

REMEMBER

Celebrate my LIFE

Remember me with love and joy,
Let gratitude fill your heart.
Thankful for the time we had,
Gone...yet not apart.
If we measured life in moments,
Not in months or years,
I lived a hundred lifetimes,
Loved by all who hold me dear.

I hope you'll find your smile,
And generously speak my name.
Share stories and my heart,
Your love for life unchanged.
Celebrate the life I lived,
I will be watching from above.
I am always with you,
Sending you my light and love. ◊

My Life As I Remember It:

"King David: 'My Life as I Remember It'" R. Furman Kenney, 2011-07-22 This book portrays the life of the great King David from a first person viewpoint Thus it enables the reader to see the life and times of King David as though he were on the scene It paints a verbal portrait of King David in a warts and all way that is it tells of his strengths and weaknesses Some of the high points in his life such as slaying the giant Goliath his sin of adultery with the beautiful Bathsheba fleeing from the army of his rebellious son Absalom are vividly portrayed from his own viewpoint This book is designed to enable the reader to understand how King David became known as a man after God s own heart My Life - As I Remember It David R.

Wilson, 2012-09 A mature intelligent everyday person Dianne Stewart has read *My Life As I Remember It* and *Time Tested Thinking As It Seems to Me* Her succinct observation is I think both books are extremely valuable One is the story of a man his life his ups and downs and his abiding faith in an abiding God the other what this man has learned and experienced with that same God **My Life as I Remember It** Billy D. Smith, 2009-10-30 In writing my book I tried to the best of my memory

and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama Even though times were hard then I feel very fortunate to have grown up during that time and in that place I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life I also had some great teachers which I am thankful for knowing Most of our teachers loved us and tried to help when they could to prepare for our future All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years *My Life as I Remember It* Robert G. Folk, Jr, 2013-04-02 Looking back over the hills and valleys of my life I

have had a wonderful life all told Some ups some downs but altogether I have no complaints I am now ninety three years of age and can tell you what happened I have had many friends some men and some women a few of the women I married and some were just wonderful friends I have done many things for various reasons and none criminal usually to make a living and some for the pure pleasure of doing them *In My Life* John England, 2016-08-01 John England uses the words of the song

to bring to life his memories of places and people he has known and loved The memoirs are a personal account of life family and career with reflections on many themes particularly music This book will be a surprise to those who know John and those that don t John England uses quotes from a lot of different sources to comment and entertain It is a very readable account of the life and times of someone who has had a successful professional career and a private life touched by sadness but who has found happiness again **Game of My Life South Carolina Gamecocks** Rick Scoppe, Charlie Bennett, 2013-07-01 Several

prominent South Carolina football players of the past share their fondest single game experience and memories Some of these games are the greatest in school history while others are ordinary save for significant personal meaning In each case it

is the player who singles out the game the moment in time that to him is the most defining of his Gamecock football career Together these stories weave a tapestry of South Carolina Gamecock football history Heisman Trophy winner George Rogers as well as other legends like ponytailed QB Steve Taneyhill record setting QB Todd Ellis Dan Reaves an eventual Super Bowl head coach running back Brandon Bennett and running back Rob DeBoer are profiled in this unique book Game of My Life South Carolina Gamecocks takes readers down memory lane while also providing an in depth look into the men and games that helped shape and build the Gamecock football heritage

The Fight of My Life Barbara Webb,2019-05-24 They say that Ted Bundy started his killing spree in 1974 in the state of Washington When he tried to get me in the car it was in 1965 nine years earlier He was approximately eighteen and I was twenty one I saw the horror in his face at this time I m sure that I wasn t his first intended victim Ted Bundy s horror would have been over in a couple days others can put us through misery for years Even sabotage us to protect themselves while the blame will be put on us and no one cares Why

Depression Saved My Life Brian Michael Joyce,2008-06-04 According to the Centers for Disease Control and Prevention 17.5 million Americans suffer from clinical depression Each year more than 132,000 people will consider suicide as a way out of depression and over 30,000 of them will succeed The author became a statistic of the first two categories and was miraculously saved from the third Ironically he was reborn to a new reality through the intervention of a terminally ill friend as he wrote his school aged son a desperate suicide letter Consequently the note changed course and

became this book The author describes his decent and climb from depression to his son in heartbreaking detail from his childhood in the tough streets of Philadelphia to his battle with cancer the deaths of his sister mother and two best friends all in a relatively short period of time What makes this book unique are the strategically intertwined positive lessons that were learned while facing these tragic life altering events These lessons appropriately named Life Lessons are heartfelt loving messages from a father to his son illustrating what the author believes to be the truths of life and what is truly important to him today

My Life Back Movement Shane W. Kervin,2021-02-01 Not to disrespect the many great works of art in books by authors for centuries but other than the Bible for those who believe never in my lifetime have I ever seen or read a more powerful life changing tool This work of art specializes in using easy ways to remember what you ve learned This book which is much much more brings to light the darkness that has blinded the eyes of the masses for centuries It exposes the broken human the money racket that AFFECTS US ALL and YOU AS WELL The goal is to bring about awareness and present real rehabilitation that can and will change the lives of anyone held captive not knowing their true purpose in life from the inmate to the depressed from the gluttonous to those plagued by chaos anger or anything else that has been given power over the hearts and minds of men and women since the beginning of time THIS BOOK IS A MUST READ
