven and forsaken by God after much confession and repentance, the extent she went to in her search to find God, and how God eventually brought her to a place of peace and full assurance of His forgiveness. The book further reveals the author's struggle with God concerning divorce, the rest she found in surrendering her will to God, the amazing way in which God revealed His grace to her, and how she learned that it is when life is at its most hopeless that God can be experienced in the most amazing and the most powerful way. The book offers utmost hope to people of like suffering: those who, because of the great agony with which they are living, believe that their suffering is exceedingly abundantly and above everyone else's suffering; that their life is over; that things will NEVER change; that God has forsaken and forgotten them; that He can never forgive them for that horrible sin they have committed; that they cannot bear it for one second longer; that they will die in the process; that they want to commit suicide and end it all; that the situation is hopeless, hopeless, hopeless.
