If you do not have any peace when it comes to money, this book is for you. If you believe that you are doing everything right but you can't quite get where you need to be financially, this book is for you. Personal finance is as easy as ABC. Most of us get the math, but it is the emotions of personal finance that we have trouble with. And since personal finance is 90% emotion and 10% math, this may explain why you are struggling. In this book, you will find everything you need to know about every aspect of personal finances, and from someone who has been there. We will cover everything from buying a house to budgeting to getting out of debt. This is not a miracle program or a magic pill. This is about a lifestyle of handling money that will give you joy, peace, and freedom beyond what you could ever dream of having.
